TRIBUTE TO BOY SCOUTS OF
AMERICA TROOP 3

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 15, 2000

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the deeds of an important group from my district, Boy Scouts of America Troop 3 of Clifton, New Jersey. Troop 3 is celebrating both its 75th anniversary and its years of community service on this date. It is only fitting that we gather here for this honor, for this group epitomizes caring and generosity of spirit.

This Troop was formed not long after the founding of Boy Scouts of America. The national organization was incorporated on February 8, 1910, and chartered by Congress on June 15, 1916. Troop 3 was organized in 1923, and received its Charter from the Boy Scouts of America in January 1924 for the purpose of "Character Building, Americanization and Citizenship Training."

Since its inception, Troop 3 has always been involved in serving the community. The first Scoutmaster of this community organization was William Topp. The time spent under Scoutmaster Topp's leadership instilled in the Troop the attributes necessary for it to become the stellar force in the community it has now become. It was the small steps in the beginning of its development that gave it the fundamentals that would make its members role models to the people that they now serve.

Known for a questioning mind and an ability to get things done, William Topp, the Troop's first Scoutmaster, also organized its first committee. The members of this initial Committee were Adrien Wentink, Frank G. McIntosh and A.W. Moore. These visionary leaders fostered and aided the group during its nascent years, and helped it to become what it is today. Boy Scout Troop 3 is forever indebted to these men.

The early days of Troop 3 saw the Scouts participating in much of the same activities as today. These include basic Scouting activities such as hiking and camping. This Troop has shaped the lives of many generations of Americans, and this is a valuable and noble contribution to society.

This active and involved group from Clifton has many records of its 75-year history. The Troop's archives contain a picture dated July

25, 1926, which shows the Scouts preparing for a weekend trip. The Scouts were the guests of Clifton's then Mayor Thornburn. In addition, minutes of early meetings show that not much has changed in the order of Scout business. Then, as now, the meeting began with the recitation of the Scout Oath and Laws, followed by games and skill building.

Boy Scouts of America Troop 3 continually touches the lives of the people of Clifton. The troop is known throughout the community for its tradition of service. Whether the Scouts are aiding seniors or their fellow students, they have made an important and lasting impact on the citizens of Clifton over the last 75 years.

Mr. Speaker, I ask that you join me, our colleagues, Boy Scouts of America, the residents of Clifton, and the family and friends of past and present members of this organization in recognizing the outstanding and invaluable service to the community of Boy Scouts of America Scout Troop 3.

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 15, 2000

Ms. ESHOO. Mr. Speaker, I rise today to honor Paul Koenig, an outstanding employee of San Mateo County, CA, who is retiring after 22 years of exceptional service to his community, his county and his country. He has served as Director of Environmental Services, Planning Director, Chief Building Official and Executive Director of the San Mateo Local Agency Formation Commission (LAFCo).

Paul Koenig's long and devoted career in public service began in September, 1965, when he joined Broward County, FL, as a Planner in the Research Division. In September 1966, he moved to California to work for the San Diego County Planning Department, where he became the Chief of Planning in 1976. In April 1978, Mr. Koenig relocated to the Bay Area and was hired by San Mateo County as Planning Director. He was soon appointed to other demanding leadership positions, all of which he carried out with equal diligence, commitment and expertise.

Paul Koenig's accomplishments in San Mateo County are numerous. His most outstanding accomplishments include the adoption of the first county Local Coastal Program (LCP) that was adopted and certified pursuant to the California Coastal Act of 1976; The Habitat Conservation Plan (HCP) for San Bruno Mountain, which was the first of its kind in the country to succeed in balancing the interests of private property owners with the need to preserve habitat for endangered species; the Coastside farm labor housing project in Half Moon Bay; the Devil's Slide tunnel project; the establishment of Edgewood County Park and Sawyer Camp Trail; and the establishment of a Joint Powers Authority to operate the County library system.

Paul Koenig's distinguished and successful career can be attributed to his professional skills, his work ethic and his personal characteristics. His flexibility and negotiating skills, along with his helpful nature and sense of

humor earned him the respect of all those who worked with him. In addition, Mr. Koenig never neglected the day-to-day problems while keeping his focus on achieving larger goals.

We are all very grateful to Paul for his long commitment to public service. His vision, knowledge and commitment have helped immeasurably to improve the quality of life for our community.

Mr. Speaker, I ask my colleagues to join me today in paying tribute to a wonderful and distinguished man, my friend, and wish him all the best in his retirement.

THE 25TH ANNIVERSARY OF THE
ANN M. KILEY CENTER

HON. JOHN EDWARD PORTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 15, 2000

Mr. PORTER. Mr. Speaker, on the north end of my district lies a haven of hope called the Ann M. Kiley Center, where people with development disabilities can turn for training, guidance and a place to call home.

On April 4, 2000, the center will celebrate its 25th anniversary. Built in 1975 on 37 acres in Waukegan, IL, the facility consists of 48 single-story, four-bedroom homes. Residents range in age from 20 to 85, with an average age of 39.

Most individuals living at the Kiley Center function below the moderate level of retardation. The primary purpose of Kiley Center is to provide residential services, training and health services. Services focus on addressing basic needs, which enable an individual to function more independently in activities of daily living and in more advanced behaviors and skills needed to succeed in social, work, and leisure pursuits.

The mission of Kiley Center is to enable individuals to develop and achieve their personal goals. Its ultimate goal, whenever feasible, is to prepare for and return individuals to live in the community.

Mr. Speaker, how fortunate my district is to have a place where people with developmental disabilities can live in dignity as they strive to develop to their fullest potential. I congratulate the Ann M. Kiley Center for all the victories it has achieved in the past quarter century and invite my colleagues to join me as I wish this institution great success in providing many more years of quality service to the community.

TRAFFICKING BABIES' BODIES
AND ORGANS

HON. BOB SCHAFFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 15, 2000

Mr. SCHAFFER. Mr. Speaker, the selling of aborted baby body parts for monetary consideration of any kind is evil. Unfortunately, this kind of commerce is one to which the Federal Government is enabler, facilitator, and partner. Although the current law hints against profiteering in the horrific destruction and dissection
