BLUE RIBBON SCHOOL WINNER

**HON. RANDY "DUKE" CUNNINGHAM**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, September 18, 2000*

Mr. CUNNINGHAM. Mr. Speaker, I rise today to congratulate Twin Peaks Middle School in Poway and its leaders, Principal Sue Foerster and Superintendent Dr. Bob Reeves. Twin Peaks has been designated by the U.S. Department of Education as a National Blue Ribbon School for 2000. I am proud to inform my colleagues that my district had an amazing record of 11 schools selected for that prestigious honor this year. I would also like to note that the Academy of Our Lady of Peace right outside my district in San Diego County was also named a Blue Ribbon School. I applaud the educators, students, and communities in each of the San Diego County schools who pulled together in pursuit of educational excellence.

Blue Ribbon Schools are recognized as some of the Nation's most successful institutions, and they are exemplary models for achieving educational excellence throughout the Nation. Not only have they demonstrated excellence in academic leadership, teaching and teacher development and school curriculum, but they have demonstrated exceptional levels of community and parental involvement, high student achievement levels and strong safety and discipline.

After schools are nominated by State education agencies for the Blue Ribbon award, they undergo a rigorous review of their programs, plans, and activities. That is followed with visits by educational experts for evaluation. Ultimately, those schools which best demonstrate strong leadership, clear vision and mission, excellent teaching and curriculum, policies and practices that keep the schools safe for learning, family involvement, and evidence of high standards are selected for this prestigious award. I am pleased that they are now receiving the national recognition they are due.

As school and community leaders head to Washington for the Department of Education awards ceremony, I want to thank them once again for a job well done. More satisfying than any award, these leaders will have the lifelong satisfaction of having provided the best education possible and a better future for thousands of children. I am proud of what they have achieved, and want to share their achievements so that more people benefit from their accomplishments. I ask that a summary of Twin Peaks Middle School's superior work be included in the RECORD:

Twin Peaks Middle School is in the city of Poway, a suburban community of about 45,000 located 25 miles northeast of San Diego, California. Known as "The City in the Country," Poway maintains a rural feeling where horse trails are common and the annual rodeo is an important event. Retail trade, service industry, and government jobs presently provide the greatest opportunity for employ-

ment in Poway, although most of their residents travel to other areas of the county to work. The dedicated Twin Peaks staff exemplifies its vision of providing an excellent education for all students by making a conscious effort to continuously enhance and enrich the culture and conditions in the school so that teachers can teach more effectively, leading to students who become lifelong learners. This focused effort to strive for excellence is shared by teaches, parents, students, and community members who work together to create outstanding programs that maximize the potential of each student while acknowledging individual learning styles.

Students feel this enthusiasm for learning and want to be at Twin Peaks, as shown by the average attendance rate of over 99 percent. Students maintain an active voice in perpetuating these traditions through the Associated Student Body that provides Friday spirit days, barbecues, dances, Teacher Appreciation Day, and Harbor Cruise excursions. Other yearly events include ski trips, Women's Day speakers, Shadow-A-Student Day, the geography bee and spelling bee, Sixth Grade Olympics, sixth grade camp, a seventh grade trip to Medieval Times, band concerts, and choral and drama productions. Visitors frequently comment on the positive atmosphere that pervades the campus. Twin Peaks Middle School truly is a wonderful place to teach and learn.
