

reviewed, it appears that an FBI Inspector who prepared the Ruby Ridge shooting incident report in September 1992 was suspended for five days because Director Freeh found that his analysis of the justification for the shootings was incorrect and incomplete and because his report showed "inattention to detail" in referring, for example, to Vicki Weaver as "Vicki Harris." It is difficult to square the suspension imposed on this lower-level FBI employee with the ruling of the Justice Management Division that no discipline may be imposed on senior FBI executives in the absence of proof of intentional misconduct.

We, of course, understand that none of these matters occurred under your watch. However, we believe that it is important for our Committee to review carefully how decisions on matters of internal discipline are made within the FBI. As we are sure you can appreciate, the poisonous perception that there is a double standard being applied threatens to undermine FBI morale as well as public confidence. We would therefore appreciate your providing us with appropriately-redacted copies of the documents previously produced to our Committee as soon as possible. In its report on Ruby Ridge filed in December of 1995, the Subcommittee on Terrorism, Technology and Government Information noted that allegations of a cover-up in Ruby Ridge were then under investigation by the Department of Justice, but that "a full public airing of this matter must eventually be undertaken" and that "the Subcommittee will consider additional hearings to deal with the cover-up allegations." (p. 1124). We intend to pursue these matters within the Committee to ensure that Congress, and the public, are fully informed as to how the FBI handled these important investigations.

LOCAL LAW ENFORCEMENT ACT OF 2001

Mr. SMITH of Oregon. Mr. President, I rise today to speak about hate crimes legislation I introduced with Senator KENNEDY in March of this year. The Local Law Enforcement Act of 2001 would add new categories to current hate crimes legislation sending a signal that violence of any kind is unacceptable in our society.

I would like to describe a terrible crime that occurred June 4, 1996 in Santa Monica, CA. Lawrence Ford, 61, a retired stockbroker, was found beaten to death in his apartment, allegedly killed by a man who believed Ford was gay. Michael Robert Schafer, 28, was arrested and faced first-degree murder and hate crime charges.

I believe that government's first duty is to defend its citizens, to defend them against the harms that come out of hate. The Local Law Enforcement En-

hancement Act of 2001 is now a symbol that can become substance. I believe that by passing this legislation, we can change hearts and minds as well.

ADDITIONAL STATEMENTS

HONORING DR. FRED GILLIARD

• Mr. BAUCUS. Mr. President, I want to take this opportunity to recognize a good friend of mine and a man who has committed his life to education—Dr. Fred Gilliard.

Dr. Gilliard announced this year that he will retire as President of the University of Great Falls on August 13, 2001.

I have seen first hand the impact Dr. Gilliard has had on the University of Great Falls community. Without a doubt, he was a huge success and will be missed.

Dr. Gilliard was proud of his students, staff and facility. Not only did he understand the importance of a good, solid education, but he followed the mission of the University at work and everyday in his life. When I read the mission of the University of Great Falls, three areas, in my view, tell us who Dr. Gilliard is and what he stands for:

Character—have a positive impact on the world and on the communities in

which they live and work, particularly by recognizing and accepting personal accountability to themselves, to society and to God;

Competence—further their ability to live full and rewarding lives by becoming competent working members of society who know the basics of their professional field and have access to future learning;

Commitment—find meaning in life which enables them to participate effectively in society while transcending its limitations, by living according to their own moral and religious convictions, as well as respecting the dignity and beliefs of other people.

Dr. Gilliard achieved so much during his tenure as President. From introducing the Student Service Learning Center, moving the institution from "College" to "University" status, and broadcasting classes over the Internet, to completing a successful capital campaign, completing the Jorgenson Library addition and re-starting the Argos men's and women's basketball program. These are just a few Dr. Gilliard's successes.

In early 2000, I called Fred to see if he would be interested in hosting "Montana's Economic Development Summit" at the University of Great Falls. Without hesitation he said, "yes." Since that time, Dr. Gilliard has continued to work tirelessly to help me grow Montana's economy.

I wish the best to Dr. Fred Gilliard and his wife, Berry Lynn. I know Dr. Gilliard will be spending lots of his free time cheering for the Detroit Tigers with his grandson.

Semper Fi, Fred. ●
