ADDITIONAL STATEMENTS

50TH ANNIVERSARY OF AL-ANON FAMILY GROUPS

• Mr. WELLSTONE. Mr. President, today I congratulate Al-Anon Family Groups on their 50th anniversary and to acknowledge their contributions to many individuals, families and communities who come together to support those in recovery from alcohol addiction. The Al-Anon Family Groups have been a source of help and hope for families and friends of alcoholics for 50 years in communities throughout the United States and worldwide. Although Al-Anon, and its group for younger members, Alateen, have their roots in the United States, there are now over 26,000 Al-Anon and Alateen groups around the world in 115 countries.

The theme for the September 2001 National Alcohol and Drug Addiction Recovery Month is "We Recover Together: Family, Friends and Community," with its clear message that we need to work together to promote treatment for alcohol and drug addiction throughout our country. The Al-Anon Family Groups is an outstanding example of how a community can support the families, friends and communities of those who are in recovery from addiction.

Scientific research has shown us the devastation that alcohol addiction can have on the brain and the biological systems of the body. But addiction can also damage souls, relationships, families and communities. Effective treatments can help those with addiction illnesses, but it is through the support of groups like Al-Anon that communities and families can join together to make recovery work well for everyone who is affected.

I urge my colleagues to join me in recognizing Al-Anon Family Groups for the work they have done to help the countless numbers of those whose lives have been affected by addiction. With treatment and support, people can recover from alcohol addiction, and make positive contributions to their families, workplaces, communities, state and nation. Through the support offered by Al-Anon and Alateen, families and friends of those with addiction illnesses can find the support they need in their lives as well.
