LEGISLATION TO IMPROVE THE PROCESS FOR ESTABLISHING NONPROFIT POSTAGE RATES

Mr. COCHRAN. Mr. President, today I am introducing a bill to improve the process used by the United States Postal Service to establish postage rates for nonprofit and other reduced-rate mailers.

Under the current rate setting procedure, nonprofit postage rates have changed significantly, often rising more than corresponding commercial rates. In fact, in some cases, nonprofit mail rates have increased so much that the nonprofit rates are higher than similar commercial rates. According to the Postal Service, the unpredictable rate changes experienced by nonprofit mailers stem from difficulties the Service has had with gathering accurate cost data for small subclasses of mail.

By establishing a structured relationship between nonprofit and commercial postage rates, this legislation would protect all categories of nonprofit mail from unpredictable rate swings in the future. The bill would set nonprofit and classroom Periodical rates at 95 percent of the commercial counterpart rates (excluding the advertising portion), set nonprofit Standard A rates at 60 percent of the commercial Standard A rates, and set Library and Educational Matter rates at 95 percent of the rates for the special subclass of commercial Standard B mail.

The Postal Service recently proposed to increase postage rates for all classes of mail, and this proposal is now pending before the Postal Rate Commission. As part of its request, the Postal Service asked for nonprofit postage rates that are premised on the enactment of this, or similar, legislation to change the process for setting nonprofit mail rates. Without this legislation, nonprofit mailers will face potential double-digit rate hikes.

This bill achieves an appropriate balance between nonprofit and commercial postage rates, and provides nonprofit mailers with much needed rate predictability. It is a compromise solution that is supported by the United States Postal Service and several major commercial and nonprofit mailer associations, including: the Alliance of Nonprofit Mailers, the National Federation of Nonprofits, the Direct Marketing Association, the Magazine Publishers of America, and the Association of Postal Commerce.

I invite my colleagues to support this effort to protect nonprofit mailers by improving the method for establishing nonprofit postage rates.
