PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-430. A resolution adopted by the House of the Legislature of the State of Maine relative to the entry of China into the World Trade Organization; to the Committee on Finance.

RESOLUTION

Whereas, the nation of China has taken steps to become a member of the World Trade Organization; and

Whereas, membership in the World Trade Organization would give China recognition and status as an equal, legitimate partner with other countries in world trade; and

Whereas, China has an abysmal record of human rights, imprisoning those who attempt to engage in legitimate political opposition and oppressing those whose religious or political beliefs differ from those of the regime; and

Whereas, China ignores the rights of its workers and intimidates and imprisons those who seek to improve labor conditions in the country; and

Whereas, China's neighbors consider it a military threat; and

Whereas, the World Trade Organization, through its promotion of global markets, promotes multinational corporations that exploit child labor and sponsor sweatshops and poor working conditions; and

Whereas, the World Trade Organization has not shown itself to be a champion of reform in member countries; and

Whereas, membership in the World Trade Organization would increase import of cheap textiles, made inexpensive by the low pay and poor working conditions of Chinese laborers; and

Whereas, these cheap textile imports would unfairly compete with and would harm Maine's shirt, textile and manufacturing industries; now, therefore, be it

Resolved, That We, your Memorialists, respectfully request that the members of the Congress of the United States vote against any proposal to grant permanent normal trade relations status to China, which is a precursor to the granting of World Trade Organization membership, and take whatever other actions is in their power to deny membership in the World Trade Organization to the nation of China; and be it further

Resolved, That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable William J. Clinton, President of the United States, to the President of the Senate and the Speaker of the House of Representatives of the Congress of the United States; and to each member of the Maine Congressional Delegation.

POM-431. A resolution adopted by the House of the Legislature of the State of Maine relative to the Strategic Petroleum Reserve; to the Committee on Energy and Natural Resources.

RESOLUTION

Whereas, there are 325,000 households in the State of Maine dependent upon heating oil; and

Whereas, the retail price of heating oil has doubled in the last year; and

Whereas, the supply of heating oil is well below demand, creating a critical shortage; and

Whereas, 8 weeks of the heating season remain; now therefore, be it

Resolved, That We, your Memorialists, request the President of the United States, the Congress of the United States and the Secretary of Energy to release fuel from the Strategic Petroleum Reserve for sale to critically affected regions; and be it further

Resolved, That policies necessary to help with the emergency delivery and distribution of this fuel to refineries be implemented, with priority of sale given to critically affected regions; and be it further

Resolved, That policies conducive to the establishment of a home heating oil reserve for the benefit of the Northeast Region be implemented; and be it further

Resolved, That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable William J. Clinton, President of the United States, the President of the United States Senate, the Speaker of the House of Representatives of the United States, each Member of the Maine Congressional Delegation and the Honorable William Richardson, Secretary of Energy.

POM-432. A resolution adopted by the Ocean County (NJ) Board of Health relative to disposal of contaminated materials in the Atlantic Ocean at the Mud Dump site; to the Committee on Environment and Public Works.

POM-433. A resolution adopted by the House of the Legislature of the State of Michigan relative to tuberculosis testing and research; to the Committee on Appropriations.

HOUSE RESOLUTION NO. 288

Whereas, The spread of bovine tuberculosis in Michigan has reached a critical level, threatening the viability of the livestock and dairy industry in this state; and

Whereas, The United States Department of Agriculture is poised to revoke Michigan's TB-free status, thereby requiring the testing of all cattle in the state; and

Whereas, The testing of all cattle in the state will not be possible with currently available resources and the lack of existing facilities; and

Whereas, No known vaccination exists to prevent cattle from acquiring bovine tuberculosis, and the only method to control the spread of the disease is through the slaughter of the infected animal; and

Whereas, The policy of the United States Department of Agriculture is to require the destruction of the entire herd, even if only one animal in the herd is infected; and

Whereas, Current indemnification rates for the destruction of cattle are inadequate, placing an extreme burden on livestock owners; and

Whereas, The Michigan House of Representatives is leading a coordinated and committed effort with Michigan farmers, hunters, and business owners to eradicate bovine tuberculosis in this state and restore Michigan's TB-free status; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to provide funding for the construction of a diagnostic laboratory at Michigan State University to handle the increased testing requirements resulting from a loss of Michigan's TB-free status; and be it further

RESOLVED, That we memorialize Congress to fund initiatives at Michigan State University to study the spread of bovine tuberculosis through crops and soil; and be it further

RESOLVED, That we memorialize Congress to provide increased indemnification for the destruction of cattle and federally subsidized loans for the replacement of destroyed herds; and be it further

RESOLVED, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, the Secretary of the United States Department of Agriculture, and other appropriate administration officials.

POM-434. A resolution adopted by the Senate of the Legislature of the State of West
