

New Mexico's Catholic schools and their students. Last year 324 students graduated from Catholic high schools in New Mexico. This is a 99% graduation rate and, of those, 99% went on to post-secondary education.

It's the dawn of a new century: It is a century in which knowledge is a commodity children must have to succeed. Catholic schools across America are giving our children this opportunity.

Catholic schools have given New Mexico's children the wings they need to achieve their dreams. As Catholic schools nationwide celebrate Catholic school week, we thank them.
