Mr. DICKS: The gentleman from Washington (Mr. DICKS) and myself is to get this bill finished in a timely manner today, by 6:00 or before, because I know that many of the Members have plane reservations. We can accomplish that if everybody will cooperate. We will have to get time limits on some of the amendments, and perhaps we can add some of them with a colloquy. We will work together to accomplish the goal to finish this bill in a timely fashion.
