TRIBUTE TO BANU SINAR

HON. CAROLYN McCARTHY
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 26, 2001

Mrs. McCARTHY of New York. Mr. Speaker, I rise in recognition of Banu Sinar of New Hyde Park. I have named her Citizen of the Month in the Fourth Congressional District for August 2001 in recognition of her outstanding abilities and growth as a student in the Literacy Volunteers of America—Nassau County (LVA–NC). LVA–NC is a non-profit organization that recruits and trains volunteers to work one-on-one or in small groups of students to improve their English language skills.

I hope Banu’s example and her desire to improve her English and literacy skills will encourage people to volunteer their time to the Literacy Volunteers. With over 400 students waiting for help, I encourage the residents of the Fourth District to become involved.

Banu was selected as 2001 Literacy Volunteers Student of the Year. Today, there are more than 1,000 students currently studying with the organization, free of charge.

A Turkish immigrant who arrived in the United States two and a half years ago, Banu’s fluency in Turkish enabled her to perform well at the international trade company where she works as a purchasing and sales agent. However, in order to feel more at home in the United States and to help her young daughter with homework, she wanted to learn to speak English. Banu enrolled with LVA–NC, and was assigned to tutor Marion Legler, also of New Hyde Park.

Banu’s accomplishments are truly remarkable, and is an example of how tutors can make a difference in people’s lives. I applaud her motivation and extraordinary commitment to her studies.

Wanting to contribute something to the organization that had assisted her so greatly, Banu helped to found LVA–NC’s new Student Advisory Council. The group was established as a forum for students to help develop programs to aid new adult learners.

Banu lives with her husband Hankan and daughter Asli in New Hyde Park. I congratulate Banu and her family on this achievement, and on the impending birth of their second child in October.

INTRODUCTION OF A BILL TO AUTHORIZethe USE OF A VESSEL TO TRANSPORT THE FORMER NAVAL MEDIUM HARBOR TUG U.S.S. HOGA TO PORT EVERGLADES, FLORIDA, FOR USE AS A MEMORIAL TO VETERANS AND FOR PROVIDING VOCATIONAL SEAMANSHIP TRAINING

HON. ALCEE L. HASTINGS
OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 26, 2001

Mr. HASTINGS of Florida. Mr. Speaker, I am proud to introduce a bill which authorizes the use of a vessel to transport the naval harbor tug U.S.S. Hoga to Port Everglades, Florida, for use as a memorial to veterans and provide vocational seamanship training.

This bill will carry out the longstanding intent of Congress in preserving and protecting historic landmarks and national monuments. The U.S.S. Hoga is recognized by the United States Park Service as a national monument, and appears in the national register of historic places. Unfortunately, the U.S.S. Hoga is no longer seaworthy, and cannot safely be towed on the open sea. If towed through the water, it may fall apart, and we stand to lose this national monument forever. Thus, I encourage you, Mr. Speaker, and my colleagues here in Congress, to support this initiative that will allow a means to transport the U.S.S. Hoga on a transporter vessel, enabling the ship to arrive undamaged to the state of Florida.

Veterans have long been the thread holding together our nation, defining American independence, and ensuring American freedom. Despite the high concentration of World War II veterans in Florida, with the majority of them calling South Florida home, the state of Florida is the only coastal state without a commemorative World War II warship. This legislation will assist the U.S.S. Hoga Association in transporting the U.S.S. Hoga to its final resting place at the New River in Ft. Lauderdale, Florida.

Mr. Speaker, in the next two decades, the last of the World War II veterans will have passed on. As an immobile World War II veteran, the U.S.S. Hoga will be a place for future generations to pay homage to those who fought bravely under and for the United States flag. The U.S.S. Hoga is indeed a national treasure, and will serve many additional uses in the state of Florida. Currently, boatyards are underemployed, and fewer Americans consider a calling to defend our great country. In addition to being a memorial, the U.S.S. Hoga will be used to train students in seamanship duties and promote national defense by preparing young Americans for service in the United States Navy.

Finally, Mr. Speaker, let me say that I take a great deal of pride in the fact that South Florida boasts one of the nation’s highest percentages of World War II veterans. I would also like to commend the U.S.S. Hoga Association for the tremendous work and effort it has contributed to attain this goal. As we approach the 65-year mark commemorating the beginning of World War II, I ask that we fulfill a small request made by Florida veterans to aid them in transporting a tribute to those citizens who fought for our country.

I urge all of my colleagues to support this bill.
