

the National Nuclear Security Administration.

(4) The Secretary of Energy should permit the Administrator of the National Nuclear Security Administration to manage all aspects of United States nuclear weapons programs without interference.

(5) The Secretary of Energy should drop efforts to "dual-hat" officers or employees of the Department of Energy to serve concurrently in positions within the National Nuclear Security Administration and the Department of Energy. Such efforts to extensively "dual-hat" officials are contrary to the intent of Congress when it passed Public Law 106-65.

(6) The Administrator of the National Nuclear Security Administration shall take all appropriate steps to ensure that the protection of sensitive and classified information becomes the highest priority of the National Nuclear Security Administration.
