

Would we walk around saying there is no way to tell if a diamond is stolen and just let the thieves market prosper? By the way—how is it that our industry is able to self-regulate in a reasonable manner against thieves, but not against conflict diamonds? Is the life of a black in Sierra Leone worth less than the life of a diamond dealer or jeweler in the U.S.?

Mr. Speaker, I met Mr. Rapaport before I went to Sierra Leone last year, and I have heard the industry's admiration for him. He and his colleagues are savvy, clever business people. I am confident they not only can figure out how to stop war diamonds from enriching butchers—but, more importantly, how to turn diamonds' economic potential into a positive force for the African people who so need that.

I applaud Mr. Rapaport for making his trip to Sierra Leone and for eloquently appealing to the diamond industry to find a solution to this urgent problem. And I urge my colleagues to join me in pressing for a targeted solution to the diamond smuggling that is destroying Sierra Leone's democracy and its people.

Please join Sierra Leone's democratic government, the U.S. diamond industry, and some of our most thoughtful colleagues in supporting H. Con. Res. 323.

IN RECOGNITION OF THE EXCELLENCE OF MARIEMONT HIGH SCHOOL'S DESTINATION IMAGINATION TEAM

HON. ROB PORTMAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2000

Mr. PORTMAN. Mr. Speaker, today I honor Mariemont High School's Destination ImagiNation Team. The team has seven students: Carrie Badanes, Lizzy Anthony, Bobby Zepf, Juli Newton, Ben Cober, John Rutherford and Kate Young. They are coached by Anne Badanes and Sue Cober, and will compete in the 2000 Destination ImagiNation world championships. The competition will be held in Ames, Iowa on May 24–27.

During the event, the Mariemont team will compete using its creativity, teamwork, and wits to solve difficult problems. The teams are judged by their ability to integrate a myriad of elements into a performance, which draws upon their knowledge of history, their acting skills, and their ability to improvise. Since last December, the Mariemont High School team has trained extensively. They have spent many hours working with their coaches, learning new skills, researching history, and attending live performances of a professional improvisation group at the Aronoff Center in Cincinnati. In addition, they continue to work with their teacher, Carrie Dattillo, honing their acting skills.

In 1999, the Mariemont High School team placed first at the regional competition and second at the state competition in Columbus. In previous years, the team has always placed second or third in the region and has won an unprecedented three Renatra Fusca awards for outstanding creativity. This year, they took first place in the regional and state competitions. At the regional competition, in March,

they were awarded the prestigious DaVinci Award for outstanding creativity and teamwork. They are the first team from the Mariemont School District to compete in the world championships, and they are the sole team representing the Greater Cincinnati area.

We are very proud of the Mariemont team's accomplishments, and all of us in the Cincinnati area wish its members the very best in their upcoming competition.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2000

Mr. FILNER. Mr. Speaker and colleagues, today I recognize the National Association of Letter Carriers Branches 70, 1100, and 2525, as they are honored by the San Diego-Imperial Counties Labor Council, AFL-CIO, at its 12th annual Worker's Memorial Dinner with its Community Service Award.

Some eight years ago the National Association of Letter Carriers began its annual food drive and has collected millions of pounds of food every year since. In 1999, more than 1,500 local National Association of Letter Carriers branches in more than 10,000 cities and towns across the country collected a total of over 50 million pounds of food for the needy.

NALC Branch 70, Branch 1100, and Branch 2525 annually collect large amounts of food that directly benefit families in need in our community. Their food drive provides local food banks and pantries with food to serve to needy families throughout the year.

The NALC's commitment to serving the community and especially those members of our community who are most in need is exemplary and worthy of our highest praise. My congratulations go to National Association of Letter Carriers Branch 70, Branch 1100, and Branch 2525 for these significant contributions.

INTRODUCTION OF THE HIGHER EDUCATION TECHNICAL AMENDMENTS OF 2000

HON. HOWARD P. "BUCK" McKEON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2000

Mr. McKEON. Mr. Speaker, today, my colleague, Mr. GOODLING, and I are introducing the Higher Education Technical Amendments of 2000. Many of my colleagues will remember that in the last Congress we enacted the Higher Education Amendments of 1998 on a bipartisan basis. The passage of that Act was one of the most important pieces of legislation we enacted for students and their parents. I want to again thank Chairman GOODLING for his leadership on that bill. Throughout that process he kept members focused on our goal of improving our student financial aid system. Additionally, I want to acknowledge his leadership in crafting this technical package, which will improve the implementation of the 1998 Amendments. I also want to thank the Committee Ranking Member, Mr. CLAY, the former Ranking Member of the Subcommittee, Mr. KILDEE, and the current Ranking Member of the Subcommittee, Mr. MARTINEZ. The 1998 amendments, which we crafted together, have been a great success, and our continued efforts on this legislation will only improve on those results.

As Chairman GOODLING noted in his statement, the legislation introduced today is technical in nature, but also makes policy adjustments that we believe are necessary to ensure that the Act is implemented in the way Congress intended. We worked with many organizations and individuals who put forth proposals for our consideration. We included those which are bipartisan in nature, benefit students and their parents, and are paid for. Our goal is to pass a bill that can be acted upon by the other body and enacted into law in the near future.

The legislation we are introducing today will improve our national early outreach efforts by making modifications to the TRIO and GEAR UP programs. The bill allows participating organizations to provide grant aid to students
