

radio and television programs, writing articles and editorials for legal and news publications and assuming leadership roles within a variety of civic organizations.

Lee Alpert currently serves as President of the Los Angeles City Board of Building and Safety Commission and is outgoing president of the California State University Northridge, Advisory Board. He is the current co-chair of the California State Assembly Business Advisory Commission which provides counsel to Assembly member Robert Hertzberg. He has previously served as the co-chair of the California State Senate Small Business Advisory Commission. Since 1993 he has chaired the Governing Board of Directors of the Encino—Tarzana Regional Medical Centers (Hospitals) Joint Venture between American Medical International (AMI) and Health Trust, Inc.

Mr. Speaker, distinguished colleagues, please join in paying tribute to Lee Alpert. We are grateful for the tireless service he has given to his community and the many ways he exemplifies good citizenship. We congratulate him on the well deserved honor he is about to receive.

HONORING DR. IRVING SMILER
FOR HIS FIFTY YEARS OF SERVICE
TO THE FRANKFORD COMMUNITY

HON. ROBERT A. BORSKI

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2000

Mr. BORSKI. Mr. Speaker, I rise today to honor Dr. Irving Smiler for his fifty years of service to the Frankford Community.

During the post World War II era, Dr. Irving Smiler rose to reclaim one's sense of nationalism for the American ideals of life, liberty, and the pursuit of happiness. Dr. Smiler devoted his entire life for the betterment of others. Dr. Smiler, a native Philadelphian, located his pursuit in the Frankford Community and for the past fifty years toiled to create a community worth noting. I am honored to know an individual of such character, voice, and determination.

Dr. Smiler advanced the meaning of an honest life by devoting his mindset to the study of Podiatry. After completely his undergraduate work at Temple University College of Podiatric Medicine in 1948, he felt the true testament of the "American Dream" by struggling to locate a place of business to put that education into action. Finally, he located Frankford and Pratt where he went into business with a young optometrist. Together they formed a practice and a lasting friendship in the heart of Frankford.

To further advance his practice and knowledge base, Dr. Smiler gained more autonomy and liberty by acquiring a Doctorate of Podiatric Medicine in the late 1960's. Skillfully juggling his responsibilities to his beloved wife and three children, he managed to publish several medical journals and a book entitled, Geriatric Foot Care: An Aging Challenge. These publications served solely as a foundation for Dr. Smiler's devotion and dedication to the education of others which was apparent through his numerous lectures to the Frankford Hospital Community.

The pursuit of happiness in the eyes of Dr. Smiler based upon his curriculum vitae and his professional development was twofold, first to the study of Podiatry and secondly to the betterment of the community. Dr. Smiler is a solid witness and steward of the American ideals of life, liberty, and the pursuit of happiness.

Mr. Speaker, Dr. Irving Smiler should be commended for his tireless pursuit to support the development of the Frankford Community from its post World War II conception to even beyond the new millennium. I congratulate and highly revere Dr. Smiler upon this most glorious occasion on his fifty years of service and I offer him my best wishes in the coming years.

LUTHER MASINGILL

HON. ZACH WAMP

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2000

Mr. WAMP. Mr. Speaker, I rise today to honor a citizen who has contributed as much as anyone in the Third District of Tennessee to the wonderful quality of life that all of us who live there are privileged to enjoy. The occasion is his 78th birthday, but this tribute could be delivered any day. It is a testament to how universally known, loved and admired he is that you only have to say the word "Luther," and just about anyone will know you are referring to Luther Masingill, who has made Chattanooga's mornings brighter for 60 years.

He signed on as host of his near universally known morning show on WDEF Radio, then an AM only station, on December 31, 1940. Franklin Delano Roosevelt was President then, and we were on the eve of World War II. Luther has seen Chattanooga—and the world—change mightily during his years on the air. Eleven U.S. Presidents as well as numerous Tennessee governors and Chattanooga mayors have come and gone while Luther has held way on the air. Luther has stayed on, however; and the "secrets" of his success and value to the Chattanooga area have remained the same.

His radio show, now broadcast on WDEF AM and FM from 6–9 a.m. each weekday morning, does not focus on the controversies that tear us apart. By design, Luther devotes his show to the things that bring us together and make us human. Is your dog or cat missing? Would you like to buy or sell an animal? Is your civil club meeting or having a sale? His show is very much about neighbors helping neighbors and swapping information across the backyard fence, or at the grocery store, or after church. And his devoted listeners treat Luther as their friend and neighbor, which indeed he is.

Luther plays relaxing, traditional music in between announcements; and his warm, reassuring voice has made countless folks in Southeast Tennessee, North Georgia, North Alabama and Western North Carolina begin the day in a better spirit, no matter what the day may bring. He also does a spot on the noon news on Channel 12, WDEF television, and he's been with that station since it signed on in 1954.

Today, March 9, 2000, is your 78th birthday, Luther; and so we say a loud "Happy Birthday!" and thanks for all you have done to enrich our lives and communities. And here's wishing you many more years on the air!

PROVIDE RELIEF TO AMERICAN
ENERGY CONSUMERS: SUSPEND
THE TARIFF ON NUCLEAR
STEAM GENERATORS

HON. MAC COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2000

Mr. COLLINS. Mr. Speaker, in ongoing efforts to ensure safety and efficiency, nuclear power plants must periodically replace their steam generators. When a Florida manufacturing plant closes its doors following the delivery of two steam generators this year, there will no longer be any steam generator producers in the United States. Consequently, the 103 nuclear power facilities located in the United States will have no choice but to import replacement steam generators.

Under the Harmonized Tariff Schedule, steam generators imported for use in nuclear power plants are taxed at a duty rate of 5.2 percent (except those imported from Canada, where a zero duty rate applies). Importing a single \$30 million steam generator results in a tariff of approximately \$1.56 million. Because nuclear plants generally replace two of these generators at a time, the cost of this hidden tax to consumers is considerable. Unless it is addressed, this duty will increase the cost of supplying electricity to Georgia's rate payers by \$2.7 million this year. Such unnecessary expenses are inevitably incorporated into the rate base.

According to the Nuclear Regulatory Commission (NRC), at least a dozen nuclear power plants are planning to replace their steam generators over the next several years. Since there are no domestic manufacturers, there is no legitimate reason to continue imposing this duty. American consumers should not be required to bear this unnecessary cost.

Today, with the support and original co-sponsorships of colleagues from Tennessee, Arizona, Georgia, and Connecticut, I am introducing legislation that will suspend the duty on steam generators for nuclear facilities for five years, providing significant relief for energy consumers around the country. I urge my colleagues to join me in support of this legislation.

HONORING NORTH CAROLINA AGRICULTURE COMMISSIONER JIM GRAHAM

HON. BOB ETHERIDGE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2000

Mr. ETHERIDGE. Mr. Speaker, I rise today on behalf of myself and Mr. PRICE of North Carolina to honor a great American and a true friend to farmers, North Carolina Agricultural
