THE 70TH ANNIVERSARY OF ANTHONY WAYNE ELEMENTARY SCHOOL

● Mr. ABRAHAM. Mr. President, I rise today to recognize Anthony Wayne Elementary School in Detroit, Michigan, which on May 12, 2000, will officially celebrate its 70th Anniversary. Events have been scheduled throughout this week, providing administrators, teachers, students and parents an opportunity to reflect upon the history of their elementary school, and at the same time witness how far it has come in seventy years.

The roots of Wayne Elementary School lie in a two room portable building near the heart of Detroit, where Mrs. Jessie Baum and Ms. Etta Coetzer, under the guidance of Principal Ms. Florence Kessler, began teaching kindergarten through fifth grade students in March of 1928. Their efforts led to the construction of a six-room building at 10633 Courville Street in February of 1930, officially marking the birth of Wayne Elementary School.

Though the face and shape of the building have been forced to change often to accommodate a growing number of students, the teachers and administrators of Wayne Elementary School still instill the same values into their students as did Ms. Kessler, Mrs. Coetzer, and Mrs. Baum: learning two different sets of three R's, not only the traditional writing, reading, and arithmetic, but also rights, responsibility, and respect.

To this end, Wayne Elementary School encourages parents and other members of the community to become involved with the education of their children. In 1998, working in cooperation with the Greening of Detroit and the Ford Motor company volunteers, the children planted trees, bushes and wild flowers during the month of May. The habitat area now serves as an outdoor classroom and each spring the students intend to plant more trees, bushes and flowers.

Two other important programs have recently been developed at Wayne Elementary School. Academic Games, started by Ms. Nicole Stewart, encourages learning achievement while at the same time demonstrating to students that learning can indeed be fun. And in 1995, two chess teams were formed by Mr. Carter and Mr. Cook, a primary team (K-3) and an upper elementary team of fourth and fifth graders. On May 11, these teams will send ten students to Dallas, Texas, to compete against the nation's best elementary

school chess players. I would like to wish them the best of luck in that competition.

Mr. President, I applaud all of the teachers, parents, students and administrators whose hard work over the years has made this anniversary possible. On behalf of the entire United States Senate, I wish Anthony Wayne Elementary School a happy 70th birthday, and continued success in the coming years.●
