The SPEAKER pro tempore laid before the House the following message from the President of the United States, which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed.

To the Congress of the United States:

WILLIAM J. CLINTON,

The WHITE House, June 14, 2000.

GENERAL LEAVE

Mr. REGULA. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 4578, and that I may include tabular and extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

There was no objection.

DEPARTMENT OF THE INTERIOR AND RELATED AGENCIES APPROPRIATIONS ACT, 2001

The SPEAKER pro tempore. Pursuant to House Resolution 524 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the further consideration of the bill, H.R. 4578.

In the Committee of the Whole

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the further consideration of the bill (H.R. 4578) making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 2001, and for other purposes, with Mr. Latourette in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. When the Committee of the Whole rose on Tuesday, June 13, 2000, all time for general debate had expired.

Pursuant to the rule, the bill shall be considered for amendment under the 5 minute rule. During consideration of the bill for amendment, the Chair may accord priority in recognition to a Member offering an amendment that has been printed in the designated place in the CONGRESSIONAL RECORD. Those amendments will be considered read. The chairman of the Committee of the Whole may postpone a request for a recorded vote on any amendment and may reduce the time for voting by 5 minutes, or by the time for voting on any postponed question that immediately follows another vote, providing that the time for voting on the first question shall be a minimum of 15 minutes.

Mr. REGULA. Mr. Chairman, I move to strike the last word.

Mr. Chairman, I want to advise Members about the schedule, at least as we best know it for the time being. We are planning to go forward on the amendments and put some votes prior to 6:30, if we can get some of these out of the way; and then it is my understanding that we will roll votes until about 9:30 because of the Members that are going to the Kennedy Center for an event.

I would hope we can keep going and then finish tonight, because I know if we can get finished with this bill, we will do a great deal to expedite the time of getting out of here tomorrow. I know many Members would like to get on their way at a decent time tomorrow night. So if everybody will help and cooperate, I think we can get this bill finished tonight.

The CHAIRMAN. The Clerk will read.

The Clerk read as follows:

H.R. 4578

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums shall be appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending September 30, 2001.
