CONGRESSIONAL RECORD—SENATE

14123

C. to continue to consider ways for improving testing, to, and the quality of health care services for detecting and treating prostate cancer; and

(3) requests the President to issue a proclamation calling upon the people of the United States, States, and territories, and all Americans to join in raising awareness of the level of funding for research at the National Institutes of Health, NIH, and put us on the path to new discoveries in health care and cures for cancer.

In an effort to help increase awareness and educate American men and their families about prostate cancer and early detection, as well as emphasize the need for more prostate cancer research, I ask unanimous consent to consider a resolution that designates every September as the National Prostate Cancer Awareness Month. Together, Senator Reid and I, along with many others, ask for your support and encourage all of our colleagues to join us in raising awareness.
