

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

#### DIRECTING THE SECRETARY OF THE INTERIOR TO ISSUE A PATENT

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1218) to direct the Secretary of the Interior to issue to the Landusky School District, without consideration, a patent for the surface and mineral estates of certain lots, and for other purposes.

The Clerk read as follows:

S. 1218

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That subject to valid existing rights, the Secretary of the Interior shall issue to the Landusky School District, without consideration, a patent for the surface and mineral estates of approximately 2.06 acres of land as follows: T.25 N, R.24 E, Montana Prime Meridian, section 27 block 2, school reserve, and section 27, block 3, lot 13.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from California (Mr. GEORGE MILLER) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of S. 1218, a bill to authorize the Secretary of the Interior to issue to the Landusky School District in the State of Montana a patent for the surface and mineral estates of certain lots, totaling 2.06 acres.

Landusky is a small agricultural community in north central Montana. An oversight in the original transfer of land from the Bureau of Land Management did not convey the surface and mineral estates on the two lots that the Landusky Elementary School has now occupied for a lengthy period of time. This legislation corrects that oversight.

Mr. Speaker, S. 1218 was introduced on June 14, 1999, by Senator BURNS. A legislative hearing was held where the assistant director of the Bureau of Land Management testified on behalf of the administration in support of the bill with certain amendments.

Today, we take up a bill fully supported by the administration and the other body. The estimated fair market value of the parcels is only \$30,300. I urge my colleagues to support it.

Mr. Speaker, I reserve the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

The gentleman from Alaska has quite properly explained the legislation. The administration supports this bill, and we have no objections to it.

S. 1218 would direct the Secretary of the Interior to convey, without consideration, the surface and subsurface mineral estates of about two acres of federal land to the Landusky School District, located in Montana.

According to the Bureau of Land Management (BLM), the school district currently operates and maintains an elementary school and auxiliary school buildings on the land and bears full financial responsibility for the property. The land currently generates no federal receipts, and BLM does not expect the land to generate any significant receipts over the next 10 years.

The administration supports S. 1218. We have no objection to the bill.

Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the Senate bill, S. 1218.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

#### LAND AROUND THE CASCADE RESERVOIR

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1778) to provide for equal exchanges of land around the Cascade Reservoir.

The Clerk read as follows:

S. 1778

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. EXCHANGES OF LAND EXCESS TO CASCADE RESERVOIR RECLAMATION PROJECT.

Section 5 of Public Law 86-92 (73 Stat. 219) is amended by striking subsection (b) and inserting the following:

“(b) LAND EXCHANGES.—

“(1) IN GENERAL.—The Secretary may exchange land of either class described in subsection (a) for non-Federal land of not less than approximately equal value, as determined by an appraisal carried out in accordance with—

“(A) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601 et seq.); and

“(B) the publication entitled ‘Uniform Appraisal Standards for Federal Land Acquisitions’, as amended by the Interagency Land Acquisition Conference in consultation with the Department of Justice.

“(2) EQUALIZATION.—If the land exchanged under paragraph (1) is not of equal value, the values shall be equalized by the payment of funds by the Secretary or the grantor, as appropriate, in an amount equal to the amount by which the values of the land differ.”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from

Alaska (Mr. YOUNG) and the gentleman from California (Mr. GEORGE MILLER) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 1778 authorizes the Secretary of the Interior to negotiate land exchanges among willing sellers and willing buyers at Cascade Reservoir in Idaho. Several agricultural easements were reserved within 300 feet of the reservoir at the time the Bureau of Reclamation acquired lands for the reservoir. Now the easement holders and reclamation would like to exchange these easements for other Federal lands in the area. The exchanges would help the parties improve and maintain water quality in the reservoir. All parties have agreed to the exchange.

Mr. Speaker, I urge an “aye” vote on this bill.

Mr. Speaker, I reserve the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

As the gentleman points out, this allows for land exchange around the Cascade Reservoir north of Boise, Idaho. We have no objections to the bill.

Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the Senate bill, S. 1778.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

#### CONVEYING CERTAIN LAND IN WYOMING

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 610) to direct the Secretary of the Interior to convey certain land under the jurisdiction of the Bureau of Land Management in Washakie County and Big Horn County, Wyoming, to the Westside Irrigation District, Wyoming, and for other purposes.

The Clerk read as follows:

S. 610

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. CONVEYANCE.

(a) IN GENERAL.—On completion of an environmental analysis under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), the Secretary of the Interior, acting through the Director of the Bureau of Land Management (referred to in this Act as the
