likely than the average teenager to use illegal drugs, cigarettes, and alcohol; 
Whereas teenagers from families that eat dinner together are 31 percent less likely than the average teenager to use illegal drugs, cigarettes, and alcohol; and 
Whereas the correlation between the frequency of family dinners and the decrease in substance abuse risk is well documented; 
Whereas parental influence is known to be one of the most crucial factors in determining the likelihood of teenage substance abuse; and 
Whereas family dinners have long constituted a substantial pillar of American family life: Now, therefore, be it  
Resolved, That the Senate—  
(1) recognizes that eating dinner as a family is a critical step toward raising healthy, drug-free children; and  
(2) designates Monday, June 19, 2000, as National Eat-Dinner-With-Your-Children Day.
