

provided a written explanation. A log is not specifically required under the subpoena. The subpoena required POGO to "specify and characterize the record so withheld and specify the objection or constitutional privilege under which the record is withheld." This requirement has been met. Therefore, the House should not find POGO in contempt. Again, even if the House were to find this nonprofit corporate entity in contempt, it is unclear who the U.S. Attorney would be compelled to prosecute, as the Resolution does not specify which of the officers or board of directors are to be prosecuted.

Mr. YOUNG of Alaska. Mr. Speaker, I yield 30 seconds to the gentleman from Texas (Mr. Brady).

Mr. BRADY of Texas. Mr. Speaker, we asked. To the attorney for the special interest group we asked, "Did you have knowledge of this lawsuit that was under seal, that was held confidential by the Court?" All he had to do was answer, "No, of course not. I am a private citizen. Why would I know of a sealed document?"

Of the two government employees, we wanted to ask, "What service did you provide to receive three-quarters of a million dollars?" Because one does not get something for nothing in this world.

We could never get these basic pertinent questions answered. That is the truth we were seeking.

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, we have heard a lot today, and I would just like to clarify some of the things that were said. The rules of this House, the Supreme Court say the committee can judge what is pertinent, not the witness. That is the rules and that is the Supreme Court. We told all three of these parties that was the case, and they still declined to answer.

Let us make it perfectly clear that POGO is not the whistleblower. Neither are the gentlemen or ladies that are involved in these contempt citations the whistleblowers. The whistleblower, Johnson, was filed on top of for money. POGO now is under criminal investigation as I stand here and speak.

Mr. Speaker, I know that this is such a serious debate, that we have to have more debate. So I ask unanimous consent, pursuant to clause 2 of rule XVI, to withdraw the resolution.

The SPEAKER pro tempore (Mr. PEASE). Pursuant to clause 2 of rule XVI, and the precedent of the House of April 8, 1964, the gentleman does not require unanimous consent. The gentleman may by right withdraw the resolution at this point.

The resolution was withdrawn.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12 of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 11 o'clock and 36 minutes a.m.), the House stood in recess subject to the call of the Chair.
