

but then we see the Clinton administration, and I would be afraid to re-chart this given what we now know about the Clinton administration diverting assets, with Vice President Gore sending AWACs to Alaska to look for oil spills, the President of the United States in his many deployments in Haiti diverting resources from this anti-narcotics effort to nationbuilding while our people are falling like flies, particularly our young people.

If Members do not believe those charts, there is a 1999 GAO report that I requested that shows in fact that in 1992-1993, the beginning of the Clinton administration, dramatic drops occurred in this.

First is the total use of DOD assets in the war on drugs. This is, again, not produced by me but the General Accounting Office; overall assets down dramatically.

This next line in red, the DOD, down dramatically. The Coast Guard was up slightly, but also leveled off here.

Mr. Speaker, I will continue next week on more information relating to our efforts to stem illegal narcotics and drug abuse in this country.
