

ANNOUNCEMENT OF PROCEDURES AND DEADLINE FOR PRINTING OF AMENDMENTS ON H.R. 4, SECURING AMERICA'S FUTURE ENERGY ACT OF 2001

(Mr. DREIER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DREIER. Mr. Speaker, I rise today to notify Members that this morning the Committee on Rules sent out a Dear Colleague letter announcing that it intends to meet next week to grant a rule which may limit the amendment process on H.R. 4, the Securing America's Future Energy Act of 2001. The consolidated bill was introduced this morning and the text is available on the Committee on Rules Web site at www.house.gov/rules.

Any Member wishing to offer an amendment must submit 55 copies of the amendment and one copy of a very brief explanation, very brief explanation, of the amendment to the Committee on Rules in room H-312 of the Capitol no later than 6 p.m. on Monday. Let me say that again, Mr. Speaker, that is no later than 6 p.m. this coming Monday.

Members should draft their amendments to the bill that was introduced this morning. Members should use the Office of Legislative Counsel to ensure that their amendments are properly drafted and should check with the Office of the Parliamentarian to be certain that their amendments comply with the rules of the House.

LEGISLATIVE PROGRAM

(Mr. BONIOR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BONIOR. Mr. Speaker, I rise to inquire from the distinguished major-

ity leader the schedule for the remainder of the week and next week.

Mr. ARMEY. Mr. Speaker, will the gentleman yield?

Mr. BONIOR. I yield to the gentleman from Texas.

Mr. ARMEY. Mr. Speaker, I thank the gentleman for yielding to me.

Mr. Speaker, I am pleased to announce that the House has now completed its legislative business for the week. On behalf of all of us in the House, I would like to thank the Committee on Appropriations for its hard work on the VA-HUD appropriations bill that has been under consideration yesterday and today.

I would like to thank them in particular for the unanimous consent agreement reached earlier today. We will now be able to complete the consideration of that bill on Monday, once again due to their willingness to work on that night for that purpose and in that manner, Mr. Speaker, so it will become no longer necessary for us to worry about our weekend.

Mr. Speaker, the House will next meet for legislative business on Monday, July 30, at 12:30 p.m. for morning hour and 2 o'clock p.m. for legislative business.

The House will consider a number of measures under suspension of the rules, a list of which will be distributed to Members' offices later today.

On Monday, no recorded votes are expected before 6 o'clock p.m. Following suspension votes, the House will complete consideration of H.R. 2620, the VA-HUD Appropriations Act.

On Tuesday and the balance of the week, the House will consider the following measures:

The Legislative Branch Appropriations Act;

H.R. 2505, the Human Cloning Prohibition Act;

The Jordan Free Trade Agreement; and

H.R. 4, the Secure America's Future Energy Act of 2001.

Members should also be prepared to consider HMO reform legislation and trade promotion authority next week as they become available. Obviously, Members should expect another busy and productive week in the House with the possibility of several late nights.

Mr. Speaker, as is the tradition of this House, we must advise Members that we can give no firm guarantee for 2 o'clock getaway on Friday, the day we break for such a long work period. But I must say, Mr. Speaker, given the cooperative nature of this body, I have every confidence if we are willing to work late evenings, we will be able to get away for our district work period at the designated time next week.

Mr. BONIOR. Mr. Speaker, I thank my colleague for informing us of the schedule for next week.

If I might inquire of him a couple of questions. Is it his anticipation to fin-

ish up this bill we have just completed today, or at least finished working on today, on Monday evening?

Mr. ARMEY. If the gentleman will continue to yield, yes. In accordance with our unanimous consent request propounded earlier by the bill managers, we believe we can finish it Monday night after we take the suspension votes.

Mr. BONIOR. Mr. Speaker, we expect a late night on Monday, then. Would the gentleman care to venture how late we might be going Monday, and then the other evenings during the week?

Mr. ARMEY. If the gentleman will continue to yield, Mr. Speaker, my impression is that there is little work remaining on the bill, so we should not be extraordinarily late on Monday.

Mr. BONIOR. Mr. Speaker, the HMO bill, the Patients' Bill of Rights, do we have a time when that might be coming to the floor next week?

Mr. ARMEY. If the gentleman will continue to yield, Mr. Speaker, I thank the gentleman for his interest.

We are continuing to work with several Members on that bill. At this point, I can only say that we would expect it sometime from Wednesday through Friday.

Mr. BONIOR. The energy bill, can the gentleman give us a day when that may, in fact, reach the floor?

Mr. ARMEY. Again, we would expect that probably on Wednesday, but in that time frame, from Wednesday to Friday.

Mr. BONIOR. On the energy bill, can the distinguished majority leader give us an idea what kind of rule we are going to have on that? Are we going to have an open rule? Is it going to be closed? What are the feelings at this point with respect to the ability to bring that bill to the floor?

Mr. ARMEY. I am informed that the Committee on Rules is meeting next week. They have just announced a filing deadline for Monday. I understand that there are a great many Members with some very, what should I say, controversial amendments over which they are concerned; but I can only say that every conversation I have had leads me to believe that the Members should expect the Committee on Rules to be very understanding and generous with the rule.

Mr. BONIOR. And the fast track legislation? The gentleman is suggesting we will definitely see that, we might see that, or is it 50/50 we could see that? Where are we with fast track?

Mr. ARMEY. I thank the gentleman for his inquiry. If the gentleman will continue to yield, I am confident we will see it before we retire from work for our recess on Friday. I am just sorry I cannot give a more specific time.

Mr. BONIOR. I thank my colleague. I wish him a good weekend.

Mr. ARMEY. I thank the gentleman.
