HONORING JOHN "DOC" TYNAN

HON. JOHN JOSEPH MOAKLEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 12, 2000

Mr. MOAKLEY. Mr. Speaker, I rise to honor my very dear friend, neighbor, and former colleague in the Massachusetts Legislature, Representative John "Doc" Tynan who is celebrating his Eightieth Birthday.

Mr. Speaker, few people I've ever known could match the strength and character of Doc Tynan. Whether as the toughest, most tenacious All Scholastic Left End to play Football for South Boston High School, or as the man who's probably raised more money for local charitable organizations than anyone I've ever known, everything Doc Tynan does, he does one hundred percent. And no one could ever say that Doc isn't exactly the same fellow all the time. No matter who he's with or where he happens to be, Doc tells it like it is.

Not a lot of people know this, Mr. Speaker, but Doc Tynan was an Executive Officer and Bombardier in World War II. He flew a total of twenty-five missions, and commanded both Clark Gable and Jimmy Stewart. And, true to form, Doc survived five plane crashes in Europe. In fact, he only bailed out of planes twice. One time, his B-17 was shot down over Germany, but limped along as far as the English Coast. Major Doc Tynan parachuted out of the crippled plane in pitch darkness, not knowing where they were. He crawled to a house in the countryside and after identifying himself as an American soldier, he was taken to the hospital to treat his broken leg.

The other three times he stayed with the plane and did his level best to land. He is the recipient of the Distinguished Flying Cross and Air Medal with four clusters. No wonder, as a State Representative Doc made it to the Committee on Ways and Means in the Massachusetts House. If there's one thing you can say about Doc, Mr. Speaker, it's that when there's a job to be done, Doc Tynan has always been there with both the way and the means to not only get the job done, but to get it done to perfection, never for his own benefit, but for the good of others and the community he loves.

Among Doc's many accomplishments, he was the Democratic Whip in the Massachusetts House and chaired Committees on Veterans Services and Legislative Research. He was the Budget Director of the Massachusetts House, President of the South Boston Neighborhood House, Chairman of the Gate of Heaven Fund raiser, and a member of the Board of Trustees of the New England College of Optometry.

Mr. Speaker, I rise this evening to wish my very dear friend a very happy Eightieth Birth-

day and to thank him for everything he's done for the men and women and boys and girls of South Boston.

Happy Birthday, Doc!

IN RECOGNIZING THE MAKE-A-WISH FOUNDATION

HON. TONY P. HALL

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 12, 2000

Mr. HALL of Ohio. Mr. Speaker, on June 8, 2000 a reception was held in the Capitol to celebrate the twentieth anniversary of the Make-A-Wish Foundation. During the past two decades, this organization has fulfilled almost 80,000 wishes made by children who are ill.

The highlight of this reception was an inspirational address made by a remarkable seven-year-old named Ryan Davidson. Ryan, who had a brain tumor, is the 3,000th "Wish Child" of the Mid-Atlantic Regional Make-A-Wish Foundation. His speech follows:

REMARKS BY RYAN DAVIDSON MAKE-A-WISH 20TH ANNIVERSARY RECEPTION JUNE 8, 2000

Good afternoon ladies and gentlemen, my name is Ryan Davidson and I am seven years old. I go to Ashburn Elementary and I am in the first grade. Today I am well and feeling great! But I didn't feel good last summer.

Two weeks after kindergarten, I had a ton of really bad headaches. My mom gave me Tylenol but it didn't help. My headaches got worse and my left hand wouldn't work. I couldn't get a tight grip when I tried to hold stuff. My mom and dad took me to Dr. "D" in Ashburn. Dr. "D" said that I should go have an x-ray. We went to the hospital for the x-ray. I was scared of the big x-ray machine. After my x-ray the doctors said that I should go to Children's Hospital for more x-rays. I had to lay still alone in the machine. I had four x-rays in one day!

The doctors said that I had a brain tumor and had to stay over night. I was scared to stay by myself, so my mom stayed, too. Four days later I had my surgery. I was scared. Before the doctors put me to sleep, they told me to think about that green car going around the track. After my surgery, I woke up during another x-ray. The machine was moving forward and back. It was very loud and I was scared.

The next day, I was called the human "Q-tip" because I had a bandage that looked like the top of a "Q-Tip". I was in the hospital for five days. I still had stitches when I went home. A week later I had to get my stitches out. I had to go to sleep while I got the stitches out.

I still have to have MRI's.

Then in October, "Make-A-Wish" came. They asked lots of questions and asked me where I wanted to go. I wanted to go meet my favorite racecar driver, Bobby Labonte, and see the race. I knew he would be at a racetrack!

In the spring, we had a party for all the people who had helped while I was in the hospital. Near the end of the party, Make-A-Wish came back to grant my wish! They said, "You're leaving next week to go to California!" I started jumping up and down. Make-A-Wish got me a ton of stuff. Then on Wednesday, a limousine picked me up from school and took me to the airport. When we got there, we went to the cockpit. I got to sit where the Captain sits.

When we got to California and got off the plane, I felt a hat. It was our host, John! He got me balloons and when we got to the hotel, he gave me four Bobby Labonte cars.

On Friday, we went to practices and qualifying races. Bobby Labonte qualified 36th. On Saturday, I woke up early. We went to the track. When we got there we went to meet Bobby Labonte!

When we first got there, while we were waiting, I got to hold his racing helmet. Then when Bobby came out of the trailer, I got to spend almost 15 minutes with him. I asked him lots of questions about racing and he autographed two hats, a car, a tee shirt, and my racing uniform. Then he gave my sister, Mallory, and me each a team hat. It was the greatest day of my life!

The next day was race day! Bobby came in second! On Monday we left to go home. I had a lot of fun!

I hope you enjoyed my story. It has a very happy ending. Thanks Make-A-Wish for making my dream come true.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules committee—of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.

Meetings scheduled for Tuesday, June 13, 2000 may be found in the Daily Digest of today's RECORD.

MEETINGS SCHEDULED

JUNE 14

9:30 a.m.

Indian Affairs

To hold hearings on S. 2282, to encourage the efficient use of existing resources and assets related to Indian agricultural research, development and exports within the United States Department of Agriculture.

SR-485
