

Claire Hope is also President and Founder of the Industry Education Council of Eastern Ventura County, implementing strategic plans that included the employment of veterans. Other avenues she has used to promote employment of veterans and small business ownership by veterans include: Regional Vice President of the California Employer Advisory for six years, Committee Member of the Conejo Valley Chamber of Commerce Education Committee, and Task Force Member for Workforce Development for the Conejo Valley Community Foundation.

Claire also served as President of the Simi/Conejo Valley Employer Advisory Council (SCVEAC). In 1997, SCVEAC was chosen as the outstanding EAC in the State of California and outstanding EAC in the United States for encouraging veteran business ownership.

Claire Hope is a very capable and dedicated advocate for veterans and is very deserving of this honor.

I have the pleasure of working with Claire on Ventura County Stand Down 2000, which she founded and chairs and for which I serve as honorary co-chairman. A Stand Down is where homeless veterans gain rest for a weekend from the daily battle for survival, by sleeping in comfortable tents and taking advantage of services that could lead to jobs and housing.

Mr. Speaker, I know my colleagues will join me in congratulating Claire Hope for her recognition as the U.S. Small Business Administration Veteran Advocate of the Year and in thanking her for all her hard work and dedication on behalf of our veterans.

PERSONAL EXPLANATION

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 4, 2000

Ms. WOOLSEY. Mr. Speaker, yesterday I unfortunately missed two recorded votes on suspension bills, H. Con. Res. 295, and H. Con. Res. 304. Had I been present, I would have voted "yea" on both resolutions.

However, I would like to share that my absence from the House floor was because I was hosting a press conference with three women from Afghanistan, Nigeria, Iran on global discrimination against women. These brave women shared their stories of discrimination and suffering living under the restrictive regimes in Iran and the Taliban government, and of being genitally mutilated as a young child in Nigeria. Their horrifying stories were true anecdotes of why the Senate must ratify CEDAW, the United Nations Convention in the Elimination of Discrimination Against Women.

CEDAW, which was first adopted by the United Nations twenty years ago, formally codifies women's equality and promotes women's inclusion in business, government and other economic and social sectors. While I am very pleased that the House International Relations Committee held a hearing on my bill that urges the Senate to ratify CEDAW (House Resolution 107) I am outraged that it is being held up by one person in the Senate. The Senate Foreign Relations Chair, Jesse Helms,

had outright refused to hold a hearing on CEDAW and continues to block its consideration on the Senate floor. This means that the chamber's 99 other Senators cannot express their views on this important treaty. It is unacceptable that the democratic process is being held captive by one person. I am hopeful that today's hearing in the House International Relations Committee is a first step in reversing Congress' inaction on CEDAW and will ignite a true dialogue in the Senate on CEDAW's ability to help empower women around the world. Until then, I will continue to push Chairman HELMS and the Senate to ratify it.

Mr. KUCINICH. Mr. Speaker, today I recognize the Philippine Nurses Association of America, which is holding its 21st annual convention on June 21–23, 2000 in Indianapolis, Indiana. The Philippine Nurses Association of Ohio will co-host the event along with the chapters from Michigan and Indiana. This year's convention, titled Nursing Odyssey: New Realities, New Vision, will reflect the dynamic role of nurses in a changing health care delivery system.

The Philippine Nurses Association of America was established in 1979 in response to the growing need to address the concerns and issues important to Filipino nurses within this country. The Ohio Chapter was formally established in 1992. The PNA of Ohio is a voluntary, non-profit organization encompassing the areas of Cleveland, Akron, Medina in Ohio. There are over one hundred paid members in the chapter.

The objectives of the Philippine Nurses Association reflect their commitment to community service and the promotion of activities and programs that unify the Filipino nurses of the United States and advance health care of Filipinos throughout the nation. RECOGNIZING AND CONGRATULATING THE BULGARIAN GOVERNMENT

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 4, 2000

Mr. BRADY of Texas. Mr. Speaker, on behalf of myself and my colleague from Louisiana, JOHN COOKSEY, who also serves with me on the House International Relations Committee, I would like to take a moment to recognize and congratulate the Bulgarian Government—particularly Prime Minister Ivan Kostov and Deputy Prime Minister Peter Zhotev—for the significant efforts that the Government has made over the last two years to strengthen Bulgaria's economy, and in particular, Bulgaria's energy sector.

After years of economic decline and mismanagement under socialist rule, we are pleased to see that the country's economic picture is now showing solid signs of improvement. In 1999, inflation dropped to 6.2 percent and the country's economy grew by 2.5 percent. In 2000, a 4% level of growth has been targeted and appears to be achievable.

There is no doubt, that Prime Minister Kostov and his team have played a key role
