The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Utah (Mr. HANSEN) and the gentleman from Puerto Rico (Mr. ROMERO-BARCELÓ) each will control 20 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

H.R. 4835 authorizes the exchange of 1.7 acres of National Park Service land located within the boundaries of the George Washington Memorial Parkway for 2.9 acres of Central Intelligence Agency land located adjacent to the George Washington Memorial Parkway. The proposed exchange, which is designed to improve security at the CIA, is supported by both the CIA and the National Park Service. Once the exchange is complete, the CIA will allow public access to the property transferred from the National Park Service for a motor vehicle turnaround on the George Washington Memorial Parkway. This land shall be administered as part of the headquarters building compound of the CIA. The 2.92 acres transferred to the Secretary of the Interior from the CIA shall be included within the boundary of the George Washington Memorial Parkway and shall be administered by the National Park Service.

I urge my colleagues to support this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. ROMERO-BARCELÓ. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4835 introduced by the gentleman from Virginia (Mr. MORAN) would authorize the exchange of 1.74 acres of National Park Service land located within the boundaries of the George Washington Memorial Parkway for 2.92 acres of Central Intelligence Agency land located adjacent to the George Washington Memorial Parkway. The purpose of the land exchange is to address security issues at the entrance to the Central Intelligence Agency headquarters in McLean, Virginia, that is accessed via the George Washington Memorial Parkway.

Mr. Speaker, this proposal will enhance security at CIA headquarters without damage to any park resources. We join with the administration in supporting the legislation.

Mr. Speaker, I yield such time as he may consume to the gentleman from Virginia (Mr. MORAN).

Mr. MORAN of Virginia. I thank my friend and very distinguished colleague from Puerto Rico for yielding me this time, and I thank the gentleman from Utah (Mr. HANSEN), the distinguished chairman.

This was necessitated when a deranged terrorist killed two CIA officers in 1993. The reason that we are making this land exchange is for security purposes. It does not do much for the parkway, but it certainly has no damaging effect; and it is the right thing to do, so the Park Service is making an equal swap of land. They are picking up almost 3 acres of land on the far compound, and they are giving up this land to enhance security for CIA employees. It is the right thing to do. There is no controversy. I very much appreciate my colleagues letting it go through.

I trust that we can find more ways that we can reach win-win bipartisan solutions on these things.
