TRIBUTE TO LOUISE STEFANELLI SIMMONS

HON. NICK J. RAHALL II

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. RAHALL. Mr. Speaker, I rise in tribute to Louise Stefanelli Simmons who retired from the Corps of Engineers in Huntington, West Virginia on August 1, 2000 after dedicating 39 years, 11 months and four days to the Corps.

I salute Louise Stefanelli Simmons for her lifelong dedication to her husband and son Alan, as well as her devotion to duty throughout her service with the U.S. Army Corps of Engineers. Her professionalism as well as her commitment to family and community are an outstanding example of family values and good citizenship.

Louise was born in Newark, New Jersey of Italian immigrant parents, one of four children. After graduating from Newark Prep with an associate degree in business, Louise worked as a civilian for the U.S. Army Corps in Newark during World War II, where she met her future husband Howard "Red" Simmons. Upon her marriage, she left family and friends in New Jersey to marry "Simmy" as she called him, moving with him to Huntington, West Virginia. Louise remembers the "culture shock" when she first visited downtown Huntington—the girl from the "big city"—there was no comparison.

Early on in her marriage to "Simmy", she helped him run their restaurant, the Corral Drive-Inn near Marshall University, then got her real estate license so she could help him in his real estate development business.

In addition to helping out with the restaurant business and her husband's real estate interests, Louise worked several years for an insurance company before coming to the Corps of Engineers in 1963. Beginning in the typing pool before becoming secretary to the Chief of Engineering, she later became the secretary to the Colonel in charge of the Huntington Corps, where she remained for nearly four decades.

Louise will spend much of her retirement time as a long-time booster of Marshall University's sports activities, especially the football team, and attending the sporting events involving her two grandchildren, Mark 14 and Elizabeth 12.

Louise loves to travel, back to New Jersey with family and friends. Early this summer she took a 2-week vacation to Italy, to revisit the history of her parentage, and to steep herself in the culture and traditions of her parents' homeland.

Other retirement activities will include her dedication to walking (twice around Ritter Park at least 5 days a week), watching old movies, and perfecting her Italian cooking. Louise is an active member of Johnson Memorial United Methodist Church, the Women's Club of Huntington, and participates in the Professional Secretaries Association.

I wish all the best for Louise, her husband, son Alan and her grandchildren as she embarks upon her Golden Years giving all her uninterrupted energy and love to her family, to her church, and to the community to which she has already contributed so abundantly throughout her remarkable life in her adopted State of West Virginia.

HONORING BASIL T. KNIGHT

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. McINNIS. Mr. Speaker, it is with great sadness that I now honor an extraordinary human being and great American, Basil T. Knight. Mr. Knight was an educator that changed the lives of literally thousands of young men and women over his more than seven decades as an educator in western Colorado. As family, friends, former students and colleagues mourn this profound loss, I would like to honor this truly great American.

Mr. Knight was an individual that reached out to help every human being that he came in contact with. As an educator, countless students in District 51 have been affected by this remarkable man and each are better off because of his service. Basil began his legendary educational career as a substitute teacher at Mount Lincoln School near Palisade, Colorado, in 1923. He went on to become Principal only a year later. In 1925, Basil became a math teacher at Grand Junction High School where he remained for over three decades. As remarkable as his teaching career was, his immense impact upon the community continued long after he left the classroom.

Mr. Knight was elected County Supervisor of Schools in 1965, which placed him in charge of over 40 schools within the county. As supervisor, he continued to work to ensure that the children in his community would receive the best education possible. His commitment to education earned him not only the Educator of the Year award in 1974 from the Colorado Education Association, but also the District 51 staff development center now bears his name. Employees and visitors alike are reminded of his unmatched commitment to education every time they set foot in the Basil T. Knight Center.

Mr. Knight's passion for serving children extended well into his golden years. In fact, he played an instrumental role in the passage of a recent school bond initiative that helped improve a number of existing schools in the Grand Junction area and build two new ones. The passing of this bond was the answer to a wish he made on his 100th birthday. Beyond his brick and mortar contributions to School District 51, Mr. Knight's legacy will also endure in his five A's philosophy (attendance, attitude, attention, achievement and ABC's), a philosophy still used by the district today.

Former State Senator Tilman Bishop, in a recent article in the Grand Junction Daily Sentinel, helps to sum up the impact Basil had on his community: "Many generations have and will benefit from Basil T. Knight, to say he was

a unique person is an understatement. Thank you Basil for all you stood for and believed in."

Mr. Speaker and fellow colleagues, as you can see, this extraordinary human being truly deserves our gratitude and our thanks. It is individuals like Basil who are committed to bettering the lives of America's youth through both education and public service that make our great country what it is today. Basil T. Knight may be gone, but his proud and distinguished legacy will long endure.

America is most assuredly a better place for having known Basil T. Knight.

PROPOSED TRIBUTE TO LIEUTENANT COLONEL DOUGLAS E. WADE, UNITED STATES AIR FORCE, ON THE OCCASION OF HIS RETIREMENT

HON. JOHN JOSEPH MOAKLEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. MOAKLEY. Mr. Speaker, I rise today to pay tribute to Lieutenant Colonel Douglas E. Wade as he prepares to culminate his active duty career in the United States Air Force. Doug is the epitome of an outstanding officer and leader.

Lieutenant Colonel Wade began his career more than 20 years ago as an enlisted soldier in the Army. He then received his direct commission as a second lieutenant in the Air Force. A law graduate of Ohio State University, as well as the Air Command and Staff College, Doug Wade has met the many challenges of military service as an Air Force Officer, and has faithfully served his country in a variety of command and staff assignments.

Doug concludes his career as the Director for House Affairs in the Office of the Assistant Secretary of Defense for Legislative Affairs; he was instrumental in advising the Defense Department leadership on a broad range of national security issues of immediate interest to Congress. Doug's personal rapport with the House leadership and Members of Congress was vital in ensuring Department of Defense programs were clearly presented and soundly defended on Capitol Hill.

Mr. Speaker, service and dedication to duty have been the hallmarks of Lieutenant Colonel Wade's career. He has served our nation and the Air Force well during his years of service, and we are indebted for his many contributions and sacrifices in the defense of the United States. I am sure that everyone who has worked with Doug joins me in wishing him and his family health, happiness, and success in the years to come.

HONORING DONELDA WARHURST AND LIZ STUMPF OF YORBA LINDA, CALIFORNIA

HON. GARY G. MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. GARY MILLER of California. Mr. Speaker, it is with great pleasure that I honor

Donelda Warhurst and Liz Stumpf, teachers at Bryant Ranch School, in Yorba Linda, California. Ms. Warhurst and Mrs. Stumpf are more than just educators; they are passionate, inspiring leaders who encourage their students to reach beyond the walls of the classroom in their pursuit of knowledge.

Ms. Warhurst and Mrs. Stumpf spearheaded the award-winning "Once Upon a River" curriculum. "Once Upon a River" is an integrated, cross curriculum approach that allows students to learn more about the Santa Ana River while simultaneously mastering grade-level skills in language arts, math, science, social studies, and the arts.

In addition to studying the chemistry and biology of the water, the historical importance of the Santa Ana River, and data collection skills, the students also have a public property access permit to carry-out mitigation of Arundo Donax, Castor Bean, and Tamarisk. Students have applied their knowledge to effectively clear the area of Arundo Donax, an introduced species of bamboo that was threatening native plants, build and install bluebird boxes, and educate others about the Santa Ana River.

Ms. Warhurst and Mrs. Stumpf have showcased and furthered the work of their students through various community partnerships. The Orange County Park Service and the Orange County Flood Control District have served as advisors. Students have also worked with officials at the City of Yorba Linda and a local bat biologist.

"Once Upon a River" has been a success. After five years and 10,080 volunteer hours provided by 280 students, an acre of the highly invasive "Arundo Donax" has been completely removed along the Santa Ana River.

Ms. Warhurst and Mrs. Stumpf have been recognized by the Orange County Board of Supervisors, the Placentia Yorba Linda Unified School Board, and the Points of Light Foundation.

Mr. Speaker, I ask that this House please join me in recognizing, honoring and commending Ms. Warhurst and Mrs. Stumpf for their creativity, leadership, and commitment to their students.

A TRIBUTE TO NICK ROMANO

HON. GERALD D. KLECZKA

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. KLECZKA. Mr. Speaker, I rise today in tribute to my good friend and a life-long supporter of working men and women, Nick Romano, who retired July 1, 2000 after 42 years of dedicated service to and membership in the United Auto Workers (UAW).

Nicholas Romano was hired in 1958 at the Milwaukee manufacturing plant of American Motors. Throughout his years at the American Motors Body Plant, Chrysler and the UAW, Nick has been a progressive advocate for his union brothers and sisters, his neighbors and community. A selfless leader, Nick seized every opportunity available to express the opinions of organized labor to his elected officials locally, on the state level and nationally. Nick organized and participated in many

grass-roots lobbying efforts to bring labor-related issues and concerns into the limelight.

The union membership granted Nick many official duties, including group steward, head steward, benefits representative, chair of the bargaining committee, member of the Local 75 Executive Board (culminating in the last 15 years as Local President), member of the national UAW negotiating team for the DaimlerChrysler national contract negotiations and a seat on the Wisconsin State UAW CAP Executive Board until his retirement last month.

It will be literally impossible to replace Nick Romano and forget all that he has done and meant to the UAW in southeastern Wisconsin, the Midwest and our nation. But let each and every one of us learn from Nick's four decades' worth of leadership to step up and do the best we can to live by his example. May God bless you Nick, Judy and your family.

Nick will be honored by UAW International Representatives, Region 4 and Local Representatives, his family and many friends at a retirement dinner Saturday, September 9 in Milwaukee. I personally extend my thanks and well wishes to Nick for all that he's done.

HONORING ROBERT STANTON

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. McINNIS. Mr. Speaker, it is with great sadness that I wish to take this moment to recognize the remarkable life and achievements of one of Colorado's leading public servants, Robert Stanton, who recently passed away. As family, friends, and neighbors mourn his passing, I would like to honor this great Coloradan.

For the better half of a decade, Mr. Stanton served faithfully as the president of the Bonfils-Stanton foundation. This foundation was established in 1962 by Charles Edwin Stanton following the death of his wife, Mary Madeline Bonfils, and is devoted to the advancement of philanthropic causes. Robert has made numerous contributions to many organizations, including the University of Colorado Health and Sciences Center and the University of Denver Biological Sciences Department where he created an endowment. In honor of Ira E. Cutler.

Robert had an extremely distinguished professional career working for the American Society of Mechanical Engineers, the Board of Examiners for Engineers and Land Surveyors, the National Society of Professional Surveyors Inc., the American Institute of Chemical Engineers, as well as supervising fieldwork for oil companies in Colorado, Oklahoma and Texas. Mr. Stanton's life was one of distinction both professionally and in the realm of public service.

In addition to his distinguished professional career, Mr. Stanton still found time to serve his community and state and that is why his memory will live on in the minds of many. I am confident, Mr. Speaker, that in the face of this loss, family and friends can take comfort in the knowledge that each is a better person for having known him.

He will be greatly missed.

INTRODUCTION OF THE "WORK MADE FOR HIRE AND COPYRIGHT CORRECTIONS ACT OF 2000"

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. CONYERS. Mr. Speaker, I am pleased to join with subcommittee ranking Member HOWARD BERMAN and subcommittee chairman HOWARD COBLE to introduce the "Work Made for Hire and Copyright Corrections Act of 2000," which strikes "sound recordings" from the definition of "work made for hire" in section 101 of the Copyright Act.

This bill undoes an amendment to the Copyright Act made last November, an amendment that changed the Act to treat "sound recordings" as "works made for hire." Without the benefit of Committee hearings or other debate, that change effectively terminated any future interest that artists might have in their sound recordings and turned them over permanently to the record companies.

Fortunately, all of the interested parties—the Members, the recording artists, and the recording industry—after hearing testimony at a Subcommittee hearing now agree that the provision must be struck, that we must return the law to where it was on November 28, 1999, the day before the amendment passed into law, so that artists' authorship rights are preserved.

I am pleased that the recording industry has worked diligently with the recording artists to reach agreement on how to do just that. Arrived at after several months of negotiations, this bill ensures that we return to status quo ante on "sound recordings" with respect to whether and under what circumstances they are considered "works made for hire." The bill is retroactive to the date section 101(d) was enacted. As such, this bill will function as if section 101(d) never existed; the artists and industry have the same rights now that they did on November 28, 1999.

I ask my colleagues to support this compromise legislation. Vote "Yes" when it comes before the full House.

A TRIBUTE TO KIRKLAND TEEN CENTER

HON. JAY INSLEE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. INSLEE. Mr. Speaker, we hear so much these days about the problems plaguing today's young people that sometimes the positives are drowned out. Therefore, I rise today to publicly recognize the Kirkland Teen Center. I will be attending the center's groundbreaking ceremony this Saturday, and I want to take a moment to make my colleagues aware of this extraordinary center, created by our youth for our youth.
