JOSEPH W. DIEHN AMERICAN
LEGION POST

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 22, 2000

Ms. KAPTUR. Mr. Speaker, I rise today at the request of the Auxiliary of the Joseph W. Diehn American Legion Post in Toledo, Oh. The auxiliary has asked that its 2000 Annual Americanism Program be officially recognized, and I am pleased to submit the auxiliary's report for the record. The American Legion Auxiliary continues to play a vital role in holding dear the flame of freedom and imbuing its spirit in generations of young people through its annual Americanism program. Further, the

program benefits the young participants directly by awarding academic scholarships to winners.

The Joseph W. Diehn American Legion Post Auxiliary's Legislative Chair, Jane Ann Rhoades submits:

"On February 20, 2000, J.W. Diehn held its annual Americanism program. The program was opened by Sylvania's Town Crier. Colors were posted by the newly formed Post Color Guard. The program was attended by local dignitaries including Sylvania's Mayor, Craig Stough, and Lucas County Commissioner Harry Barlos.

"The Sylvania Southview band played the 'Star Spangled Banner' and several patriotic hymns, including those of each branch of the armed services.

"The Americanism and Government test winners were presented with scholarships. This year's topic was 'Voting and the Importance of One Vote.' The winners were Chung Van Koh of Southview, Karen Wabeke of Northview, and Mike Samples of Northview. The government test winners were Rustam Salari of Southview, Jeff Allota of Northview, and Alexi Osborne of Southview.

"Miss Poppy, Cortney Furguson, read the 'Poppy Story.' The program concluded with the singing of 'God Bless the USA.'"

HONORING CONGRESSWOMAN
PATRICIA SCHROEDER

HON. MARK UDALL

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 22, 2000

Mr. UDALL of Colorado. Mr. Speaker, to mark National Woman's History Month, I rise to honor an outstanding leader from Colorado—a woman who broke down stereotypes and fought hard for what she believed was right, Representative Patricia Schroeder.

Pat represented Colorado's 1st Congressional District from 1973 to 1996. As a 12-term Member of Congress, she was affectionately known as the feminist "Dean" on Capitol Hill at a time when feminism was thought of as a radical idea. She helped change the way people thought about women. Her hard work in Congress ensured that women would be allowed to take care of their newborn children, that men and women would be able to take family and medical leave to care for a loved one, and that violence against women would not be tolerated in America.

Representative Schroeder was first elected to Congress in 1972 on an anti-Vietnam war platform. One of her first committee assignments was the Armed Services Committee, where she helped reshape the debate about arms control, responsible defense spending and improved working conditions for military personnel. On that committee, Pat worked to make sure that spouses of military personnel received health and survivor benefits. She also authored legislation that authorized State courts to divide military pensions in accordance with State divorce laws.

During her tenure on the Armed Services Committee, Pat was the chair of the Subcommittee on Military Installations, and later

she chaired the Subcommittee on Research and Technology. She also served on the Committee on Post Office and Civil Service and the Select Committee on Children, Youth and Families, which she eventually chaired. In addition, Pat was a member of the Committee on the Judiciary.

When she retired in 1996, Representative Schroeder was the dean of Colorado's congressional delegation. Coloradans are independent in thought and deed, and Pat is a perfect example of that characteristic. She fought old attitudes and prejudices and overcame great odds to make a difference in how women are perceived and treated. When Pat was asked why she was running as a woman, she would respond, "What choice do I have?" One of her slogans was, "When She Wins, We Win"—and so we did during the 24 years she served in the House. I am pleased to honor former Representative Patricia Schroeder during National Women's History Month.

RONGELAP RESETTLEMENT
EXTENSION

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 22, 2000

Mr. YOUNG of Alaska. Mr. Speaker, I want my colleagues to be aware of a constructive and welcome agreement concluded this month by the Department of the Interior with the Rongelap Atoll Local Government which is a direct result of a bill passed by the House last year. H.R. 2970, "A bill to prescribe certain terms for the resettlement of the people of Rongelap Atoll due to conditions created at Rongelap during United States administration of the Trust Territory of the Pacific Islands." The primary intent of the legislation which I introduced with the Senior Democratic Member of the Committee on Resources, George Miller, was to extend for ten years the existing resettlement agreement initially required by Congress. Finally, the objective of Congress in H.R. 2970 was accomplished with the signing on March 10, 2000, of the Memorandum of Agreement on Implementation of the "Agreement Regarding United States Assistance in the Resettlement of Rongelap Concluded Between the United States Department of the Interior and the Rongelap Atoll Local Government".

Rongelap is an atoll in Micronesia and the home of people and islands which was contaminated by high level radioactivity during the U.S. nuclear testing program in the Marshall Islands. The United States provides assistance to this former Trust Territory community in accordance with the Compact of Free Association between the United States and the Republic of the Marshall Islands, as well as subsequent treaties and agreements relating to the current resettlement projects at Rongelap Island. The background on H.R. 2970 and Rongelap resettlement is set forth in House Report 106-404.

The Committee on Resources, which I chair, developed H.R. 2970 on a bipartisan basis, recognizing the success to date of the resettlement and radiological rehabilitation of
