So (two-thirds having voted in favor thereof) the rules were suspended and the joint resolution was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

## PERSONAL EXPLANATION

Mr. BURTON of Indiana. Mr. Speaker, this morning, I was unavoidably detained in my home district, and therefore, I was unable to be present on the House floor during votes. Had I been here I would have voted "aye" on roll-call votes 488, 489, 490, 491 and 492.

## REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 5194

Mr. MOORE. Mr. Speaker, I ask unanimous consent that the name of the gentlewoman from Missouri (Ms. DANNER) be omitted as a cosponsor of H.R. 5194, which is my bill.

The SPEAKER pro tempore (Mr. SIMPSON). Is there objection to the request of the gentleman from Kansas?

There was no objection.

## PROVIDING FOR CONSIDERATION OF H. RES. 591, CONTINUING APPROPRIATIONS FOR FISCAL YEAR 2001

Mr. LINDER. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 591 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

## H. RES. 591

*Resolved*, That upon the adoption of this resolution it shall be in order without intervention of any point of order to consider in the House the joint resolution (H.J. Res. 109) making continuing appropriations for the fiscal year 2001, and for other purposes. The

joint resolution shall be considered as read for amendment. The previous question shall be considered as ordered on the joint resolution to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations; and (2) one motion to recommit.

The SPEAKER pro tempore. The gentleman from Georgia (Mr. LINDER) is recognized for 1 hour.

Mr. LINDER. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Massachusetts (Mr. MOAKLEY); pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 591 is a closed rule providing for the consideration of H.J. Res. 109, a resolution making continuing appropriations for fiscal year 2001.

H.Res. 591 provides for 1 hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. The rule waives all points of order against consideration of the joint resolution. Finally, the rule provides for one motion to recommit, as is the right of minority.

Mr. Speaker, as my colleagues know, the current fiscal year expires at the end of the day on Saturday, and a continuing resolution is necessary to keep the government operating while Congress completes consideration of the remaining appropriations bills. This continuing resolution would fund ongoing activities until October 6 using fiscal year 2000 funding rates. In addition, the joint resolution includes provisions for certain anomalies which impact a small number of accounts.

Mr. Speaker, under both Democrat and Republican majorities, Congress has regularly utilized continuing resolutions as a method of keeping the government running while appropriations and negotiations continue. Only three times in the last 21 years has Congress passed all of the appropriations bills by the fiscal deadline. Contrary to what some might contend, the House has been diligent in doing the people's business. In fact, the House has already passed all 13 appropriations bills.

As we continue our bipartisan effort to complete the appropriations process as soon as possible, we remain focused on the priorities most important to working Americans, paying off the national debt, providing prescription drugs to seniors, and educating our children.

We have made real progress on all of these fronts, passing the Debt Relief Lock-box Reconciliation Act that dedicates 90 percent of next year's surplus to paying off the national debt, the Medicare Prescription 2000 Act, the Education Flexibility Act, and the Academic Achievement for All Act.
