AMENDMENT No. 208: Page 84, after line 21, insert the following:

SEC. 518. (a) Chapter 2 of title II of the Trade Act of 1974 (19 U.S.C. 2217 et seq.) is amended by adding at the end the following:

"Subchapter E—Normal Trade Relations For China Transitional Adjustment Assistance Program

"SEC. 250A. ESTABLISHMENT OF TRANSITIONAL PROGRAM.

"(a) GROUP ELIGIBILITY REQUIREMENTS.—

"(1) CRITERIA.—A group of workers (including workers in any agricultural firm or subdivision of an agricultural firm) shall be certified as eligible to apply for adjustment assistance under this subchapter pursuant to a petition filed under subsection (b) if the Secretary determines that a significant number or proportion of the workers in such workers' firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated, or either:

"(A) that—

"(i) the sales or production, or both, of such firm or subdivision have decreased absolutely,

"(ii) Imports from the People's Republic of China of articles like or directly competitive with articles produced by such firm or subdivision have increased by reason of the extension of non-discriminatory treatment (normal trade relations treatment) to the products of China, and

"(iii) the increase in imports under clause (ii) contributed importantly to such workers' separation or threat of separation and to the decline in the sales or production of such firm or subdivision;

"(B) that there has been a shift in production by such workers' firm or subdivision to the People's Republic of China of articles like or directly competitive with articles which are produced by the firm or subdivision by reason of the extension of non-discriminatory treatment (normal trade relations treatment) to the products of China.

"(2) CRITERIA.—A group of workers shall be certified as eligible to apply for adjustment assistance under this subchapter pursuant to a petition filed under subsection (b) if the Secretary determines that a significant number or proportion of the workers in such workers' firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated, or either:

"(A) that—

"(i) the sales or production, or both, of such firm or subdivision have decreased absolutely, and

"(ii) Imports from the People's Republic of China of articles like or directly competitive with articles produced by such firm or subdivision have increased by reason of the extension of non-discriminatory treatment (normal trade relations treatment) to the products of China, and

SEC. 426. Not later than 90 days after the date of the enactment of this Act, the Administrator of the National Aeronautics and Space Administration shall terminate all contracts and other agreements with the Russian Government necessary to remove the Russian Government as a partner in the International Space Station program. The National Aeronautics and Space Administration shall not enter into a new partnership with the Russian Government relating to the International Space Station. Nothing in this section shall prevent the National Aeronautics and Space Administration from accepting participation by the Russian Government or Russian entities on a commercial basis. Nothing in this section shall prevent the National Aeronautics and Space Administration from purchasing elements of the International Space Station directly from Russian contractors.

AMENDMENT NO. 8: Page 90, after line 16, insert the following new section:

SEC. 426. COST LIMITATION FOR THE INTERNATIONAL SPACE STATION.

(a) LIMITATION OF COSTS.—Except as provided in subsection (c), the total amount appropriated for all fiscal years for—

(1) costs of the International Space Station through completion of assembly may not exceed $21,300,000,000; and

(2) space shuttle launch costs in connection with the assembly of the International Space Station through completion of assembly may not exceed $17,700,000,000 (determined at the rate of $360,000,000 per space shuttle flight).

(b) COSTS TO WHICH LIMITATION APPLIES.—

(1) DEVELOPMENT COSTS.—The limitation imposed by subsection (a)(1) does not apply to funding for operations, research, and crew return activities subsequent to substantial completion of the International Space Station.

(2) LAUNCH COSTS.—The limitation imposed by subsection (a)(2) does not apply to space shuttle launch costs in connection with operations, research, and crew return activities subsequent to substantial completion of the International Space Station.

(3) SUBSTANTIAL COMPLETION.—For purposes of this subsection, the International Space Station is considered to be substantially completed when the development costs comprise 5 percent or less of the total International Space Station costs for the fiscal year.

(c) AUTOMATIC INCREASE OR LIMITATION AMOUNT.—The amount set forth in subsection (a) shall each be increased to reflect any increase in costs attributable to—

(1) economic inflation;

(2) compliance with changes in Federal, State, or local laws enacted after the date of enactment of this Act;

(3) the lack of performance or the termination of participation of any of the International countries participating in the International Space Station; and
(4) new technologies to improve safety, reliability, maintainability, availability, or utilization of the International Space Station, or to reduce costs after completion of assembly, including increases in costs for on-orbit assembly sequence problems, increased ground testing, verification and integration activities, contingency responses to on-orbit failures, and design improvements to reduce the risk of on-orbit failures.

(d) NOTICE OF CHANGES.—The Administrator of the National Aeronautics and Space Administration shall provide with each annual budget request a written notice and analysis of any changes under subsection (c) to the amounts set forth in subsection (a) to the Senate Committees on Appropriations and on Commerce, Science, and Transportation and to the House of Representatives Committees on Appropriations and on Science. The written notice shall include—

(1) an explanation of the basis for the change, including the costs associated with the change and the expected benefit to the program to be derived from the change; and

(2) an analysis of the impact on the assembly schedule and annual funding estimates of not receiving the requested increases.

(e) REPORTING AND REVIEW.—

(1) IDENTIFICATION OF COSTS.—

(A) SPACE SHUTTLE.—As part of the overall space shuttle program budget request for each fiscal year, the Administrator of the National Aeronautics and Space Administration shall identify separately the amounts of the requested funding that are to be used for completion of the assembly of the International Space Station.

(B) INTERNATIONAL SPACE STATION.—As part of the overall International Space Station budget request for each fiscal year, the Administrator of the National Aeronautics and Space Administration shall identify the amount to be used for development of the International Space Station.

(2) ACCOUNTING FOR COST LIMITATIONS.—As part of the annual budget request to the Congress, the Administrator of the National Aeronautics and Space Administration shall account for the cost limitations imposed by subsection (a).

(3) VERIFICATION OF ACCOUNTING.—The Administrator of the National Aeronautics and Space Administration shall arrange for a verification, by the General Accounting Office, of the accounting submitted to the Congress within 60 days after the date on which the budget request is transmitted to the Congress.

(4) INSPECTOR GENERAL.—Within 60 days after the Administrator of the National Aeronautics and Space Administration provides a notice and analysis to the Congress under subsection (d), the Inspector General of the National Aeronautics and Space Administration shall review the notice and analysis and report the results of the review to the committees to which the notice and analysis was provided.
