Funding for these projects includes important work being done at the National Coral Reef Institute in Dania Beach, Florida. I am thrilled that Congress continues its commitment to this facility through this bill.

Protection of Florida's unique environment and the animals that inhabit it are aided by this bill. Specifically, this bill allocates $1.7 million for the Marine Mammal Commission for continuation of studies to further protect the endangered Florida manatee.

Additionally, this bill continues funding for the Caribbean Initiative, which provides added resources to the FBI, DEA, and the INS for the region that includes Puerto Rico, the Caribbean, and south Florida.

I am pleased to see that the bill before us includes significant funding for the COPS program, the COPS program, administered by the Department of Justice.

Specifically, the committee report recommends that funds be directed to the largest school district in my State, Miami-Dade County Public Schools, for technology equipment for school policing activities.

Finally, Mr. Speaker, let me mention that later in this debate I will offer an amendment for funding to an important project in a very small city in my district that is in desperate need, Pahokee, Florida. Looking ahead, I thank the ranking member for working with me on my amendment and for the thoughtful consideration of it.

Mr. Speaker, this is a good bill; and the rule is fine, as far as it goes. Again, Mr. Speaker, I thank the gentleman from Virginia (Mr. WOLF) and the gentleman from New York (Mr. SERRANO) for bringing an excellent bill to the House. This is a bipartisan bill that helps millions of Americans from coast to coast, and I urge passage of the bill and adoption of the rule.

Mr. Speaker, I reserve the balance of my time.

Mr. LINDER. Mr. Speaker, I yield 2 minutes to the gentleman from Florida (Mr. KELLER).

Mr. KELLER. Mr. Speaker, I thank the gentleman for yielding me this time, and I rise in support of the bill.

As a proud original cosponsor of the COPS program and the only member of the Subcommittee on Crime from Congress, I want to take this time to applaud the efforts of the chairman, the gentleman from Virginia (Mr. WOLF), in reinstating the funding for the COPS program at $1 billion, which is $158 million more than the President requested. This is a critically important program to our law enforcement community and to the safety of our citizens.

Mr. Speaker, I yield back the balance of my time.

Mr. LINDER. Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Florida. Mr. Speaker, I yield back the balance of my time.

Mr. LINDER. Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Washington in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Under the rule, the gentleman from Virginia (Mr. WOLF) and the gentleman from New York (Mr. SERRANO) each will control 30 minutes.

The Chair recognizes the gentleman from Virginia (Mr. WOLF).

Mr. WOLF. Mr. Chairman, I yield such time as he may consume to the gentleman from Florida (Mr. YOUNG), the chairman of the full Committee on Appropriations.

Mr. YOUNG of Florida. Mr. Chairman, I want to announce to Members that as we begin consideration of this very important appropriation bill that because of the heavy schedule for the floor this week, we would like to accomplish an agreement on limiting time on amendments, as we have done on other bills. In order to be fair to the membership, in order to do this, I would like to urge Members who have an amendment that they would like to have considered to this bill, that they present that as soon as they possibly can so that as we begin to create the floor plan of amendments that we will be considering, so that we will not leave anybody out.

The schedule for the balance of the evening will be announced at a later
