

outstanding, but also, I am told, has managed to please their teachers on a daily basis.

The purpose of the event is to provide these students with a job-shadowing experience in the field of their interest. For one day, the students work with local professionals in their chosen field, providing them with an unforgettable, and also inspirational, experience. Over the years, the chosen fields have ranged from medical specialties, to creative and performing arts, to business, to technology, and many more.

Mr. President, I applaud the following seventeen students for their outstanding efforts, and thank the Auburn Hills Chamber of Commerce for not only recognizing them, but encouraging them to continue their enthusiastic approach to education: Jeff Austin, Letrice Hudson, Elias Numan, Bryan Phillips, Heather Zygmuntowicz, Tenealle Tenwolde, Collin Lasko, Lyndsay McGarry, Kyle Morrison, Brandon See, Jamiecee Baker, Deitra Officer, Ty Bleuenstein, Monique Bramlett, Cristal Moore, Pakou Ly, and Kenneth Venable. On behalf of the entire United States Senate, I congratulate them on their participation in the "Excellence in Education" Awards Program.●

#### A TRIBUTE TO THE UNIVERSITY OF MINNESOTA WOMEN'S HOCKEY TEAM

● Mr. GRAMS. Mr. President, I proudly rise today to pay tribute to the University of Minnesota women's hockey team on their recent national championship victory. This is truly an accomplishment of which all Minnesotans can be proud.

In only its third season, the Golden Gopher program has become a national powerhouse. In 1998, the Gopher's inaugural year, the team finished fourth in the nation. Last year, they crept closer to the national title with a third-place finish. This season's 32-6-1 record was the best in the nation.

Under the leadership of coach Laura Halldorson, the Gopher women defeated in-state rival University of Minnesota-Duluth in the semifinals, 3-2, after being down 2-0. This come-from-behind victory gave the Golden Gophers a berth in the American Women's College Hockey Alliance National Championship game versus top-seeded Brown University.

The March 25 championship game at Boston's Matthews Arena proved to be a tough-fought contest. The Gopher women fell behind by a score of 1-0 in the first period, but once again made a strong comeback. Led by goalie Erica Killewald's 34 stopped shots, in the Gophers held off Brown for a 4-2 victory.

While this incredible season was clearly the result of phenomenal teamwork, there are individual efforts that

should be recognized. Gopher goalie Erica Killewald's spectacular performance earned her the tournament MVP honors. Also awarded all-tournament honors were Nadine Muzerall, Winny Brodt and Courtney Kennedy.

As the popularity of women's hockey spreads throughout the nation, Minnesotans have embraced the sport—and their Golden Gophers. Now the program is poised to lead the charge towards greater advancements in women's athletics. I commend the women's dedication and relentless hard work. With only one graduating senior on this year's Gopher squad, I am hopeful for many more national championships.●

#### WITTMAN FAMILY WINS MILLENNIUM FARM/RANCH FAMILY AWARD

● Mr. CRAPO. Mr. President, I rise today to bring your attention to the recent accomplishment of the Wittman family from my home state of Idaho. Today, they will be receiving the Millennium Farm/Ranch Family Award for agricultural and forestry stewardship. I know you join Idaho and myself in extending to the Wittman family congratulations on this achievement.

The Wittman family has worked their land near Lapwai, Idaho since the early 1920's. They have used that knowledge to give us an on the ground perspective when we have written farm policy. Most recently, their views helped shape the reforms made to the crop insurance program.

Wittman Farms is a fourth-generation family farm operation using sound conservation and stewardship practices. In 1988, the family joined forces with the nearby Valley Boys and Girls Clubs to build "Camp Wittman," a totally solar-powered destination where students and educators can share in a hands-on environmental experience to learn farming practices in the mountain meadow environment of the Palouse.

The Wittman Family has given to our youth, our educators, our local and national governments, and broken ground for more than just the purposes of next year's crop.

In these tough times for farmers, agriculture needs leaders who indeed look to the future while learning from the past. I am proud to honor the Wittman family as Millennium Farm/Ranch Family Award winners and proud to call them fellow Idahoans.

It is indeed my pleasure as an Idaho Senator to honor the Wittman family as agriculture pioneers for Idaho—and to thank them for contributing so much to our next millennium in Agriculture. I know you and my colleagues in the Senate join me in offering our congratulations to the Wittman family.

Thank you, Mr. President.●

#### TRIBUTE TO DOVEY J. ROUNDTREE

● Mr. WARNER. Mr. President, the American Bar Association Commission on Women in the Profession announced in February the winners of the 2000 Margaret Brent Women Lawyers of Achievement Awards.

Among those worthy recipients was Dovey J. Roundtree, General Counsel for the National Council of Negro Women, whom I have been privileged to know for many years.

As a former law clerk to Federal Circuit Judge Prettyman, then as an Assistant United States Attorney, followed by private practice in the greater metropolitan area of Washington, DC, I came to know and admire the professional achievements of Attorney Roundtree.

She is most deserving of this recognition for her tireless efforts to help others.

The award Mrs. Roundtree has earned is named for the first woman lawyer in America, Margaret Brent. She arrived in the Colonies in 1638, and was involved in 124 court cases over the course of eight years, winning every case. In 1648, she formally demanded the right to vote in the Maryland Assembly, but her petition was denied by the Governor.

These awards were established in 1991 to honor outstanding women lawyers who have achieved professional excellence in their area of specialty and have actively worked to help other women lawyers.

Attorney Roundtree and her work have been admired for more than three decades. She has been a leading civil rights lawyer, an Army veteran, an ordained minister and a resident of Spotsylvania.

She is a founding partner of the Washington, DC, law firm of Roundtree, Knox, Hunter and Parker, and she served for 35 years as General Counsel to the National Council of Negro Women and as special consultant for legal affairs to the African Methodist Episcopal Church.

Mrs. Roundtree attend Howard University Law School on the GI Bill and went on to break legal ground in both civil and criminal law. Her 1955 bus desegregation victory before the Interstate Commerce Commission, Sarah Keys versus Carolina Coach Company, was critically important in the legal battle for civil rights.

She was the first black woman admitted to the Bar Association of the District of Columbia and actively recruited other black women attorneys.

Dovey J. Roundtree is most deserving of this award.●
