PHOTOGRAPHS OF SONAM  
ZOKSANG SEEK TO PRESERVE  
TIBETAN CULTURE AND IDEN-  
TITY

**HON. TOM LANTOS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. LANTOS. Mr. Speaker, just a few days ago in the Cannon Rotunda, we had the pleasure of viewing a magnificent exhibit of the photographs of Sonam Zoksang, a Tibetan photographer who has sought to use his photographic art and his considerable skill to preserve Tibetan culture and identity.

Sonam Zoksang was born in the small Tibetan village of Kyirong, but his parents fled to India just a month after he was born. He made the first visit to the country of his birth in 1993 when he was 33 years old. As a result of that visit, he made it his goal to capture the devastation that his people have experienced on film for all the world to see. Since that first visit to Tibet in 1993, he has been compelled to return each year.

Mr. Speaker, over the last seven years, Mr. Zoksang has seen the situation in Tibet worsen dramatically. The Chinese government has given incentives to non-Tibetan Han Chinese to encourage them to move into Tibet, and increasingly this has made Tibetans a minority in their own land. The growth in Chinese immigrants has increased Sonam's greatest concern for the future of Tibet—the children. He states that in "addition to all the problems they have in common with Tibetans in general, there is little or no educational opportunity for them in Tibet. Every year hundreds of Tibetan children risk their lives to escape to India, crossing the Himalayas on foot in the frigid winter to taste the air of freedom."

In explaining his photographs, Sonam Zoksang said: "I feel very strongly that many young Tibetans have no hope, no dreams, and no future to live for. No Tibetans seem to be truly happy with their situation, and moreover, they feel threatened with their very extinction." In an effort to preserve the culture of the Tibetan people, Sonam Zoksang has risked his life to document the changes taking place inside Tibet. The Chinese would refuse him a visa to enter the Country, so he has had to risk his life and his freedom in order to record through his photographs the traditional culture and the rapid and systematic way in which it is being destroyed.

Mr. Speaker, I invite my colleagues to join me in paying tribute to Sonam Zoksang for his outstanding photographs and the great contribution which his work has made to preserve Tibetan culture and to strengthen the identity of the Tibetan people.

EXTENSIONS OF REMARKS

TRIBUTE TO HILLTOP—50 YEAR  
ANNIVERSARY

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to pay tribute to the Hilltop Community Resources Inc., an organization that provides a range of invaluable services to the residents of Mesa County who are in need of special assistance and care, as they celebrate their 50th birthday. In recognition of this tremendous landmark and Hilltop's considerable efforts to improve life for those who are less fortunate, I ask my colleagues to join me in honoring this tremendous organization.

Hilltop originated as the Mesa County Society for Crippled Children and Adults in 1950, offering outpatient services for people with disabilities. In the time since, Hilltop has incorporated a number of helpful services to assist its patients with their ailments and needs. Hilltop creates independent living communities that provide care and comfort for their citizens and offer the Elder Care/Assisted Living program that ensures elderly residents the opportunity to stay active in their daily lifestyle with the assistance of the Hilltop staff. In all, Hilltop can be credited with helping over 12,000 Mesa County residents a year.

One notable person who has had a dramatic impact on the success of Hilltop is its current Chief Executive Officer, Sally Schaefer. Sally has been the driving force behind Hilltop's dedicated effort to put forth a helping hand to needy citizens in the Grand Valley for nearly two decades. She has initiated numerous outreach programs and, most notably, created a 158-unit retirement and assisted living facility. Ms. Schaefer's care and compassion for those in need of assistance is evident in the effort she has put forth during her career at Hilltop. Her hard work and dedication are emblematic of the role that Hilltop plays in the Grand Junction community.

Mr. Speaker, it is a wonderful privilege and honor to salute the 50th anniversary of Hilltop Community Resources Inc. I am proud to represent a district that has an organization of this stature within its boundaries. The invaluable services that Hilltop provides bring joy and dignity to the lives of the less fortunate, offering them hope and putting a smile on their face.

TRIBUTE TO DUSTY BUSS

**HON. JOHN SHIMKUS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. SHIMKUS. Mr. Speaker, I rise before you today to commend Dusty Buss for his efforts that helped save the life of 7-year-old Tia Creasy. Dusty, a 16-year-old sophomore at Brown County High School in Mt. Sterling, IL, was dropping his sister off at school as Cathy Creasy was dropping off her daughter, Tia, in front of him.

*June 9, 2000*

As Cathy drove away she was unaware that Tia's jacket was caught in the door causing her to begin dragging her daughter alongside the car. On seeing this Dusty got out of his car and was able to get in front of Cathy's car before serious injuries could occur.

Dusty did a very honorable and courageous act. I am very proud of his Good Samaritan attitude, which makes him a hero to us all.

IN HONOR OF THE WOOD FAMILY,  
THE TOWN OF HARRISON, NJ  
FAMILY OF THE YEAR

**HON. ROBERT MENENDEZ**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. MENENDEZ. Mr. Speaker, I rise today to pay tribute to a great family—a great American family. The Wood family is being honored as the family of the year by the Town of Harrison, New Jersey, and I am very proud to honor them for their contribution to their community.

The Harrison Family of the year has its roots in the Martin family originally from Brooklyn, NY and the Wood family originally from Newark. Robert and Rachel Martin's family has lived in the Town of Harrison since 1910, and William and Esther Wood's family since 1919.

After Robert and Rachel's daughter, Margaret, met William and Esther's son, Harold, in 1938, they were married, and began a family.

Harold and Margaret Wood had eight girls and four boys. Of their twelve children, five still live in Harrison. Harrison is currently home to five of Margaret's children, seven grandchildren, and nine great grandchildren. In all, Margaret has thirty-two grandchildren and forty great grandchildren.

The Wood children have an enduring love for this country, a love instilled in them by their father, Harold Wood who, having served in the Navy in WWII, understood the power and value of community and patriotism. He lived in Harrison all his life until his death in 1996.

For the pride they show in America, and for the contributions they have made to the Town of Harrison, New Jersey, I honor and praise the Wood family.

Today, I ask that my colleagues join me in honoring the Wood family for being the Town of Harrison's family of the year.

RECOGNIZING GUAM POLICE DE-  
PARTMENT'S POLICE OFFICER  
OF THE YEAR AND CIVILIAN OF  
THE YEAR

**HON. ROBERT A. UNDERWOOD**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. UNDERWOOD. Mr. Speaker, I would like to take this occasion to recognize Guam Police Department's Police Officer of the Year and Civilian of the Year. These awards are presented annually to the top employees of the Guam Police Department (GPD). Police

Officer III John A. Bagaforo was named Police Officer of the Year while Ms. Karen Guerrero was honored as Civilian of the Year.

Officer John A. Bagaforo is a 1980 graduate of Pearl City High School in Hawaii. He moved to Guam in 1989 with the intention of joining the Guam Police Department. He commenced service as a police recruit in October 1990, and graduated in May 1991. He was initially assigned as a patrol officer with the Northern Precinct Command—later being selected to be part of the Northern Precinct task force to counteract gang activity. This is in addition to his duties with the precinct's patrol operations.

John was moved to the Central Precinct Command in 1992, where he was assigned to the task force on robbery suppression. Later that year, he was transferred to the Juvenile Investigation Section with a collateral assignment to the Department of Education Task Force. He was reassigned to patrol duty in 1994 and served in this capacity until 1996, when he was transferred to the GPD Drug Task Force which operated under the auspices of the Drug Enforcement Administration (DEA). As a member of this task force, John facilitated contact with confidential informants, identified drug targets, formulated operational plans, authored search warrants, conducted drug buys, secured evidence, effectuated arrests and testified as an expert witness in both federal and local courts. In 1997, he was deputized and received his DEA credentials as a sworn Task Force Agent. John currently serves as a shift supervisor for the Tamuning/Tumon Precinct Command, a position he has held since November 1999.

GPD's Civilian of the Year, Karen E. Guerrero. Karen has worked in different capacities within GPD's administrative divisions since March 1985.

Initially assigned to the general maintenance section of the department's Support Division, she was placed in charge of building, equipment and vehicle maintenance. In 1992, she was transferred to the Operations Division. As a secretary for the division, Karen took on further administrative and record keeping responsibilities. She provided assistance with office correspondence, reports, training and budget matters. From April 1992, until March 1999, Karen worked for the legal section under the Chiefs Office. During the seven years she worked in this section, she performed a host of clerical and administrative duties. She also played a crucial role in office support, procurement and record keeping.

Karen, on different occasions, also worked at the payroll section and the Records & ID section of GPD's Administration Division. While with these sections, she worked with payroll and personnel matters. Having been with the Records & ID section since March, 1999, she has been involved in procedural development, staffing and the facilitation of public services on a supervisory level.

Karen is a graduate of John F. Kennedy High School in Tumon, Guam. She took part in the business administration program while attending the Western Pacific Business College and was a recipient of the Pedro "Doc" Sanchez Scholarship at the University of Guam where she majored in Public Administration.

On behalf of the people of Guam, I congratulate John and Karen for having been

named as GPD's Police Officer and Civilian of the Year. Through their diligence and dedication to their duties at the Guam Police Department, John and Karen have made great contributions towards the safety and protection of our island's residents. I urge them to keep up the good work!

PREPARING FOR THE FUTURE:  
THE ALZHEIMER'S CLINICAL RESEARCH AND TRAINING PROGRAM

**HON. EDWARD J. MARKEY**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. MARKEY. Mr. Speaker, I rise to express my appreciation for the language contained in the Committee Report accompanying this bill which addresses Alzheimer's Disease.

Furthermore, I would like to commend Chairman PORTER and Ranking Member OBEY for considering my April 12th testimony before the Subcommittee where I spoke on behalf of the 126 members of the Bipartisan Congressional Task Force on Alzheimer's Disease along with my co-chair Rep. CHRIS SMITH (R-NJ). Together we encouraged the Subcommittee to urge the National Institutes of Health (NIH) to increase its research for Alzheimer's by \$100 million and to implement and fully fund a new program, originally adopted into the House Budget Resolution, the Alzheimer's Clinical Research and Training Awards Program.

This worthy program will train physician-scientists to focus on clinical research and to translate the excellent basic research in Alzheimer's Disease to the clinic. Ultimately this program provides an opportunity for the National Institute on Aging (NIA) to "enhance efforts to train, and educate health care professionals to improve diagnosis, treatment and prevention of Alzheimer's Disease" as the House Report language accompanying this bill urges.

I would note that the Senate Committee report accompanying the Labor-HHS Education Appropriations bill provides additional clarification of the intent of Congress with respect to how the NIA should improve the diagnosis, treatment and prevention of Alzheimer's Disease. The Senate Committee Report states the following with respect to the specific steps we expect to be taken to educate and train physician/scientists:

"The Committee believes that an important step in fighting Alzheimer's Disease is the encouragement of clinical research and training, which will complement the many excellent research efforts currently funded through the National Institutes of Health (NIH), the National Institute on Aging (NIA), and in the private sector. The creation of Alzheimer's Clinical Research and training Awards program to train physicians to recognize and treat Alzheimer's Disease, and to dedicate their careers to improving care for Alzheimer's patients by bridging the gap that exists between basic and clinical research is critical. The awards program will foster physician dedication to a career in research, diagnosis, and

treatment of Alzheimer's Disease by awarding junior and midlevel physicians who have demonstrated the potential for a lifelong commitment to researching and treating Alzheimer's, with a 1 year stipend to train as an Alzheimer's physician/scientist. The awards program will be administered through the NIA, and should provide support for institutions focused primarily on Alzheimer's research but linked to a clinical treatment facility. The awards program will complement the Alzheimer's Disease Research Centers (currently funded through NIA) or similar institutions that are State or privately funded. The awards program will encourage institutions implementing the program to specialize in training physician/scientists, ultimately becoming physician training centers."

Alzheimer's disease is on track to become the epidemic of the 21st Century, currently 4 million Americans are afflicted and by 2050 it is estimated that this number will increase to 14 million. With these astonishing statistics we must act today to head off the health care crisis of tomorrow. The Alzheimer's Clinical Research and Training Awards envisioned by both the House and Senate bills represent an important step in meeting the challenge.

IN MEMORY OF WILLIAM (BILL) H. HAMANN

**HON. IKE SKELTON**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. SKELTON. Mr. Speaker, it is with deep sadness that I inform the House of the death of Bill Hamann, former resident of Lexington, Missouri. He was 87.

Bill, a son of the late William G. and Mary Curtis Hamann, was born in Henrietta, Missouri, on October 12, 1912. His dedication to football began on the Richmond High School football team and continued at Graceland Junior College in Lamon, Iowa, where he also lettered in basketball. His greatest satisfaction as a player was playing center for the Missouri University Tigers under coach Don Faurot, A special influence in his life.

After graduation, Bill coached football at Odessa High School for two years before joining the United States Navy during World War II. He served in the Navy until November 1945, making lieutenant before he returned to Missouri University to complete his master's degree.

In 1946, Bill moved to Lexington and began coaching football in earnest at Lexington High
