

and includes 200,000 teachers, and 20,000 voter precincts.

With voter turnout declining each year, Kids Voting USA recognizes the need to educate our youth and instill in them the responsibility to be active, informed citizens and voters. Kids Voting USA enables students to visit official polls on election day, accompanied by a parent or guardian, to cast a ballot that replicates the official ballot. Although not part of the official results, the students' votes are registered at schools and by the media.

This year, National Kids Voting Week is September 25-29. It is a week when Kids Voting communities across the country celebrate this vibrant and important program. I would like to recognize Kids Voting USA and all it has done to promote the future of democracy by engaging families, schools and communities in the election process.●

RETIREMENT OF DR. ERNEST URBAN

● Mr. SANTORUM. Mr. President, I rise today to recognize Dr. Ernest Urban as he retires from the largest healthcare system in the world, the Veterans Health Administration/Department of Veterans Affairs. For 26 years, Dr. Urban's compassionate, caring medical service has made an impact on our nation's heroes, our veterans.

Dr. Urban has served the Veterans Affairs Pittsburgh Healthcare System comprised of University Drive, Aspinwall and Highland Drive Divisions for 15 years as Chief of Staff. He has also been a professor and Assistant Dean for Veterans Affairs at the University of Pittsburgh's School of Medicine since 1985. Prior to 1985, he served in several other capacities in hospitals and universities all over the country. Dr. Urban has also authored publications dealing with many aspects of medicine that have proven to benefit the quality of care for our veterans. Most importantly, he continues to lecture and teach on a wide range of topics that benefit the VA Health Administration Personnel and provides medical leadership to carry into the 21st century.

I have been privileged to personally witness the hard work and dedication of doctors like Dr. Urban within the Veterans Administration Healthcare System. From 1946 until 1985, my mother served as a VA nurse at several hospitals including Aspinwall Veterans Hospital in Pittsburgh, Pennsylvania and Butler Veterans Hospital in Butler, Pennsylvania. As Chief of Nursing for 32 years, my mother can attest to the commitment which is typical of VA doctors and nurses everywhere. During times of low funding and limited staffing, VA doctors and staff worked harder than ever to care for the needs of their patients. While my experience on

the Senate Armed Services Committee has served as affirmation of the dedication of Veterans Healthcare Administration, it pales in comparison to the hard work and sacrifice that I personally witnessed as the son of someone who served in the Veterans Healthcare Administration.

It is at this time that I would like to recognize Dr. Urban for his tremendous dedication to the medical profession. As he prepares for retirement, we can only celebrate the faithful service he provided to the needs of all veterans.●

THE HONORABLE PETER J. MACERONI RECEIVES 2000 ALEXANDER MACOMB CITIZEN OF THE YEAR AWARD

● Mr. ABRAHAM. Mr. President, each year, the Southeast Michigan Chapter of the March of Dimes recognizes a select group of individuals whose contributions to the Macomb County, Michigan, community have been invaluable I rise today to recognize the Honorable Peter J. Maceroni, who will receive an Alexander Macomb Citizen of the Year Award at a dinner benefiting the March of Dimes on September 27, 2000.

Judge Maceroni received his Bachelor of Arts Degree from Hillsdale College in 1962, and earned his Juris Doctor degree from Wayne State University Law School in 1965. He was in private practice for 35 years before being elected to the ninth Circuit Court Judgeship in 1990. In 1996, in addition to being reelected to this position, he was appointed to the Michigan Trial Court Assessment Commission by Governor John Engler.

As Chief Judge, he not only presides over civil and criminal cases, but is also responsible for supervising the operation of the Court, including the Friend of the Court. His duties in these capacities include developing the annual budget, which he presents to the Macomb County Board of Commissioners.

One of Judge Maceroni's most successful initiatives in the Macomb County Circuit Court has been a video arraignment program, which has reduced the cost of transporting prisoners from the jail for arraignment hearings and increased security by having fewer prisoners transported over public roads.

Judge Maceroni has served as president of the Macomb County Trial Lawyers Association, president of the Italian American Bar Association, as well as Director of the Macomb County Bar Association. In 1997, he received the Outstanding County Elected Official Award from the Michigan Association of Counties.

Outside the realm of the law, Judge Maceroni finds time to enjoy the company of his four children: Patricia, Peter, Jr., Patrick and James.

I applaud Judge Maceroni on the dedication he has demonstrated to Macomb County, and the many successful efforts he has made to improve the quality of life for its citizens. On behalf of the entire United States Senate, I congratulate the Honorable Peter J. Maceroni on receiving a 2000 Alexander Macomb Citizen of the Year Award.●
