CONGRESSIONAL RECORD—SENATE
September 10, 2001

Constituent Assembly to establish a sound legal framework for independent governance. It is my fervent hope that the same spirit of civic participation and tolerance that guided this most recent election will continue to guide the elected representatives of the Constituent Assembly as they establish a new democratic system to promote the cause of peace, independence, and prosperity to East Timor.

The United Nations must also be credited for organizing a successful election and establishing a firm foundation for future independent governance. As U.N. Secretary-General Kofi Annan has noted, it is in many respects the conviction with which the people of East Timor have embraced democracy that continues to strengthen the commitment of the world community to their cause. I commend the United Nations Administration in East Timor, UNTEAT, for their dedication in implementing this important mission and for their success in organizing this recent election.

ADDITIONAL STATEMENTS

U.S. NAVAL SEA CADET CORPS BIRTHDAY

• Mrs. HUTCHISON. Mr. President, the Congress of the United States recognizes with extreme pleasure the U.S. Naval Sea Cadet Corps on its thirty-ninth anniversary of their Congressional Charter of September 10, 1962.

A non-profit training and education organization for young men and women, the U.S. Naval Sea Cadet Corps has consistently provided, in conjunction with the Navy and Coast Guard, an outstanding opportunity for our country’s youth to sample military life and experience the challenges and responsibilities of active service. Over 8600 Cadets ages 11 to 17, led by 2,000 adult volunteers, across the United States and overseas participate with active forces in a wide variety of maritime training activities.

The Sea Cadet program is applauded in developing not only talent and skill in seamanship and aviation, but also instilling in America’s young people a sense of patriotism, personal courage, self-reliance and those qualities which mold strong moral character and self-discipline, all in an anti-drug, anti-gang environment. Many of our former and current military leaders established their roots and love the Naval services as a Sea Cadet.

On behalf of my colleagues in the United States Senate and the United States House of Representatives, I offer our heartfelt appreciation and respect to all the members of “our” U.S. Naval Sea Cadet Corps.

To Volunteers and Cadets: “Bravo Zulu”—Well Done!

IN RECOGNITION OF HAIFA FAHKOURI

• Mr. LEVIN. Mr. President, I rise today to ask my Senate colleagues to join with me in honoring dedicated activists and respected community leader Dr. Haifa Fakhouri. Dr. Fakhouri will be named a Lady of Charity. Dr. Fakhouri will be named a Lady of Charity by the Pontifical Institute for Foreign Missions (PIME Missionaries) at the 43rd Knights of Charity Award Dinner in Dearborn, Michigan on October 11, 2001.

The Knights of Charity Award is presented each year to men and women who clearly exemplify “Unity in Family, Community and Charitv.” This award is given to those whose words and actions promote the ideals of charity, friendship, love and interfaith and intercultural collaboration.

Dr. Fakhouri clearly exemplifies these ideals. Since coming to America from Jordan in 1968, she has become one of the most respected leaders of the Arab-American community. Her most well-known achievement most recently was helping to found, and serve as President and CEO of the Arab-American and Chaldean Council (ACC), the largest community based human services agency in the nation, serving the Arabic and Chaldean speaking population of the southeastern Michigan. Founded in Detroit in 1979, the ACC has quickly grown to offer 36 outreach centers and over 50 specialized programs to the Arab/Chaldean community in Detroit and the surrounding area.

Under Dr. Fakhouri’s leadership, the ACC has adopted goals and ideals that closely match those of the Knights of Charity Award. ACC is dedicated to building community cooperation and coordination, increasing cross-cultural understanding and raising the level of the community’s general well-being.

In summing up her career, Dr. Fakhouri has been so successful in guiding the ACC towards achieving these goals, she has received recognition from numerous state and national organizations. For example, she has served as Special Advisor to the United Nations on the role and status of women and population policies in the Middle East Region, and she has received the 1999 Governor’s Community Leadership Award, the 1999 Michigan of the Year Award and many others.

Dr. Fakhouri’s leadership, vision and compassion have made her one of the nation’s greatest community activists. Her dedication to serving others has made her an invaluable part of the Arab-American community. I know that many of my colleagues will join me in congratulating her on being named a Lady of Charity.

25TH ANNIVERSARY OF THE HISTORY MUSEUM FOR SPRINGFIELD-GREENE COUNTRY

• Mr. BOND. Mr. President, this month the History Museum for Springfield-Greene County will celebrate its 25th anniversary. It is an honor and a privilege to rise today on the floor of the United States Senate to recognize this institution’s longevity and its role in preserving the history of Springfield and Greene County.

Some twenty-five years ago I was able to play a role in the founding of this museum while I was serving as Governor of Missouri. The museum was then called the Bicentennial Historical Museum in honor of our Nation’s 200th birthday. Over the years, the name has changed, but the purpose of the museum has remained the same, preserving the history and heritage of the city of Springfield and Greene County. History is our window to the past and helps us to remember just how far we have come as a nation and as a community. The museum contains permanent exhibits beginning with the earliest settlement in the region, continuing on through the Civil War, and into the twentieth century. The museum also changes exhibits throughout the year which examine other areas of Greene County’s history.

The museum is a private, not-for-profit organization that is open to public at no charge. The museum is funded through grants, memberships, grants, and gift shop sales. The staff, management, and volunteers who operate this facility are to be congratulated for their tireless efforts and innovation which make the museum an important part of the community. The museum is an invaluable tool for students and teachers to learn the historical significance of the area.
