Gonsalves was a real friend to countless people from all walks of life. He was a true role model for everyone who aspires to the highest levels of honesty, decency, loyalty and integrity in a profession that has seen all too little of these qualities.

Above all Mr. Speaker, Joe A. Gonsalves never forgot from whence he came. He was a great man with a common touch. He will be sorely missed by all who knew him and cherished his friendship. Preceded in death by his first wife Virginia, Joe Gonsalves is survived by his wife Jerry Farris Gonsalves and by his nine sons and their spouses, Robert, James & Ruth, Joe & Mary, Jack & Debt, Frank & Theresa, Anthony & Evelyn, David & Josephine, Tim & Stephanie, John Kennedy & Julie Gonsalves. On behalf of my husband Frank, my family, my Chief of Staff Chuck Fuentes, (whose own father Bob Fuentes served as Joe's Administrative Assistant during most of his legislative career) and the citizens of the 34th Congressional District and the Southeast Los Angeles communities, I extend our heartfelt condolences to the entire Gonsalves family. Joe A. Gonsalves was a proud and patriotic American and a great Californian!

IN HONOR OF MICHELLE SIKES

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 11, 2000

Mr. KUCINICH. Mr. Speaker, I rise today in tribute to Michelle Sikes, a member of the track and field team at Lakewood High School in Ohio. Michelle has been selected by the Cleveland Plain Dealer to be a part of their All-Star Girls Track Team as the distance runner for the Spring 2000 season.

Michelle has demonstrated exceptional athletic ability and tremendous commitment to her sporting activities. This past Spring season, Michelle has become an integral part of Lakewood High School's track and field team. As a first time runner, she won the 3,200 meter race at the state meet with a time of 10 minutes, 45.11 seconds, making it the best time in the event in her area. In addition, she was the area's highest finisher in the 1,600 meters. Her time was 4 minutes, 53.95 seconds. These impressive times mirror Michelle's commitment to responsibility. Her strong faith and belief in her abilities has enabled her to become one of the finest athletes in northern Ohio.

Recognition by the Cleveland Plain Dealer of Michelle's accomplishments is an amazing honor because it acknowledges the hours of sacrifice and patience needed to cultivate stamina and perseverance, as well as excellence in teamwork and cooperation. More importantly, I am inspired by her motivation, poise, and good sportsmanship on and off the playing field. She is the quintessential model of grace under pressure. Yet, despite the hard work and competition, Michelle views every-

thing as a new and exciting experience. Although Michelle is only a freshman in high school, I am impressed by such optimism and devotion. She is truly remarkable. I know that Michelle has much to offer. I look forward to offering more congratulations to this promising athlete in the future.

My fellow colleagues, Michelle Sikes is an outstanding and inspirational individual. Please join me in honoring her notable accomplishments and achievements in track and field.

IN HONOR OF MARC SYLVESTER

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 11, 2000

Mr. KUCINICH. Mr. Speaker, I rise today in tribute to Marc Sylvester, a member of the boys track and field team at St. Ignatius High School in Ohio. Marc has been selected by the Cleveland Plain Dealer as a part of their All-Star Boys Track team as the middle distance runner for the Spring 2000 season.

Marc has demonstrated exceptional athletic ability and tremendous commitment to his sporting activities. This past Spring season, Marc Sylvester has become an integral part of St. Ignatius High School's track and field team. He ran the 800 meters, leaving opponents far back, and ran anchor for the 4x800 and 4x400 relays. In the Division I Relays at Amherst Steele, he set the record for the fastest 800 meter race ever run by an Ohio high school athlete. His time was 1 minute, 49.50 seconds. Such accomplishments are outstanding, and I commend him for his devotion and commitment. Unfortunately, two days after regionals, Marc suffered a partially collapsed lung and was held out of the state meet. But Marc's sterling track career has not ended with this setback. While it was disappointing not running at the state meet, Marc is feeling much better and is now working towards winning the National Outdoor Championships in Raleigh, North Carolina. Marc's strong faith and belief in his abilities has enabled him to become one of the finest athletes in northern Ohio, and perhaps the nation.

Recognition by the Cleveland Plain Dealer of Marc's accomplishments is an amazing honor because it acknowledges the hours of sacrifice and patience needed to cultivate stamina and perseverance, as well as excellence in teamwork and cooperation. More importantly, I am inspired by his motivation, poise, and good sportsmanship on and off the playing field. Marc is the quintessential model of grace under pressure. I am impressed by such optimism and devotion. He is truly remarkable. I know that Marc has much to offer. I look forward to offering more congratulations to this promising athlete in the future.

My fellow colleagues, Marc Sylvester is an outstanding and inspirational individual. Please join me in honoring his notable accomplishments and achievements in track and field.

AGRICULTURE, RURAL DEVELOPMENT, FOOD AND DRUG ADMINISTRATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2001

SPEECH OF

HON. SHERWOOD L. BOEHLERT

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, July 10, 2000

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 4461) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 2001, and for other purposes:

Mr. BOEHLERT. Mr. Chairman, I rise in support of this amendment which will strike damaging language and replace it with more sensible policy.

The language this amendment strikes would have crippled the nation's ability to discuss and advance reasonable measures that would protect the environment in the most economically efficient way.

The language would have blocked all government work on carbon emissions trading—all work, including discussion and analysis—even though corporations increasingly are embracing such trading and have entered into voluntary programs to engage in it. Carbon trading is the most economically efficient way to reduce greenhouse gas emissions; if we don't do the work to develop it now, we will be left with no tools other than command and control to limit carbon, if we choose to impose limits in the future.

Similarly, the Clean Development Mechanism that the bill language would have blocked is an economically beneficial way to attack greenhouse gas emissions in the developing world. The Mechanism will encourage the sale of American-made clean technologies in the developing world. Why on Earth would we want to discourage something that helps other nations implement their own climate change policies while creating business for our own companies and workers?

I am pleased that so many people in industry and the Congress, from all points of the political spectrum, recognized the folly of this language.

The language the amendment would substitute is far from ideal, but it is moderate language that has been signed into law in past years.
