On September 27, 1999, Chairman WALSH wrote me a letter stating that, “the establishment of an outpatient clinic is the decision of the local VISN, based on resources and need. We will make inquiries to the VA and the Director of VISN regarding the situation in your district.” In addition, to follow-up on that pledge the Subcommittee conference report to H.R. 2684 included the following provision: “the conferees direct the VA to submit a report on access to medical care and community-based outpatient clinics in Georgia 7th Congressional District 30 days after the enactment of this bill.” President Bill Clinton signed this legislation on October 20, 1999.

On January 14, 2000, I met with R.A. Perreault, Director of the Department of Veterans Affairs Medical Center in Georgia, who pledged his support to establish an Outpatient Clinic in the Seventh Congressional District in Fiscal Year 2000. In addition, on January 27, 2000, the Departments of Veterans Affairs, Housing and Urban Development and Independent Agencies Subcommittees sent to my congressional office a document entitled “Access to Care in Georgia 7th Congressional District” from the Department of Veterans Affairs. This evaluation stated: “Within the past year, there has been significant amount of interest from Congressional staff on the implementation of a Community Based Outpatient Clinic in the 7th Congressional District of Georgia. The VISN 7 Primary Care Service Line recently completed an evaluation of potential sites for future CBOCs using specific criteria . . . a proposed CBOC in Cobb County has been identified as a high priority and is noted in the Strategic Plan.

As you are aware, the VA has a goal of improving access to care and timeliness of service. The VISN 7 has set aside funds to be used to activate additional CBOCs in fiscal years 2000 and 2001. The proposed Cobb County CBOC is planned for a fiscal year 2000 activation. The VA notes in its report, future decisions regarding the implementation of new initiatives will continue to be based in part on fund availability. The report states, “the opening of additional CBOCs remains subject to the availability of funds and other significant factors.”

The Atlanta office of the Department of Veterans Affairs has already approved the facility and I am pleased to announce to Chairman WALSH, and the Members of the House of Representatives, that in the next several weeks an outpatient clinic will open in the Seventh Congressional District in Georgia.

Given the large number of veteran in the western parts of the 7th District, I pledge to continue working with the Chairman, and with the Department, to build additional outpatient clinics in the 7th District, including the I-20 corridor to the west of Atlanta, and northwest of Atlanta along the I-75 corridor.

These clinics are a win-win; they save money, and they are a tremendous benefit to our veterans.

Mr. WALSH. Mr. Chairman, I move that the outpatients do now arise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. FOSSELLA) having assumed the chair, Mr. PEASE, Chairman of the Committee of the Whole on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 4635) making appropriations for the Departments of Veterans Affairs and Housing and Urban Development, and for sundry independent agencies, boards, commissions, corporations, and offices for the fiscal year ending September 30, 2001, and for other purposes, had come to no resolution thereon.

Mr. Speaker, this bipartisan agreement was joined with the proviso that we complete our work on the bill by 9:00 p.m. tomorrow evening.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

CONGRATULATING THE LOS ANGELES LAKERS ON THEIR VICTORY

(Ms. MILLENDER-MCDONALD asked and was given permission to address the House for 1 minute.)

Ms. MILLENDER-MCDONALD. Mr. Speaker, tonight I rise to congratulate the Los Angeles Lakers for a job well done last night.

As we can see on the sports page of the L.A. Times, it says “Great Lakers.” I agree. I am one of the Members who represent Los Angeles, and we were all proud when they brought home the victory last night.

Mr. Speaker, before this playoff season started, my dear friend, the gentleman from Indiana (Mr. BURTON), got on the floor and said that the Indiana Pacers would win, that the L.A. Lakers would not get the championship.

I only want to say to him that I told him that night that I would give him a tissue, but instead I am going to give him this ball. Hopefully, the Pacers will bounce back next year. That is, if they are not playing the Lakers.

Go Lakers.
