TRIBUTE TO BANU SINAR

HON. CAROLYN McCARTHY
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 26, 2001

Mrs. McCARTHY of New York. Mr. Speaker, I rise in recognition of Banu Sinar of New Hyde Park. I have named her Citizen of the Month in the Fourth Congressional District for August 2001 in recognition of her outstanding abilities and growth as a student in the Literacy Volunteers of America—Nassau County (LVA–NC). LVA–NC is a non-profit organization that recruits and trains volunteers to work one-on-one or in small groups of students to improve their English language skills.

I hope Banu’s example and her desire to improve her English and literacy skills will encourage people to volunteer their time to the Literacy Volunteers. With over 400 students waiting for help, I encourage the residents of the Fourth District to become involved.

Banu was selected as 2001 Literacy Volunteers Student of the Year. Today, there are more than 1,000 students currently studying with the organization, free of charge.

A Turkish immigrant who arrived in the United States two and a half years ago, Banu’s fluency in Turkish enabled her to perform well at the international trade company where she works as a purchasing and sales agent. However, in order to feel more at home in the United States and to help her young daughter with homework, she wanted to learn to speak English. Banu enrolled with LVA–NC, and was assigned to tutor Marion Legler, also of New Hyde Park.

Banu’s accomplishments are truly remarkable, and is an example of how tutors can make a difference in people’s lives. I applaud her motivation and extraordinary commitment to her studies.

Wanting to contribute something to the organization that had assisted her so greatly, Banu helped to found LVA–NC’s new Student Advisory Council. The group was established as a forum for students to help develop programs to aid new adult learners.

Banu lives with her husband Hankan and daughter Asli in New Hyde Park. I congratulate Banu and her family on this achievement, and on the impending birth of their second child in October.

Mr. HASTINGS of Florida. Mr. Speaker, I rise today in honor of a great woman who has led a distinguished life of humanitarian activism, Ms. Vera Hall.

Ms. Hall is the daughter of Russian Immigrants who migrated to Ashtabula County where she grew up on a farm. Ms. Hall attended Ohio State University and later transferred to Radio School during World War II and began a career communicating and recording vital information to airline pilots. During the next 40 years Vera worked for the commercial airlines Pennsylvania Central which eventually became United Airlines. Ms. Hall also enjoys spending her time enjoying the arts. She supports the theater, museums, music venues and other cultural institutions.

Mr. Speaker, please rise today and join me in applauding an individual who has made numerous contributions to the Cleveland area. Ms. Vera Hall.

Mr. KUCINICH. Mr. Speaker, I am proud to introduce a bill which authorizes the use of a vessel to transport the naval harbor tug U.S.S. Hoga to Port Everglades, Florida, for use as a memorial to veterans and provide vocational seamanship training.

This bill will carry out the longstanding intent of Congress in preserving and protecting historic landmarks and national monuments. The U.S.S. Hoga is recognized by the United States Park Service as a national monument, and appears in the national register of historic places. Unfortunately, the U.S.S. Hoga is no longer seaworthy, and cannot safely be towed on the open sea. If towed through the water, it may fall apart, and we stand to lose this national monument forever. Thus, I encourage you, Mr. Speaker, and my colleagues here in Congress, to support this initiative that will allow us to means to transport the U.S.S. Hoga on a transporter vessel, enabling the ship to arrive undamaged to the state of Florida.

Veterans have long been the thread holding together our nation, defining American independence, and ensuring American freedom. Despite the high concentration of World War II veterans in Florida, with the majority of them calling South Florida home, the state of Florida is the only coastal state without a commemorative World War II warship. This legislation will assist the U.S.S. Hoga Association in transporting the U.S.S. Hoga to its final resting place at the New River in Ft. Lauderdale, Florida.

Mr. Speaker, in the next two decades, the last of the World War II veterans will have passed on. As an immobile World War II veteran, the U.S.S. Hoga will be a place for future generations to pay homage to those who fought bravely under and for the United States flag. The U.S.S. Hoga is indeed a national treasure, and will serve many additional uses in the state of Florida. Currently, boatyards are underemployed, and fewer Americans consider a calling to defend our great country. In addition to being a memorial, the U.S.S. Hoga will be used to train students in seamanship duties and promote national defense by preparing young Americans for service in the United States Navy.

Finally, Mr. Speaker, let me say that I take a great deal of pride in the fact that South Florida boasts one of the nation’s highest percentages of World War II veterans. I would also like to commend the U.S.S. Hoga Association for the tremendous work and effort it has contributed to attain this goal. As we approach the 65-year mark commemorating the beginning of World War II, I ask that we fulfill a small request made by Florida veterans to aid them in transporting a tribute to those citizens who fought for our country.

I urge all of my colleagues to support this bill.

HONORING WAYNE BENVILL

HON. SAXBY CHAMBLISS
OF GEORGIA
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 26, 2001

Mr. CHAMBLISS. Mr. Speaker, I rise today to pay tribute to Dr./Rev. Wayne Bevill who is retiring after twenty-five years of dedication and service to the Macon Rescue Mission. Dr. Bevill has been such an inspiration to everyone he comes in contact with and will be loved and missed by the staff and Board of Directors.

I have been pleased since my election to the House of Representatives to have served
on the Advisory Board of the Macon Rescue Mission and to have participated in the Grand Opening ceremonies for their fine new facility in Macon. After working so closely with Wayne Bevill on a number of faith-based endeavors, I have learned what an outstanding man he really is.

His extensive list of contributions to the community is astounding. He graduated from Rice Seminary and served as a chairman of multiple foundation, including the Bibb County Child Abuse Protocol, the Task Force Against Domestic Violence, the Middle Georgia Task Force for the Homeless, and the Bibb County Commission Task Force. He has received numerous awards for his service in helping victims of domestic violence, abused children, and homeless people. In fact, he opened the first shelter for battered women. By serving as Executive Director of the Macon Rescue Mission, he started the Macon Area Food Bank and ran the Dove Center for five years. Because of Dr. Bevill’s commitment and hard work, the Macon Rescue Mission moved into its new facility in October of 2000, where it remains one of the finest and up to date facilities in the state of Georgia. In honor of his many accomplishments, Dr. Bevill received an Honorary Doctorate from Toccoa Falls College in May of 2001.

Mr. Speaker, I am proud to call to the attention of the House of Representatives the many accomplishments that have followed in the path of Dr. Wayne Bevill. I feel privileged to know such a dedicated and upstanding citizen. I thank him for his efforts to improve the lives of so many others in Macon and across Georgia.

TRIBUTE TO BILL EMMEL

HON. CAROLYN McCARTHY
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 26, 2001

Mrs. McCARTHY of New York. Mr. Speaker, I rise in recognition of Bill Emmel, lifelong blood donor and community advocate for blood donations, who I have named as Citizen of the Month in the Fourth Congressional District for July 2001.

The significance of Bill’s commitment is profound. Particularly now, when Long Island is faced with a blood shortage crisis, his example is so important. He has helped to inspire a whole new generation of blood donors. Bill has regularly donated blood since 1981. In his lifetime, he has donated 68 pints of whole blood and has made 91 platelet apheresis donations, for an incredible total of 159 donations as of July 12, 2001.

His extraordinary dedication is only one part of Bill’s commitment to ensuring an adequate blood supply in the New York area. Understanding that his own enormous contribution is only a part of keeping Long Island adequately supplied, Bill advocates for blood donations both at work and at home. Upon learning that the Sewanhaka Union Free School District was not sponsoring blood drives due to liability concerns, Bill decided to pursue this great opportunity to recruit young donors. A resident of the school district, one of the largest in Nassau County, he met with insurance representatives, lawyers, Long Island Blood Service personnel, the superintendent and school board, and orchestrated a resolution in which the Sewanhaka School District would endorse blood drives. The effort paid off, and blood drives at the five Sewanhaka high schools have resulted in 775 donations since December 1999.

Not content to leave any stone unturned, Bill is working to get other districts which do not currently hold blood drives, such as the West Hempstead School District, to do so. He also serves as the blood drive chairperson for the Information Technology Department at the Metropolitan Life Insurance Company, where he has worked for fourteen years.

Long Island is lucky to have a person like Bill Emmel working so hard for such a noble cause. With any luck, the students in the Sewanhaka district that he inspired will be logging some lifetime helping to avoid another crisis in the future.

A 26 year resident of Floral Park, Bill hopes to make his 100th platelet donation this year. He is a single parent with two sons, Chris, 20, a student at St. John’s University and Floral Park EMT, and David, 24, a St. John’s graduate and web designer. I congratulate Bill and his sons on this achievement.

IN HONOR OF MR. JASON J. SANUK

HON. DENNIS J. KUCINICH
OF OHIO
IN THE HOUSE OF REPRESENTATIVES
Thursday, July 26, 2001

Mr. KUCINICH. Mr. Speaker, I rise today to honor Mr. Jason J. Sanuk, who will be honored for his attainment of Eagle Scout on August 8, 2001.

The attainment of Eagle Scout is a high and rare honor requiring years of dedication to self-improvement, hard work and the community. Each Eagle Scout must earn 21 merit badges that focus on self-improvement, social skills, and outdoor living.

In addition to acquiring and proving proficiency in those and other skills, an Eagle Scout must hold leadership positions within the troop where he learns to earn the respect and hear the criticism of those who lead.

Most importantly, the Eagle Scout must live by the Scouting Law, which holds that he must be: trustworthy, loyal, brave, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, clean, and reverent. The International Scouting Association strives to instill values to develop leadership in young men, and teach them the benefits of a strong character.

Scouts are taught to follow and uphold these 12 pillars of the Scout Law in their daily life and treat all people with respect and dignity. At the start of every meeting, scouts hold high their right hand and recite the scout oath, a pledge to remain physically strong, mentally aware, and morally straight. These three guiding principles instill strong values in young leaders and teach them of respect, dignity, and equality for all.

Mr. Speaker, please join me in recognizing Mr. Jason J. Sanuk, an exceptional young man, on his dedication to improving the lives of others and his attainment of Eagle Scout.

Mr. Speaker, this catalog will have numerous advantages for both consumers and health care providers. The most obvious advantage is that this catalog will enable the reader to quickly determine what drugs are available to treat his or her condition. Consumers will also be able to reduce their expenses for prescription drugs by comparing the prices of various drugs side by side. The convenience of being able to look up any prescription drug on the market for information about its price and effectiveness will prove to be an invaluable coup for the health care consumer.

My bill will also have advantages for health care providers. With this catalog, health care professionals will have at their fingertips the most current and available prescription drugs, helping to avoid another crisis in the future. A 26 year resident of Floral Park, Bill hopes to make his 100th platelet donation this year. He is a single parent with two sons, Chris, 20, a student at St. John’s University and Floral Park EMT, and David, 24, a St. John’s graduate and web designer. I congratulate Bill and his sons on this achievement.
