The settlement of Kingston, Nevada was destination and home to pioneers that settled the isolated high desert valleys of the central Great Basin. The inhabitants of this community set aside a specific community cemetery to provide the final resting place for friends and family who passed away. The surrounding Forest Reserve was established in 1908. Under current law, the agency must sell the encumbered land at fair market value to this community for continued use. My bill provides for the conveyance of the balance of the original, recognized cemetery location to Lander County, at no cost, contingent on the completed sale of the
