□ 1243

So (two-thirds having voted in favor thereof) the rules were suspended and the concurrent resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

FURTHER MESSAGE FROM THE SENATE

A further message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate has passed a concurrent resolution of the following title in which the concurrence of the House is requested:

S. Con. Res. 159. Concurrent resolution providing for a conditional adjournment or recess of the Senate and a conditional adjournment of the House of Representatives.

MOTION TO INSTRUCT CONFEREES ON H.R. 4577, DEPARTMENTS OF LABOR, HEALTH AND HUMAN SERVICES, AND EDUCATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2001

Mr. HOLT. Mr. Speaker, I offer a motion.

The SPEAKER pro tempore (Mr. LAHOOD). The Clerk will report the motion.

The Clerk read as follows:

Mr. HOLT moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the bill, H.R. 4577, be instructed to insist on disagreeing with provisions in the Senate amendment which denies the President's request for dedicated resources for local school construction and, instead, broadly expands the Title VI Education Block Grant with limited accountability in the use of funds.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from New Jersey (Mr. HOLT) and the gentleman from Delaware (Mr. CASTLE) each will be recognized for 30 minutes.

The Chair recognizes the gentleman from New Jersey (Mr. HOLT).

Mr. HOLT. Mr. Speaker, I yield myself such time as I may consume.

I would like to speak today on why we are still in session in November and why we may have a lame duck session in front of us. In fact, I would like to speak about work not done. And I am not talking about the Patients' Bill of Rights or gun safety legislation or campaign finance reform or minimum wage legislation or workplace safety legislation or prescription medicine coverage under Medicare.

Yes, that is some of the work that is not done. But in particular I would like to talk about overcrowding in our schools and the need to provide adequate classrooms for our students so that we may educate them for the 21st century.

□ 1245

I have visited nearly 100 schools in my district, and everywhere I go I hear from parents and teachers and administrators and students about the problems of overcrowding. It is no wonder. The number of school children is growing at a record pace. In the last 11 years, the student population of South Brunswick in my district has doubled from 3,500 to 7,000 students. In Montgomery, total enrollment has more than doubled in the past 6 years from 1,500 students to more than 4,000 students.

In some of my school districts, the number of children in kindergarten outnumbers the number of students in grade 12. One does not need higher mathematics to understand the implications of these numbers.

Our classrooms are overcrowded. To alleviate this crowding, many of the schools in my district are installing trailers. Now, while trailers may be a temporary solution, they are ill-suited
