

neighbors, and in wishing him and his family many joyous years ahead.

SALUTE TO FIREFIGHTER STEVE HALL

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Saturday, January 6, 2001*

Mr. BACA. Mr. Speaker, I would like to salute Steve Hall, the Montclair Fire Department Firefighter of the Year.

Our brave firefighters do a hero's work, exposing themselves to danger, in acts of selfless heroism.

Steve was nominated by his peers for his exemplary work, both within and outside the Department. Steve has been employed by the Montclair Fire Department for 22 years, presently holding the rank of Firefighter, and a certification to act as a Fire Engineer.

Steve has been involved in a number of volunteer efforts. This past summer, Steve served on a mission to Thailand, to aid the victims of land mines and military conflict. When Steve was in the Army, over 22 years ago, he worked in an orthopedic shop making prosthetic limbs. Steve contacted a former army colleague, Richard Fite, who owns the Brace Place. Richard aided Steve in learning and teaching proven techniques to provide amputees in Third World Countries with new prosthetic limbs. Steve raised the funds to go to Thailand on his own and donated his time, including taking his personal time off to go and help the unfortunate in Thailand.

Steve has also served on the Executive Board of the Montclair Firefighters' Association. He is quick to volunteer his time for Association matters, from staffing the cooking trailer to working for members to allow them to attend a class sponsored by the International Association of Fire Fighters or the California Professional Firefighters. Steve is always there, and can always be counted on.

Happily married for twenty years to his lovely wife, Theresa, together they are blessed with two fine children, Andrew Joseph and Kathryn Rose. We in the Congress salute him for his selfless efforts and achievements.

TRIBUTE TO BRIGADIER GENERAL HOMER A. BOUSHEY, USAF (RETIRED)

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Saturday, January 6, 2001*

Ms. ESHOO. Mr. Speaker, I wish today to celebrate the life of a distinguished American and a beloved Californian, Brigadier General Homer A. Boushey, USAF (Retired).

Brigadier General Boushey died on December 22, 2000, at the age of 91. He was a native of San Francisco and a graduate of Stanford University. He enlisted as a flying cadet at Randolph Field, Texas, where he became interested in Robert H. Goddard's studies of extreme altitude flying. He flew a postal route

EXTENSIONS OF REMARKS

between Cleveland and Newark in an open cockpit bi-plane, and then returned to San Francisco where he flew bi-planes from Crissy Field. He was awarded the Distinguished Flying Cross for his heroism in bringing in a Douglas O-46 with damage to both ailerons and the main wing spar. With the outbreak of World War II, Boushey was assigned to a P-40 Pursuit Group, but was soon transferred to Research and Development to work on the development of jet engines and was instrumental in the development of the revolutionary Lockheed P-80.

His life history is a litany of "firsts" and of honors bestowed. He commanded the first U.S. jet fighter group, and held briefly the "over-water" air speed record. He was listed in the Aerospace Museum's 1959 Laureates Hall of Fame for his efforts on behalf of a military space program and he was invited to the President's Astronauts' Dinner after the successful moon landing.

Brigadier General Boushey, an ardent advocate of a strong national defense, was an early opponent to U.S. involvement in Vietnam, the arms race and nuclear proliferation. He sponsored California's Nuclear Freeze Initiative in 1982 and in June 2000, he was a signatory to the Global Security Institute's Joint Nuclear Reduction/Disarmament Statement.

After his retirement, in addition to pursuing his hobbies of tennis and inventing, he supported his wife in her career as a Councilwoman and Mayor of Portola Valley.

Mr. Speaker, I ask my colleagues to join me in honoring this great and good man whom I was proud to represent and to call my friend. I ask my colleagues to also join me in extending my deepest sympathy to Homer's beloved wife, Eleanor, and his children Annette, Helen, Boyd and Homer, Jr. We are indeed a better nation and a better people because of him.

HONORING BARBARA ANN RIEDER, DEPUTY DIRECTOR OF OPERATIONS

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Saturday, January 6, 2001*

Ms. LOFGREN. Mr. Speaker, today I recognize the achievements of Barbara Ann Rieder, Deputy Director of Operations for the Public Health Department of Santa Clara County. Ms. Rieder is retiring after over 35 years of dedicated service to the people of Santa Clara County.

Barbara Rieder began serving in the Department of Public Health in 1963 as a staff Public Health Nurse after graduating from the University of California at San Francisco. She was consistently commended for her dedication and the quality of her nursing care, and was promoted to Supervising Public Health Nurse and then Director of Public Health Nursing. Inspiring others with her tireless work for the health of the community, in 1980 Ms. Rieder became the Deputy Director of Operations for the Public Health Department she had joined 34 years earlier.

Working through the Public Health Department, Barbara Rieder addressed public health

crises such as AIDS and the effects of substance abuse on infants. Her work on behalf of children led to commendations from such diverse groups as the California Nurses Association, San Jose State University and the Women of Achievement Organization. Ms. Rieder's example has led many nurses to take a stronger role in legislative advocacy and public health. In her many articles and presentations, Ms. Rieder brought her compassion for the community to the often arcane matters of health policy.

Barbara Rieder expanded her service to the entire state during her tenure as the cofounder and president of the California Association of Public Health Nursing Directors, and as the president of the California Conference of Local Health Department Nursing Directors.

Barbara Rieder has been a role model and a leader in her community and in the county. After 35 years of service, her passionate concern for the health of the community is undiminished; her leadership and visionary approach have left their mark on both the Public Health Department and all of Santa Clara County.

I wish to thank Barbara Rieder for her compassionate and dedicated service to the County and wish her the best in her future endeavors. Furthermore, she has my personal thanks for our years of friendship. Her integrity, vision and strength will be sorely missed, but our lives are the richer for having had the chance to know her.

COMMENDING LT. GENERAL WILLIAM F. PITTS, AND REAR ADMIRAL ALLEN E. HILL

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Saturday, January 6, 2001*

Mr. CALVERT. Mr. Speaker, today I speak with great pride to commend and praise two magnificent Americans—men who unselfishly made a career of serving their country, in times of peace and war, one in the United States Air Force and the other in the United States Navy. On November 20, 2000 I had the honor of emceeding an event where the names of these native sons—both born in my Congressional district of Riverside, California—were inscribed on the Mission Inn Fliers' Wall. The men of whom I speak so highly and hold in such esteem are Lieutenant General William F. Pitts, U.S. Air Force, and Rear Admiral Allen E. Hill, U.S. Navy.

On March 26, 1934, the first wing ceremony of the Mission Inn Fliers' Wall took place and established a tradition that recognizes great aviators and contributors of aviation. For the ceremony a pair of copper wings, bearing the name of the date that the flier visited the Mission Inn, is attached to the wall of the St. Francis Chapel—The International Shrine of Aviators. A 20th century phenomenon, man's taking to the sky can be recognized by any visitor to the Fliers' Wall today, we have all seen incredible events in air or space in our individual lifetimes. I was proud to witness Lt. General William F. Pitts and Rear Admiral Allen E. Hill place their wings among the 141
