

Whereas, alternatives to incarceration, such as pre-trial intervention programs, drug courts, and restorative justice, are proving to be more effective in rehabilitation of offenders as well as in lowering incidents of recidivism; and

Whereas, only through rehabilitation, educational opportunities, and re-entry and acceptance into the community can an offender make the transition from societal dropout to community contributor; and

Whereas, each offense and each offender's potential must be judged individually by the court system to determine, within statutory guidelines, the consequence which will be most beneficial to society; and

Whereas, realizing the expense and the limitations placed on sentencing options by minimum mandatory sentencing, the state of Louisiana has removed minimum mandatory sentencing for non-violent crimes in the state through passage of Senate Bill 239 during the 2001 Regular Session; and

Whereas, the repeal of mandatory minimum sentencing on a national level is necessary to fully address the issue. Therefore, be it

POM-151. A concurrent resolution adopted by the Senate of the Legislature of the State of Louisiana relative to the problem of sexual trafficking; to the Committee on the Judiciary.

SENATE CONCURRENT RESOLUTION NO. 29

Whereas, recent headlines have called greater attention to the widespread and growing problem of sexual trafficking in the United States and worldwide; and

Whereas, the selling of young women into sexual slavery is one of the fastest growing criminal enterprises in our global economy with an estimated 45,000 to 50,000 women and children trafficked annually to the United States for "the sex industry and for labor," according to a report by the Center for the Study of Intelligence; and

Whereas, victims have traditionally come from Southeast Asia and Latin America, the trade has been expanded so that victims are increasingly coming from Central and Eastern Europe; and

Whereas, traffickers lure desperately poor young women and their families with false promises of money, jobs, and better opportunities abroad and once in the United States, women find themselves trapped into forced prostitution without money or legal help to escape; and

Whereas, women also are trafficked for forced domestic and sweatshop labor, which often involves sexual violence and exploitation as well; and

Whereas, trafficking victims suffer extreme physical and mental abuse, including rape, imprisonment, forced abortions, and physical brutality, and they also face an enormous risk of HIV infection from male "customers" who seek younger and younger girls for sexual exploitation; and

Whereas, as in many countries, existing United States laws are inadequate to punish traffickers or to protect and assist the women and girls who are their prey. Therefore, be it

Resolved, That the Legislature of Louisiana hereby memorializes the Congress of the United States to address the problem of sexual trafficking and to support the bipartisan federal initiatives to prosecute traffickers and assist victimized women and girls. Be it further

Resolved, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives and to each member of the Louisiana delegation to the United States Congress.
