Mr. McINNIS. Mr. Speaker, it is with profound sadness that I now rise to honor the life and memory of an outstanding person, Willard Allen Meyer. As family and friends mourn his passing, we all will remember Will’s talents and remarkable life.

Much of Will’s life was spent educating himself. He received his B.A. in Economics from Southern Illinois University, becoming the first person in his family to graduate from college. He then continued his education at the University of Freiburg in Germany and the University of Massachusetts. After his formal schooling, Will taught economics at Allegheny College. In addition to his impressive academic career, Will was a proficient carpenter, mason, as well as a business owner, chef, civic volunteer, and community servant.

Will was also a well-traveled man. His love of new experiences drove him to live throughout the United States, Germany, France and Switzerland. Will never ceased forging new adventures, and he passed away while on a much anticipated vacation with his family in Paris, France.

Will held a strong belief that every citizen had a responsibility to try to make his or her community a better place. Throughout his civic career, he served as a Breckenridge town Councilman, as Boulder County Democratic Party’s Treasurer, and as President of PlanBoulder. Will worked at the Colorado Legislative Council as a budget analyst for 12 years, serving until he passed away. He also committed himself to the City Planning Board, City Parks and Recreation Board, and the Affordable Housing Task Force, among other organizations.

While his involvement with education and the community are to be remembered, Will’s lasting legacy rests in his family. He was a dedicated husband to his wife, Lynne and a caring father to his children, Willard Allen and Lynne Meyer. As family and friends mourn his passing, we will all remember Will’s talents and remarkable life.

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to remember a caring and compassionate individual from Silvercliff, Colorado who has recently passed away. It is with profound sadness that I now rise to honor the life and memory of Susan Marie “Susie” Loafman who died on Wednesday, July 11, 2001.

Susie had endured cancer and diabetes for sometime, but this did not stop her from giving so much to others in her life and in the community. After graduating from Custer County High School in 1950, she proceeded to open a local restaurant in 1964 and named it “Susie’s Cafe and Bar.” The popularity of this establishment grew so great that people who knew of the restaurant would not drive by without visiting Susie’s restaurant. Beyond the demands of operating the eatery, Susie was engaged civically with such organizations as the Chamber of Commerce, the Women’s Club, the Altar and Rosary Society, the Merchants Association and the Custer County Cattlemen. While adding to the community in this respect, she also built a strong foundation within the walls of her house by serving as a foster mother to over 30 foster children.

Mr. Speaker, at the age of 71, Susie Loafman will be remembered and appreciated for her spirit and kindness. As family and friends mourn her passing, her lessons and tenderness will live forever in the hearts of those that knew her and that she assisted. I would like to extend my deepest sympathy and warmest regards to her family at this time of remembrance. She will surely be missed.

Ms. SOLIS. Mr. Speaker, I rise today to speak in remembrance of Carole Jean Thomas Fajardo, who passed away this month. Mrs. Fajardo was born in Pueblo, Colorado, and was a committed activist in the San Gabriel Valley and other areas. She graduated from the University of Texas in El Paso. She is survived by her husband Mr. Richard Fajardo who is a well-known attorney in the Los Angeles area. Her passions included music, art,
