ALBUQUERQUE HISPANO CHAMBER OF COMMERCE GRAND OPENING

Mr. DOMENICI. Mr. President, I rise today and ask my colleagues to join me in congratulating the Albuquerque Hispano Chamber of Commerce in my home state of New Mexico, as they continue their work to serve the community, with the opening of their Barelas Job Opportunity Center.

The Albuquerque Hispano Chamber of Commerce was founded in May 1975 and is dedicated to improving the quality of life for citizens, by promoting economic and education activities, with an emphasis on small business.

In those many years, the Albuquerque Hispano Chamber of Commerce has helped small business people by providing much needed services and informing them of business opportunities. It also serves as an advocate for issues affecting the small businesspeople.

Through the Chamber, the entrepreneur also has access to a portal through which they can contribute to the economic and civic development of the community.

The Chamber just moved into a new building in an area of Albuquerque that is not affluent or wealthy, but one that is predominately Hispanic, and with history and pride: the South Valley. It is a fitting location for the Chamber, since it has always worked to protect, perpetuate and promote the Hispanic Culture, language and tradition.

The Albuquerque Hispano Chamber of Commerce will now be able to take their assistance a step further with the opening of their Barelas Job Opportunity Center within their new building.

The Opportunity Center, to be dedicated on August 10, 2001, will allow the Chamber to provide even more services individually designed to help members and small business persons with their business needs.

The Barelas Job Opportunity Center will serve the neighborhood, community, State and Nation for generations to come.

I applaud the Albuquerque Hispano Chamber of Commerce as it opens its new Barelas Job Opportunity Center. The Chamber has made a great impact on our community and with the new Job Opportunity Center, will continue and further its contribution. We wish them much continued success in the future.
