MOTION TO INSTRUCT OFFERED BY MR. SABO

Mr. SABO. Mr. Speaker, I offer a motion to instruct conferees.

The Clerk read as follows:

Mr. SABO moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the bill, H.R. 4475, be instructed to insist on no less than \$43,144,000, the amount provided in the Senate amendment, for the pipeline safety program.

The SPEAKER pro tempore. Under the rule, the gentleman from Minnesota (Mr. SABO) and the gentleman from Virginia (Mr. WOLF) each will be recognized for 30 minutes.

The Chair recognizes the gentleman from Minnesota (Mr. SABO).

Mr. SABO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, this motion to instruct conferees is very straightforward. It is a motion to help make our communities safer and cleaner by providing increased resources to protect them from the dangers of and damage from pipeline explosions, failures, and leaks.

As the conference on the differences between the House and Senate versions of the fiscal 2001 transportation appropriations bill begins, we now have an opportunity to provide these additional resources to the Office of Pipeline Safety that the Office of Pipeline Safety needs.

For fiscal year 2001, the Secretary of Transportation has requested \$47 million for pipeline safety activities, an increase of \$10 million more than last year. And while neither the House nor the Senate transportation appropriations bills provide the full increase requested, we ought to get as close to that mark as we possibly can in the final conference agreement.

This motion to instruct directs the House conferees to agree to no less than \$43 million that is included in the Senate amendment for the Office of Pipeline Safety. The Senate level would provide \$3 million more than the House level of \$40 million and \$6 million more than last year. This is the minimum amount that we should provide.

Mr. Speaker, I yield 2 minutes to the gentleman from New Mexico (Mr. UDALL).
