IN THE HOUSE OF REPRESENTATIVES

Thursday, July 26, 2001

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to remember a caring and compassionate individual from Silverciff, Colorado who has recently passed away. It is with profound sadness that I now rise to honor the life and memory of Susan Marie "Susie" Loafman who died on Wednesday, July 11, 2001.

Susie had endured cancer and diabetes for sometime, but this did not stop her from giving so much to others in her life and in the community. After graduating from Custer County High School in 1950, she proceeded to open a local restaurant in 1964 and named it "Susie's Cafe and Bar." The popularity of this establishment grew so great that people who knew of the restaurant would not drive by without visiting Susie's restaurant. Beyond the demands of operating the eatery, Susie was engaged civically with such organizations as the Chamber of Commerce, the Women's Club, the Altar and Rosary Society, the Merchants Association and the Custer County Cattlemen. While adding to the community in this respect, she also built a strong foundation within the walls of her house by serving as a foster mother to over 30 foster children.

Mr. Speaker, the age of 71, Susie Loafman will be remembered and appreciated for her spirit and kindness. As family and friends mourn her passing, her lessons and tenderness will live forever in the hearts of those that knew her and that she assisted. I would like to extend my deepest sympathy and warmest regards to her family at this time of remembrance. She will surely be missed.

IN REMEMBRANCE OF CAROLE JEAN THOMAS FAJARDO

HON. HILDA L. SOLIS
OF CALIFORNIA

In conclusion, I believe H.R. 7 should have been defeated because it attacks some of the basic principles in America. I do not believe Congress should allow the wall dividing church and state to be chipped away. Congress should recognize the important contributions that religious organizations make in providing social services to needy people but should also maintain the essential protections for our democracy.
