

was brought to a halt by the unexpected discovery of lead contamination in the soil. In order to open the facility to the more than 100,000 expected visitors during the 1998 season, the Mid-Atlantic Center diverted \$98,953.00 from other projects to clean up the site.

Two years later, the Center has still not received the appropriate reimbursement from the U.S. Coast Guard. Because the Coast Guard has accepted responsibility for the lead contamination and supports this request, it is imperative that Congress follow through with the appropriate provisions in law allowing the funds to be released.

Section 202 of the Coast Guard Authorization Act of 1999 authorizes this appropriation to be used for this purpose and has previously passed the House. It is unfortunate this measure has been stalled in a House-Senate Conference Committee. The appropriated funds have already been included in the FY2001 Transportation Appropriations legislation signed into law last month. I commend the Chairman of the Transportation Committee for recognizing the urgency of this matter and allowing a separate bill to move forward. Congress must not let this funding commitment fall through the cracks again, and I urge passage of this legislation authorizing funding for this historic landmark.

Mr. OBERSTAR. Mr. Speaker, I yield back the balance of my time.

Mr. PETRI. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Wisconsin (Mr. PETRI) that the House suspend the rules and pass the bill, H.R. 5637.
