H.R. 3822

OFFERED BY: MR. SANDERS

AMENDMENT NO. 3: Page 8, after line 2, insert the following:

(d) LEVERAGE TO SUCCEED IN DIPLOMATIC EFFORTS TO END PRICE FIXING.—In order to increase the chances of diplomatic efforts succeeding to bring about the complete dismantlement of international oil price fixing, the President shall immediately enter into agreements with members of the oil industry for the swap of crude oil from the Strategic Petroleum Reserve for both crude oil and 6,700,000 barrels of home heating oil at a later date. Such arrangements shall provide that—

(1) when the price of crude oil drops below \$25 per barrel for a period of two consecutive weeks, the oil industry shall replenish crude oil to the Strategic Petroleum Reserve; and

(2) when the price of heating oil drops below \$1.00 per gallon for a period of two consecutive weeks, the oil industry shall provide the President with 6,700,000 barrels of home heating oil for the purposes of establishing a Home Heating Oil Reserve.

Once the President starts receiving heating oil pursuant to such agreements, the President shall create a heating oil reserve containing 2,000,000 barrels of heating oil in leased storage facilities in Albany, New York, the New York Harbor area, or any other appropriate location in the Northeast. The President shall deposit the remaining 4,700,000 barrels of heating oil received pursuant to such agreements in one of the Strategic Petroleum Reserve caverns. The President shall immediately draw down the Heating Oil Product Reserve (consisting of home heating oil received pursuant to agreements under this subsection) only when fuel oil prices in any region of the United States rise sharply because of international oil price fixing or any other anticompetitive activity, during a national or regional fuel oil shortage, or during periods of national or regional extreme winter weather. There are authorized to be appropriated \$25,000,000 to the Secretary of Energy for the period encompassing fiscal years 2000 through 2019 for the purposes of carrying out this subsection.
