##### THE RETIREMENT OF DR. RICHARD J. HALIK

• Mr. ABRAHAM. Mr. President, I rise today to recognize Dr. Richard J. Halik, who is retiring after 34 years of dedicated service to the Lansing, Michigan, School District. A graduate of Eastern High School in Lansing himself, Dr. Halik has enjoyed a successful career as a student, teacher, and administrator in the Lansing School District, and his efforts as Superintendent have played a large role in bringing the Lansing Public School system into the new millennium on a successful note.

After receiving his Bachelor of Arts Degree from Western Michigan University in 1966, Dr. Halik took a position as a seventh grade science teacher at Otto Middle School. In 1970, he was named Supervisor of federally funded Title I programs operating in the district at the time, and in 1972 he became Director of Federal and State Programs for the Lansing School System. After serving as Principal of Gardner Junior High School in 1979–80, Dr. Halik was promoted to the position of Elementary Education Director in 1981, and the following year became Assistant Superintendent for Instruction. On July 1, 1985, he was named Superintendent of the Lansing School District, and he has held this post ever since.

Dr. Halik has been an active member of the Lansing community his entire life. He currently serves as Vice Chair of the Sparrow Health System Board of Directors, and as Vice President of the Hinman Endowment Fund Board of Di-

rectors. In addition, he sits on the Board of Directors of several other local organizations, including the Greater Lansing Area Advisory Council, the Lansing Area Safety Council, the Estes Palmer Foundation, the Urban Education Alliance, and Junior Achievement. He is also on the Advisory Board of the Lansing Area Safety Council, the Corporate Board of the Boys and Girls Club of Lansing, and is a member of the Board of Trustees of the Lansing Educational Advancement Foundation.

Dr. Halik is a member of Mt. Hope Presbyterian Church and the Lansing Host Lions Club, and has served as President of the latter group. He has also served as President of the Middle Cities Education Association and the Lansing Association of School Administrators. In 1978, he represented the State of Michigan at the National Institute of Education as advisor on the relationship of the Michigan Compensatory Education Program to ESEA Title I, and in 1993 he was a recipient of the National Leadership Award from the Institute for Education Leadership.

Dr. Halik's contributions to the Lansing School District, and to Michigan's education community in general, are truly immeasurable. I would like to thank him for his dedication and many efforts over the last thirty-four years. His leadership during this time has been exceptional and will be dearly missed. On behalf of the entire United States Senate, I congratulate Dr. Richard J. Halik on a wonderful and successful career, and wish him the best of luck in retirement.●

##### TRIBUTE TO EDWARD J. LISTON

• Mr. REED. Mr. President, it is with great honor that I rise today to acknowledge a truly distinguished Rhode Islander, Edward J. Liston, who after having diligently served for 22 years will be retiring as the President of the Community College of Rhode Island on May 7th, 2000. President Liston currently resides in the town of Warwick, Rhode Island, with his wife Judith, where he is a proud father to six wonderful children: Christina, Edward, Jennifer, Judith, Mark, and Nancy.

Throughout his tenure as President, Edward Liston worked hard to provide both educational and job training opportunities for Rhode Islanders of all walks of life. Upon his arrival on campus in 1978, to more accurately reflect his mission for the institution, President Liston immediately set out to change the name of what was then known as the Junior College of Rhode Island, to its present name of the Community College of Rhode Island (CCRI). In order to further expand CCRI's programs into the community, President Liston established a system of satellite campuses in various local high schools that would offer evening courses in

such towns as Woonsocket, Westerly, and Middletown. In addition, he successfully made inroads to provide educational courses at the Adult Correctional Institution in Cranston.

President Liston strongly believes that CCRI should have a presence in Rhode Island's inner city communities. In 1990, he opened a downtown Providence Campus which started with a total enrollment of 650 students. Today, over 2,000 students are taking classes at that campus, and plans are underway for an expansion funded by a 1998 bond issue. To acknowledge this achievement, the state has renamed the Providence campus the Edward J. Liston Campus.

Immediately after opening the Providence campus, President Liston worked to make CCRI the first higher education institution in Rhode Island to offer television courses through the public broadcasting system on Channel 36. To no surprise, this initiative also flourished, and has led to an increase in viewer enrollment from 100 students, to 1,200 students per semester. In 1989, PBS ranked CCRI the number one school in the country for deliverance of telecourses. Still pushing forward, President Liston then worked to establish a series of partnerships with business and industry leaders to improve the Rhode Island workforce through customized training designed for a particular company. One of the first partnerships was with General Dynamics' Electric Boat Division. This initiative involved a combination of on the job apprenticeship training, and classroom instruction that resulted in an associate degree. This first step led to the creation of the Center for Business and Industrial Training, now a part of the college's Office of Workforce Development. This center was also directly responsible for the creation of the successful Dental Hygiene program at the college, due to its partnership with the Rhode Island Dental Association.

On behalf of all Rhode Islanders, I would like to take this opportunity to personally extend my deepest thanks and gratitude to Edward Liston for his continued hard work and dedication over the years to improving the lives of so many Rhode Islanders and their families.●
