

member of the Pennsylvania delegation has cosponsored this bill.

Dr. Barber died April 29 at the age of 88. During her life, she impacted not only Erie but our entire Nation. Her influence stretched outside of Erie into neighboring counties, States and everywhere in her path. It is inconceivable for Erie to imagine a life without Dr. Barber. There was something about this extraordinary individual that made one think that she would be around forever. To quote the Erie Times, who eulogized Dr. Barber, "She was a legend whose name and works will be with us for years to come."

Dr. Barber served more than 2,850 developmentally disabled clients not only in Erie but throughout the State of Pennsylvania. She knew everyone by name, whether it was a client, volunteer, or staff person. She knew about their lives and the challenges they faced and she truly cared.

For those of us who visited her in her office and visited her at the Dr. Gertrude Barber Center, we saw that caring very much in action. The disabled children and adults always came first with her. Whether she was walking with the Governor or even a Member of Congress, Dr. Barber would always take the time to talk to her children. After all, they were every bit as important to her and maybe even more so.

A member of a prominent and respected family in Erie, Dr. Barber became a special education teacher in 1933. Focusing on a need in our community, she opened the center that now bears her name in 1952. The Barber Center has since blossomed and flourished under her strong and thoughtful and watchful hand. The Center has dramatically improved the lives of the developmentally disabled. The Center has facilities for autistic and Down syndrome children, classrooms, a library, and many satellite sites. It has sponsored adult literacy and adult job training programs. She and her staff have worked with mental health professionals from 33 countries, many coming to see the methodologies and accomplishments of this Center.

As Dr. Barber's dream continued to expand, so did the Center. During her 48 years of service, she established many satellite sites throughout Pennsylvania, including group homes in Philadelphia and in Pittsburgh. She started with a small staff, which grew to 60 in the 1970s, and more than 1,650 across the State today.

During her lifetime she was recognized by world leaders, including Pope John Paul II, and Presidents Kennedy and Bush. President Kennedy appointed Dr. Barber as a delegate to the White House Conference on Children and Youth. She was also a member of his Task Force on Mental Retardation. She testified many times before Congress about the needs of people with disabilities and mental retardation.

National figures sought out her advice, and she gladly guided them.

This is the 10th anniversary of the year that the Americans With Disabilities Act was passed by Congress; and in July, 10 years ago, when President George Bush signed the Americans with Disabilities Act into law, he invited Dr. Barber to attend the ceremony. Her invitation was in recognition of the work she put into the caring for the disabled.

In 1981, she was on the planning committee for the International Year of Disabled Persons and was a delegate to the White House Conference on Education. Not only did Dr. Barber serve on countless local, State, and Federal committees, but she even established a number of local branches of national advocacy groups for people with mental retardation and related developmental disabilities.

She founded the Division of Mental Retardation within the Pennsylvania Federation Council for Exceptional Citizens, the Northwest Council for Exceptional Children and, in Erie County, the ARC. She also served as president of the Pennsylvania Association for Retarded Citizens, the Pennsylvania Federation Council for Exceptional Citizens, and the Polk State School Board of Trustees.

In her honor, scholarships have been established at Penn State University, Gannon University, Mercyhurst College, and the University of Notre Dame. She was one of the most recognized advocates of people with special needs for generations and she made this her mission.

Dr. Barber was truly called to her life's work. She dedicated her life to the thousands of children and adults whom others often treated with disregard. She believed strongly in her dream to transform the lives of the developmentally disabled. Her dream was just one small seed planted in the broad fields of life, but she loved it and protected it. She believed in her dream until it grew and blossomed and gave great joy. She proved without doubt that one person, one extraordinary person, can make a difference.

In the new testament, Mr. Speaker, Matthew wrote, "The house fell, for it was not founded upon a rock." Dr. Gertrude Barber was the rock on which her centers for the disabled were built and, in fact, she was the rock on which the disability community in Erie and even throughout the United States could lean. Though she has died, her ideals and her goals live on.

It is my great honor to sponsor this legislation to name a post office after her. I urge my colleagues to join me in honoring a remarkable woman who has taught so much to so many with her message of caring.

Mr. Speaker, I would like to thank the gentleman from Georgia (Mr. BARR) for managing this bill on the

floor, and I would also like to thank the gentleman from Indiana (Mr. BURTON), the gentleman from New York (Mr. McHUGH), and the ranking member, as I said, the gentleman from Pennsylvania (Mr. FATTAH), for their efforts in committee to make sure that this bill passes and becomes a reality.

I hope all my colleagues will support H.R. 4625 in recognition of this remarkable woman.

Mr. FATTAH. Mr. Speaker, I yield myself such time as I may consume.

Let me congratulate my colleague and my good friend from the great State and Commonwealth of Pennsylvania (Mr. ENGLISH). He is responsible for this legislation. And appropriately so, because in his home district, in the City of Erie, the person who we honor has been so well known. But also throughout our State her work has been documented, even in the area of Philadelphia, and it is obvious that this is the type of person that a Federal facility, like a postal facility, should appropriately be named, and will in this case be named, after her.

I want to thank my colleague for introducing this legislation and ask all to support H.R. 4625.

Mr. Speaker, I yield back the balance of my time.

Mr. BARR of Georgia. Mr. Speaker, I yield back the balance of my the time.

The SPEAKER pro tempore (Mr. LINDER). The question is on the motion offered by the gentleman from Georgia (Mr. BARR) that the House suspend the rules and pass the bill, H.R. 4625.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from

Georgia (Mr. BARR) and the gentleman from Pennsylvania (Mr. FATTAH) each will control 20 minutes.

The Chair recognizes the gentleman from Georgia (Mr. BARR).

GENERAL LEAVE

Mr. BARR of Georgia. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 4786.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Georgia?

There was no objection.

Mr. BARR of Georgia. Mr. Speaker, I yield myself such time as I may consume, and I rise today in support of the bill to rename the post office located in Carrollton, Georgia, after the Honorable Sam Roberts.

Sam Roberts was not just a community leader, not just a husband, not just a father, he was a friend to all of us in the Seventh District of Georgia. Sam lost his battle against cancer on January 3 of this year.

Sam was a distinguished member of the Georgia State Senate whose district laid within the Seventh Congressional District of Georgia. He won his Senate seat to represent State Senate District 30 in 1986 and was reelected in 1998. His second term was tragically cut short after his untimely death earlier this year.

Born April 10, 1937 in Rome, Georgia, after obtaining a degree in insurance and risk management from Georgia State University in 1963, Sam Roberts maintained a long career in management heading Roberts Insurance Agency. Sam Roberts received numerous community and civic awards such as "Who's Who" in Georgia and Small Businessperson of the Year from the Douglas County Chamber of Commerce. He was also Associate of the Year for the Douglas County Home Builders Association. Sam was admitted to the Carrollton High School Trojan Hall of Fame and was a Jaycees International Senator.

Throughout his life, Senator Sam, as we knew him, was involved in countless community organizations and activities and civic clubs, including President of the Sertoma Club and the Douglas County Rotary Club, National Director of the U.S. Jaycees, in government affairs, and State Vice President of the Georgia Jaycees.

Sam Roberts also served on the Board of Directors of the American Cancer Society and the March of Dimes. He was the Chaplain of the Flint Hill Masonic Lodge. Sam was a member of the Douglas County Development Authority and the Douglas County Chamber of Commerce. He was also a youth football coach for 20 years.

While serving in the Georgia State Senate, Sam Roberts worked extremely hard for swift and strong punishment

of criminals, to improve education for children, and to make our State government more efficient.

Sam Roberts was a resident of Douglas County for more than 30 years. He was a member of Heritage Baptist Church with his wife Sue. Sam is also survived by three wonderful children, Sherrie, Beau and Amber.

Mr. Speaker, the career of Georgia State Senator Sam Roberts as a professional, as a legislator, as a community leader, and as a family man clearly demonstrates why we should name this post office in his community, in our community, in his honor. I ask my colleagues to join me in renaming the U.S. Post Office in Carrollton, Georgia, after the Honorable Sam Roberts.

Mr. Speaker, I reserve the balance of my time.

Mr. FATTAH. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4786, which names a post office after Samuel P. Roberts, was introduced by Representative BARR on June 29, 2000.

Mr. Roberts was born on April 10, 1937, in Rome, GA. He obtained a degree in insurance and risk management from Georgia State University and went on to head the Roberts Insurance Agency. He decided to enter politics and in 1996 he ran for the Georgia State Senate, representing District 30.

Tragically, his second term was cut short when he lost his battle with cancer and died on January 3, 2000, in Douglasville, GA. Naming a post office in his honor is a fitting way to honor his commitment to his community and family. I urge the swift adoption of this measure.

Mr. Speaker, I would just like to reiterate my support for the bill at hand. I thank the gentleman from the great State of Georgia (Mr. BARR) for his comments.

Since Mr. Roberts formerly served as a member of the State Senate in his State and as a former member of the State Senate of Pennsylvania, I again want to thank the gentleman for recognizing that those who serve our public and other legislative bodies deserve recognition in this way.

Mr. Speaker, I yield back the balance of my time.

Mr. BARR of Georgia. Mr. Speaker, I appreciate the very kind remarks of the gentleman from Pennsylvania (Mr. FATTAH), and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. LINDER). The question is on the motion offered by the gentleman from Georgia (Mr. BARR) that the House suspend the rules and pass the bill, H.R. 4786.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

(a) DESIGNATION.—The facility of the United States Postal Service located at 900 East Fayette Street in Baltimore, Maryland, shall be known and designated as the "Judge Harry Augustus Cole Post Office Building".

GENERAL LEAVE

Mr. BARR of Georgia. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 4450.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Georgia?

There was no objection.

Mr. BARR of Georgia. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the bill before us, H.R. 4450, was introduced by the distinguished gentleman from Maryland (Mr. CUMMINGS). This legislation designates the post office located at 900 East Fayette Street in Baltimore, Maryland, as the "Judge Harry Augustus Cole Post Office." H.R. 4450 is cosponsored by the entire House delegation of the State of Maryland.

Harry Augustus Cole was educated in the Baltimore City Public School System and graduated from Morgan State University in 1943. He served our Nation with distinction during World War II and then graduated from the University of Maryland School of Law, after which he practiced criminal and civil rights law.

Judge Cole is a man of many firsts. He was the first African American assistant attorney general in Baltimore City, the first African American to be elected to the State Senate of Maryland, the first chairman of the Maryland Advisory Committee to the United States Civil Rights Commission, and the first African American to be named to the Maryland Court of Appeals.
