

I met Dr. Sadik at the Hague International Forum Conference on population and women's reproductive health. We were just beginning our fight in Congress to restore UNFPA funding.

We had a daunting task before us—restore \$25 million for UNFPA during a tough budget fight in a Congress that equates family planning with abortion. But using Dr. Sadik's words that, "population is not someone else's" problem; it's a global issue that needs to engage every country in the world," we won the fight and restored the U.S. contribution to UNFPA.

This past year we achieved another success in Congress, when UNFPA was included in the budget at \$25 million. But, we still have a long way to go. My colleagues and I are still working to restore all U.S. funding for international family planning programs back to its 1995 levels. It's far below where we were in the 1980's, but it will be a 20% increase over last year.

This past year, we had more than 120 Members that understand the link between family planning and women's health. With Dr. Sadik at the helm of UNFPA, Congress got the message that family planning is vital to the fight to save women's lives.

Be assured that we will continue Dr. Sadik's fight for women around the world and will work with Thoraya Obaid to keep her legacy moving forward.

Dr. Sadik, thank you for your courage, your leadership, and your commitment to the women of this world. You are an inspiration to us all and we will miss you dearly.

IN MEMORY OF THE OKLAHOMA STATE UNIVERSITY TRAGEDY

**HON. WES WATKINS**

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 31, 2001*

Mr. WATKINS. Mr. Speaker, my heart is heavy and in pain from the tragedy that struck my alma mater—Oklahoma State University, located in my hometown of Stillwater, Oklahoma—on January 27th, 2001.

A plane carrying members of OSU's basketball team, athletic department, and sports broadcast unit crashed shortly after take-off following the OSU men's basketball game at the University of Colorado in Boulder. Ten members of the OSU family lost their lives in the accident.

Understandably, in times such as these, one could not be blamed for believing that the beloved schools of so many had just had a part of itself die. We know these 10 men's families have lost their loved ones, and now have an aching in their heart that will be long in mending. One could not be blamed for believing that life on God's earth is often too barren, and lonely; that the weight of this burden is more than we could possibly endure.

We are only in the beginning of our grief. But deep within our hearts, we humbly know God has a better plan than a lasting hurt. May God provide a lasting and loving memory of the young men who lost their lives.

Daniel Lawson, student athlete; Nate Fleming, student athlete; Jared Weiberg, student

manager; Pat Noyes, director of basketball operations; Brian Luinstra, athletic trainer; Will Hancock, coordinator of media relations; Kendall Durfey, engineer for the OSU radio network; Bill Teegins, KWTU sports director and the voice of OSU football and basketball; and two pilots, Denver Mills and Bjorn Falstrom. Every one of these individuals was an important part of the OSU family. We shall miss them dearly, but their memories will live on in our hearts. May the spirit from our wonderful memories of them grant us the grace, peace and strength to fulfill their dreams.

I have a heavy heart—an aching heart—for the loved ones of those who lost their lives. My prayers and love go out to the families, Coach Eddie Sutton and his staff, and the entire OSU family.

Yes, may God's love, mercy and grace sustain and strengthen them. Mr. Speaker, I ask that each member of the House join me as our thoughts and prayers go out to the young men's families, their friends, and to the extended Oklahoma State University family who lost ten loved ones.

IN HONOR OF LARRY BERG

**HON. PHIL ENGLISH**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 31, 2001*

Mr. ENGLISH. Mr. Speaker, every community has a voice. It's that one person whose voice resonates through the neighborhoods, asking questions and expressing aloud the thoughts of all.

I rise today to pay tribute to one such voice in Butler County, Mr. Larry Berg. He has left an indelible mark on this area of western Pennsylvania, not only as a radio host, but as an active and vital member of the community. Upon his retirement, he deserves to be honored for his outstanding contributions.

As a 16-year-old freshman at New York University, Larry chose his radio broadcasting major simply because it sounded interesting. But during the span of the next 53 years, he found himself working in places such as Baltimore, Des Moines, St. Louis, New Orleans, El Paso and New York. Tired of the gypsy's life, he and his wife decided in 1964 to buy a radio station in Butler, Pa.—a town neither of them had heard of before.

And for 36 years, he ably served this community. On air, he satisfied his listeners by asking probing questions, whether he interviewed the star of the high school musical, a member of Congress, The Beatles' Paul McCartney or even the King himself, Elvis Presley. Larry became a local icon through his daily radio talk show. He brought the world to our cars and living rooms with his unique gift.

His hard work and dedication to the people of Butler County went well beyond what could be heard over the airwaves. Off the air, he served as president of many fine organizations such as the Butler Rotary Club, the Butler County Chamber of Commerce and Tourism, and the B'Nai Abraham Synagogue.

Determined to give back to the community that welcomed him with open arms, he also served as a board member of Butler Memorial

Hospital, Visiting Nurses Association of Western PA, Boy Scouts, Salvation Army, Lifesteps, Cancer Society, Butler County Music and Art Festival, and Butler County Jaycees.

And his efforts have not gone unnoticed. He's been honored by various groups including receiving awards such as Junior Man of the Year, Pennsylvania's Most Outstanding Radio Program About Cancer and the City of Butler's True Citizen Award.

Larry is a genuine individual whose openness, honesty and friendliness on and off the air paints a clear picture of his love for the human species. Those who know him describe him not only as an exceptional human being but a wonderful friend, husband to his wife, Judy, father to his three children and grandfather of 10. Now as he retires, I wish to thank Larry for his years of extraordinary service to our community.

Knowing Larry, I am positive that he is entering retirement in name only. He will continue to be a positive influence in Butler County and beyond. I wish him the best in the coming years. This may mark the end of his radio program, but it is simply life moving on to a different frequency.

Captain Van Putten has left her fine mark on the city of Union City and the law enforcement profession and I join her colleagues in thanking her and wishing her all the best on her well-deserved retirement.

Mr. MENENDEZ. Mr. Speaker, I rise today to recognize Dr. Mariano Alonso, one of three honorees at the annual dinner-dance hosted by Ireland's 32 on January 19, 2001. RECOGNIZING THE MASSACHUSETTS DIVISION I STATE CHAMPIONS LUDLOW HIGH SCHOOL BOYS SOCCER TEAM

**HON. RICHARD E. NEAL**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 31, 2001*

Mr. NEAL of Massachusetts. Mr. Speaker, today I recognize the accomplishments of the 2000 Ludlow High School boys soccer team. This past season the Ludlow boys team compiled a record of 19-0-3 en route to earnings

the Smith Division League Championship, the Western Massachusetts Division I Championship, and the Massachusetts Division I State Championship. Their efforts enabled them to earn a top five ranking nationally.

Not only did the boys team finish the season undefeated, but their 2000 campaign marked the first time in Massachusetts history that a boys soccer team won four consecutive Western Massachusetts Division I titles. Also, the Lions have won back to back State titles, the first time this has been done in Massachusetts in 35 years. Ludlow High School has a fine and proud tradition in boys soccer play. The school has earned 13 State titles and 26 Western Massachusetts championships.

At the Lions' coaching helm was Tony Goncalves. He and his staff have fine tuned their team's athletic skill and have instilled poise, discipline, and sportsmanship into their players. Coach Goncalves and his staff have certainly earned their reputation as one of the finest coaching staffs in all of New England. I would also like to note that included in this year's team are seven players that were named to the All-Western Massachusetts squad, three players named to the All-State team, and two players receiving All-New England honors.

Mr. Speaker, allow me to recognize here the players, coaches, and managers of the 2000 Ludlow High School boys soccer team. The seniors are: Helder Pires, Jay Devlin, Mike Pio, Joey Jorge, Ray Cheria, Brian Cochenour, Tim Romansky, Paulo Dias, Dennis Carvalho, Paulo Martins, Steve Jorge, Manny Goncalves, and Chris Chelo. Juniors include: Joe Shanley, Seth Falconer, Kevin Keough, and Sebastian Priest. OPERATIONS MANAGEMENT  
INTERNATIONAL WINS PRES-  
TIGIOUS AWARD

**HON. THOMAS G. TANCREDO**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 31, 2001*

Mr. TANCREDO. Mr. Speaker, today I proudly share with my colleagues a recent accomplishment by Operations Management International, Inc (OMI), which is based in my district. Founded in 1980 by the Colorado-based, employee-owned CH2M HILL Companies, Ltd., OMI offers complete infrastructure development, financing, design, and operations and maintenance services. The company manages 160 water and wastewater facilities in the Americas, the Middle East and Asia.

On November 21, 2000, OMI made history by being the first company in the water and

wastewater industry, as well as the first Colorado-based company to receive the Malcolm Baldrige National Quality Award. This is the nation's premier award for quality achievement. OMI is the only company in the service category to win this year. In fact, only four companies nationwide will receive the Baldrige Award in all categories this year.

Named after a former Secretary of Commerce, the Malcolm Baldrige National Quality Award is an annual honor that recognizes U.S. organizations for performance excellence, and is the highest-level quality award given in the United States. Given the growth of Colorado's economy, and the quality of its workforce, I expect to see this award return often to our state.

The Baldrige Award evaluates organizations on seven performance excellence criteria: leadership; strategic planning; customer and market focus; information and analysis; human resource focus; process management; and performance and business results. OMI uses these important criteria as a cornerstone for its Obsessed With Quality management process, which focuses on empowering associates to develop new approaches to enhance how they perform their jobs. The company's mission is summarized in its "E3" motto: Exceed customers' expectations, empower people and enhance the environment—three main goals that illustrate how OMI conducts its business and developed its stellar reputation.

Winning the Baldrige Award rewards the deserving employees at OMI for two decades of work that has positively affected millions of lives worldwide, through the daily provision of superior utility management services. To win such a prestigious award, OMI has proven that its emphasis on quality is evident in their work product.

Mr. Speaker, I urge my colleagues to join me in congratulating Don Evans, the president of OMI and his staff of over 1,400 on their outstanding achievement.

THE MONTGOMERY GI BILL  
IMPROVEMENTS ACT OF 2001

**HON. LANE EVANS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 31, 2001*

Mr. EVANS. Mr. Speaker, as the Ranking Democrat on the House Veterans' Affairs Committee, I am today introducing H.R. 320, the Montgomery GI Bill Improvements Act of 2001, with my good friend Congressman JOHN DINGELL, the principal cosponsor of this important legislation. Our legislation will provide important and needed improvements in education benefits for veterans under the Montgomery GI Bill (MGIB) program, a key recruiting tool for the armed services and a key readjustment benefit for the men and women who honorably serve our Nation in uniform.

Substantial MGIB enhancements are long overdue. The 106th Congress passed an important, but modest increase in MGIB benefits late last year. While I supported and was pleased by the MGIB amendments approved last year, those changes were clearly only an interim, first step toward revitalizing one of
