

HONORING BESSIE CROUSE BOREN MILLER

HON. SCOTT McINNIS OF COLORADO

IN THE HOUSE OF REPRESENTATIVES Tuesday, February 1, 2000

Mr. McINNIS. Mr. Speaker, I would like to take a moment to pause and remember the life of a woman that always had an open heart and hand to all, Mrs. Bessie Crouse Boren Miller.

Mrs. Miller was born on February 4, 1920, in Montezuma, Kansas, to Joseph Oliver Crouse and Edith Angelique Fincher Crouse. She moved with her family to the Eastern slope of Colorado in a covered wagon. There, in Villgreen, Colorado, she attended school. She was known as a very athletic person and loved to run track.

Mrs. Miller was known for her cooking in all of the local cafes. She was also known for welcoming anyone and doing anything she could to help. Mrs. Miller loved to read and sing old hymns.

It is with this, Mr. Speaker, that I would like to pay tribute to the life of Mrs. Miller, a woman with a heart of gold.

REMARKS ON ALASKA AIRLINES FLIGHT 261 CRASH

HON. DON YOUNG OF ALASKA

IN THE HOUSE OF REPRESENTATIVES Tuesday, February 1, 2000

Mr. YOUNG of Alaska. Mr. Speaker, I rise today in regards to yesterday's crash of Alaska Airlines Flight 261. In all, an estimated 88 people lost their lives off the southern coast of California at 4:36 p.m. Unfortunately, it is too early to know the cause of this devastating crash. Our prayers go out to all the family and friends of those who lost their loved ones in the crash.

Among Alaska Airlines Flight 261 were an estimated five Alaskans. Included were Malcolm Branson and his fiance, Janice Stokes, both of Ketchikan. Also onboard the airplane was Morris Thompson, age 61, his wife Thelma and daughter Sheryl. The Thompson's were returning to Alaska after a family vacation in Mexico.

Morris Thompson, Thelma, Lu and I have been friends for more than 40 years. Thelma, an experienced dog musher and Morris were married a year after Lu and I were married. Morris and I followed each other on similar paths to public office. Oftentimes we spent time together in Juneau, Alaska, when I served in the State Legislature and later in Washington, DC where I served as Congressman and Morris served as commissioner of the Bureau of Indian Affairs.

After his public service, Morris became president and chief executive officer of Doyon, Ltd., a Native Corporation formed in 1971 as part of the Alaskan Native Claims Settlement Act. At Doyon, Morris turned an operating loss of \$28 million into \$70.9 million in revenues and the largest private landowning corporation in America. Morris Thompson retired in Janu-

ary and was considered a great Native leader, businessman, and friend. I had a conversation with Morris just last month and he was describing to me the cabin he planned to build on the Yukon River and his optimism for the future.

Morris Thompson, his wife Thelma and daughter Sheryl spent a great deal of time with me and my family. In fact, we rang in the New Millennium with Sheryl. Sheryl Thompson grew up with our daughters and became so close to our family that we considered her part of the family. Morris is survived by two young daughters named Nicole and Allison and two grandsons Christopher and Warren.

I will always have fond memories of the Thompson family. Such as Morris and I duck hunting on the Yukon River, Thelma mushing her dog's, and Sheryl managing the extreme skiing association in Valdez. God Bless the memories we have.

Morris was a good father, leader and friend, as well as being one of the great leaders among the Native community. Lu, and I are in shock over this tragic loss. Our prayers go out to the Alaska Airlines employees and their families, and the families and relatives of the 88 passengers that were lost.

HON. TERRY EVERETT OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES Tuesday, February 1, 2000

Mr. EVERETT. Mr. Speaker, on January 31, I was unavoidably detained and missed rollcall vote numbers 2 and 3. Had I been present, I would have voted "yes" on H. Con. Res. 244, Permitting the Use of the Capitol Rotunda to Commemorate Victims of the Holocaust; and "yes" on H.R. 2130, the Hillary J. Farias Date-Rape Prevention Drug Act of 1999.

RECOGNITION OF NATIONAL BIOTECHNOLOGY MONTH

HON. PATRICK J. TOOMEY OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES Tuesday, February 1, 2000

Mr. TOOMEY. Mr. Speaker, I rise today to commend workers in the biotechnology industry for their progress in improving the lives of all Americans. We just concluded National Biotechnology Month, and I would like to take a brief moment to highlight the potential that biotechnology has for us in the 21st century.

Biotechnology companies are developing treatments and vaccines for devastating diseases—such as Parkinson's, Alzheimer's, cancer, and AIDS—that will improve the lives of millions of Americans afflicted with these ailments. They are also responsible for developing treatments for smaller diseases harming perhaps just a few hundred people, but nonetheless just as debilitating. In addition, biotechnology is about more than just medical research. Scientists are beginning to use biotechnology for other uses, such as environmental remediation.

Furthermore, the biotechnology industry has also had a significant positive impact on our nation's economy. A recent report by the Joint Economic Committee stated that the biotechnology industry spent \$10 billion on research and development in 1998, while employing 150,000 workers nationwide. My home state of Pennsylvania has helped lead the way in biotechnology, ranking second in the nation in the number of jobs based on biotechnology.

Congress needs to continue to work with the biotechnology industry for an equitable public-private sector partnership, and make sure new technologies are not unnecessarily slowed by over-burdensome regulations. I congratulate the biotechnology industry on its accomplishments and its bright future.

LAW OFFICER OF THE YEAR, SHERIFF JOHN EBERLY

HON. SCOTT McINNIS OF COLORADO

IN THE HOUSE OF REPRESENTATIVES Tuesday, February 1, 2000

Mr. McINNIS. Mr. Speaker, I would like to take a moment to recognize the Law Officer of the Year recipient, Otero County Sheriff John Eberly of La Junta, Colorado.

This award was presented by the Colorado Cattlemen's Association and the Colorado Brand Board and recognizes Colorado lawmen whose efforts to uphold the state's livestock law have benefitted the entire livestock industry.

During his 25 years with Otero County, Sheriff Eberly has been instrumental in continuing and improving the livestock law training classes for law enforcement. Working with the National Guard, Sheriff Eberly and his staff coordinated the rescue and helicopter feeding operations for stranded livestock during the 1997 blizzard. When floods threatened the Arkansas Valley in 1999, his experience and knowledge was important to the area's ranching businesses.

It is with this, Mr. Speaker, that I would like to congratulate Sheriff John Eberly and also thank him for his tireless commitment to making his community a better place.
