PERSONAL EXPLANATION

Mr. KUYKENDALL. Mr. Speaker, I was unavoidably detained attending my son’s high school graduation and missed roll call votes 392–395. If I had both here, I would have voted in the following manner.

Rollcall 303: No (delaying implementation of Department of Veterans’ Affairs VERA system).

Rollcall 304: No (striking prohibition against dredging until National Academy of Sciences study complete).

Rollcall 305: No (prohibiting designation of ozone non-attainment areas).

Rollcall 306: No (prohibiting administration of Communities for Safer Guns Coalition).

Rollcall 307: No (shifting funding from space station program to increase the number of new low income housing vouchers).

Rollcall 308: No (prohibiting Department of Housing and Urban Affairs from implementing settlement agreement with Smith and Wesson).

Rollcall 309: Yes (final passage).

Rollcall 310: No (withdrawal from World Trade Organization).

PRAYER AT FOOTBALL GAMES

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, the Supreme Court begins every session every day with a prayer that goes something like this, “God save the United States.” This Court fumbled Monday when it ruled against free voluntary speech. Rather than preserving our rights, the court eroded them, and they ensured years of costly litigation for lawyers.

But I hope, yes I pray, if I am allowed to do so, that one day this decision will be overturned also.

AMERICA NEEDS INDIVIDUAL NEEDS

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, there are almost 40 million Medicare beneficiaries in the United States, and I can say with confidence that no two beneficiaries are just alike. So why would this administration want to create a one-size-fits-all Medicare prescription drug program?

Our seniors should not be forced into a big government Washington-based drug benefit program, a program run by Washington bureaucrats that do not know the difference between Motrin and Resulin. Our seniors and disabled Americans deserve and want a better plan.

The House bipartisan prescription drug benefit plan will provide an affordable, available, and voluntary drug benefit program allowing each Medicare beneficiary to choose which program best serves their individual needs.

Mr. Speaker, the American people cannot afford the $100 billion Clinton-Gore cookie cutter prescription drug plan scheme, whatever you call it, which thoughtlessly neglects individual health care needs of our seniors.

SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. TOOMEY). Under the Speaker’s announced policy of January 6, 1999, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

RESPONSIBILITY OF HIGH GAS PRICES FALLS WITH THE WHITE HOUSE

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Tennessee (Mr. DUNCAN) is recognized for 5 minutes.

Mr. DUNCAN. Mr. Speaker, many Americans are becoming very upset about the great and tremendous rise in gas prices around the country, and certainly they should be upset about this. Let me just point out a few things though.
